## OUR DRIVING FORCE

---

It is an honour and privilege to lead the B.K. Birla Centre for Education, a school that carries forward the inspiring vision of our founders, Shri Basant Kumar Birla and Smt. Dr. Sarala Birla ji. They dreamt of an institution where students from across India could come together in a spirit of inclusivity and merit, and receive an education that prepares them not only for academic success but also for life itself. This vision continues to guide us as we nurture young minds with knowledge, values, and character.

At BKBCE, we firmly believe that education must be holistic. Our academic programme, aligned with CBSE, is designed to inspire curiosity, creativity, and critical thinking. With the support of experienced faculty and

modern teaching methods, students are encouraged to explore, question, and discover, enabling them to develop the confidence and skills required for a rapidly changing world.

The residential environment at our school adds a unique dimension to this growth. Living together fosters discipline, independence, and resilience, while also giving students opportunities to form bonds of friendship that last a lifetime. These experiences build adaptability and prepare our students to embrace challenges with strength and positivity.

We place equal emphasis on sports, arts, cultural activities, and co-curricular pursuits, ensuring that every child has the chance to discover and develop their talents beyond the classroom. The aim is to shape well-rounded individuals who combine intellectual ability with emotional intelligence, and who embody the finest human values of compassion, integrity, and responsibility.

Our alumni remain the strongest testament to this philosophy. Many of them look back with pride and gratitude, acknowledging the profound impact that their years at BKBCE have had on their lives and careers. They embody the school's values in their personal and professional journeys, and their success continues to inspire the next generation of students.

As an institution, we are committed to carrying this legacy forward—empowering every student who joins us to realise their full potential and preparing them to emerge as leaders and contributors to a global society. We look forward to welcoming new students into this enriching journey of learning, growth, and lifelong achievement.

Educationally Yours,

**DR RAJEEV KUMAR CHAUHAN**  
PRINCIPAL

OUR

# SCHOOL PROFILE

BKBCE aims to nurture exceptional boys who are critical thinkers—open-minded, knowledgeable, and creative. They are encouraged to express themselves in diverse ways while developing their capacity for collaborative work both inside the classroom and beyond. The school seeks to shape principled, reflective, and balanced risk-takers who understand the difference between mere activity and meaningful action, and who are ready to step forward when the time demands. To ensure this, we provide the finest boarding experience in Pune—one of the best in India. In fostering the leaders of tomorrow, our well-equipped campus offers abundant opportunities for students to learn, grow, and thrive.

- We are equipped with 63 acres of lush green campus.
- We are nationwide 1<sup>st</sup> CBSE School to launch Lithography Art form and we also offer Linography.
- Modern classes with Senses Board.
- Two hi-tech computer labs for juniors and seniors.
- Well-equipped and maintained labs for all disciplines.
- Music room equipped with classical and modern instruments.
