Hockey India to host Men World Cup in 2018

Hockey India Hails Hockey Returns to its 'Home'

FIH awarded India major FIH events from 2015-2018

**Message from
Dr. Narinder Batra,
Secretary General -
Hockey India &
Chairman-Hero
Hockey India
League**

I would like to convey my sincere thanks to International Hockey Federation (FIH) for reposing their faith in us to host the Senior Men Hockey World Cup in 2018 and awarding many other major events during the period 2015-2018.

I also convey thanks to Hockey India team and all stakeholders for hosting a wonderful Hero Hockey Junior Men World Cup in New Delhi. I expect similar inspirational efforts will continue during the forthcoming first ever World League Final and the second edition of Hero Hockey India League.

The last three months continued to be very active for Indian Hockey. The Senior Women team won the silver medal in the 3rd Asian Women's Champions Trophy at Japan. The Indian Men teams also participated in the 3rd Asian Men's Champions Trophy and Hero Hockey Junior Men World Cup.

The preparation for the second edition of Hero Hockey India League is well underway and we welcome the sixth franchise Kalinga Lancers based in Bhubaneswar, Odisha.

All development and promotional activities of hockey within the country have not been possible without the ongoing support of International Hockey Federation (FIH), Government of India and SAI. With the end of 2013 we would like to thank all our stakeholders and wish them a happy 2014. The next three months will project a new dimension of Indian hockey through the Hero Hockey India League to the entire world. The League will commence on 25 January 2014 with a gala opening ceremony at Mohali and semi-finals and finals at Ranchi on 22 and 23 February 2014.

Hockey India won the right to host the Senior Men's World Cup in 2018 after it presented a strong bid to FIH, the other countries shortlisted were Malaysia, New Zealand, Australia and Germany. The India bid showcased the futuristic vision of Hockey India to revitalize Hockey in the sub continent and the growth of the sport on a global level.

Hockey India Secretary General Dr. Narinder Batra said it's a proud moment for Indian Hockey to be once again given the responsibility of hosting the Senior Men World Cup in 2018. I would like to specially thank Federation of International Hockey (FIH). "This has been only possible with the extraordinary efforts put in by Hockey India Chief Executive Officer, Ms Elena Norman and her team." added Dr. Batra.

"Hockey has been in the heart and mind of all Indians and we are focused on rebuilding the sport and bringing back the glory of our former years, the efforts put in by Hockey India in last few years not only by conducting the International events but also managing the Federation in a professional manner has been reflected in this wonderful achievement. India will showcase to the world our Hockey growth both on and off the field of play" said Dr. Batra.

Stage Set for Men's Hockey World League Final Delhi from 10-18 January 2014

Hockey India will host the first FIH Men's Hockey World League Final at Major Dhyan Chand National Hockey Stadium in New Delhi from 10-18 January 2014.

Mr. J. Narain, Advisor Sports, Hero MotoCorp Ltd, Mr. Leandro Negre, President FIH, Sardar Singh and Dr. Narinder Batra, Secretary General Hockey India during Hero Hockey World League Final Press Conference at The Lalit in New Delhi.

The tournament will see eight of the world's finest teams in action and is the culmination of a journey which began back in August 2012 when the first rounds of the competition were played.

The event features two pools of four followed by quarter-finals, semi-finals, classification and medal matches. Pool A will feature reigning Olympic Champions Germany alongside New Zealand, England and hosts nation India, while current World Champions Australia face the Netherlands, Belgium and Argentina in Pool B.

The Round-Robin pool phase will take place over three competition days between 10th and 13th January. Following the Round Robin, the teams will move into the crossover quarter-final phase, with the pool winners meeting the bottom team from the opposite pool. The #2 and #3 finishers will also face-off in the knock out quarter-final. From there, the winners move into semi-finals and the medal games, with the losing teams playing for placement.

The opening day of the tournament (Friday 10th January) will feature all eight teams taking to the field. Two matches from Pool B will kick things off, with Australia and Belgium meeting at 1400 hrs IST before Netherlands and Argentina go head to head at 1600 hrs IST. In Pool A, Germany take on New Zealand at 1800 hrs IST ahead of the mouth-watering meeting between England and India at 2000 hrs IST.

Dr. Narinder Batra, Secretary General Hockey India cuts the cake for Hero Hockey World League Final. Sardar Singh and FIH President Mr. Leandro Negre are also present.

Glittering Hero Hockey Junior World Cup Trophy unveiled in New Delhi

A glittering Hero Hockey Junior World Cup Trophy was unveiled by International Hockey Federation (FIH) on the eve of the tournament in New Delhi. The glamorous unveiling took place alongside the announcement of various special awards during a unique function at The Lalit Hotel.

Mr. Kelly Fairweather, CEO, FIH, Dr. Narinder Batra, Secretary General, Hockey India and competing Captains unveiled the traditional Roger Danet Trophy, the symbol of supremacy in the Hero Hockey Junior World Cup competition, amidst the global hockey fraternity.

Title sponsor Hero MotoCorp Ltd. also announced a series of awards to further enhance the competitiveness and highlight the feat of the young guns including the Hero Man of the Match, Hero Top Scorer and a Hero Player of the Tournament.

The Hero Player of the Tournament received a cash award of Rs. 100,000 and the Hero Top Scorer received a cash award of Rs. 50,000. A Hero Man of the Match Trophy was awarded after each match and from the quarter finals onwards the player also received a cash award of Rs.12,000.

Germany defends Hero Hockey Junior Men World Cup 2013 title

Defending Champions Germany defeated France 5-2 in the final of the Hero Hockey Junior Men World Cup 2013 to defend their title successfully and win the quadrennial event for a record 6th time.

The Netherlands beat Malaysia 7-2 to secure the bronze medal.

The host team, India failed to book their berth for the quarter-finals and finished tenth in the tournament. India had a good start in the tournament as they lost to the higher-ranked Holland 2-3 in their opening match with a margin of only one goal. In the second league match India defeated Canada 3-2 but the draw played against Korea 3-3 in their last league match was not enough to qualify for the Quarters.

After the disappointment of not qualifying for next round, India defeated Argentina 4-2 in their classification match before playing against Pakistan for ninth/tenth place play-off. In a high voltage clash against Pakistan, India lost the match 4-5 via penalty shoot-out.

France, though were the story of 2013 Hero Hockey Junior World Cup. Over the period of 10 days, we did not only witness the new, upcoming talents coming of age on the biggest stage of all, but – in France - also the emergence of the newest hockey destination. France arrived discreetly in the competition but managed to win over the American Champions (Argentina), European Champions (Belgium) and Asian Champions (Malaysia) to progress to their first ever final in a top international event.

The smooth conduct of the Hero Hockey Junior World Cup in New Delhi also kicked off a series of international tournaments that India will host in the next five years, starting with the World League final in January. Hockey fans are surely in for a treat!

India Men qualify for Rabobank Hockey World Cup 2014

The Indian Men Hockey Team qualified for the Rabobank Hockey World Cup to be held in The Hague, Netherlands from 31 May – 15 June 2014, the International Hockey Federation (FIH) confirmed in November 2013.

India's participation in next year's FIH most prestigious event was confirmed following the completion of the men's Oceania Cup Continental Championships in Stratford, New Zealand on 3 November 2013.

Like all of the Continental Championships, the winners of the men's Oceania Cup tournaments always get direct qualification to the World Cup. However, with Australian team having already achieved World Cup qualification thanks to strong performances in the Hockey World League Semi Finals, the door was subsequently opened to the teams that finished outside the top three at the Hockey World League Semi-Finals that had not yet qualified for the World Cup.

India men's team who finished sixth place at the Rabobank Hockey World League Semi Final in Rotterdam has proven to be enough for their participation and have also been handed their ticket for the World Cup.

The other teams including India who have qualified for the Rabobank World Cup are Argentina, Australia, Belgium, England, Germany, Korea, Malaysia, Netherlands, New Zealand, South Africa and Spain.
