ARTSHOP

For over 15 years, our Artshop program has offered high quality, accessible arts instruction for every student, including those with disabilities. Artshop classes are designed so that participants at every skill level can achieve success. Classes are ideal for seniors, homeschooled students, and those new to the arts, as well as participants with cognitive, physical, or emotional disabilities. Tuition costs are low and cover all materials. Students with Community Living Support stipends can apply those funds towards tuition costs.

Classes are held Tuesdays and Thursdays between the hours of 10 am and 4 pm. Please call us for more information about this one-of-a-kind program!
