LETTER FROM THE *CHAIRMAN*

The J. Wood Platt Caddie Scholarship Trust has been an important part of my life for decades.

I am proud to be the first Chairman of the Trust who was also a recipient. I received aid from 1998 until 2002 while caddying at Metedeconk National Golf Club in New Jersey and while attending Penn State University.

As an Alumni, I am fully aware of the impact the Trust has — in the classroom, around the kitchen table, at the golf course.

My two boys always give me trouble when I talk about the past. “Back in my day” they’ll squeal regardless of the topic.

Back in my day, the composition of the Trust was very different. In 2002, the Trust awarded \$640,000 to 270 caddie-scholars across the region. The average award was \$2,400. There were six female participants. **There was one full-time employee.**

Today, the impact outlined in our report is very different. The Trust has grown in so many ways over the past 23 years, delivering for our scholars on multiple fronts.

We have 222 Scholars across the Golf Association of Philadelphia’s footprint. This includes 152 traditional caddies and 70 Service-to-Golf members. Included in these figures are 31 female scholars, our highest number. It also includes 12 Platt-Evans Scholars, a group where we partner with the Evans Scholars to provide full scholarships to Penn State University.

In total, this group was awarded \$1.43 million of support in 2025. The average caddie scholar received nearly \$7,500 while the average STG participant received \$3,700. In addition, most scholars have earned a \$500 stipend to apply toward books and other college expenses. Importantly, this is where the Platt experience starts!!

What has impressed me over my tenure on the board since 2016 is our **GROWTH BEYOND OUR FINANCIAL SUPPORT.**

Most notable is our EMPOWER program — a series of events to educate our scholars, to connect them with one another and to build a community. We have leveraged our network to deliver an active mentoring program, to offer summer internship opportunities and to identify full-time positions to launch careers at regional employers.

Importantly, growth at the Trust has also occurred with respect to our professional staff. Under Mark Peterson’s leadership, we have grown from one full-time employee in 2002 to six world-class professionals. Each member of the team is fully committed to the Trust, to our scholars and to the various stakeholders invested in our mission.

In the end, I represent an amazing Board of Trustees who dedicate their time, talent and treasure to this important effort. We are excited about what the future looks like as we identify ways to enhance the scholar experience.

We appreciate our donors who invest in this mission. We hope the following pages illustrate the impact we have had with young people at your club, at your course, across your local community. We appreciate your ongoing support as we continue to deliver for this remarkable collection of youth.

GOLF is the game. **COLLEGE** and **CAREER SUCCESS** is the goal.

With gratitude,

STRENGTHENING THE *FUTURE TOGETHER*

THE 2024 J. WOOD PLATT *SCHOLAR BRUNCH*

On December 21, 2024, over 110 scholars and 140 Friends of the Trust—including donors, alumni, ambassadors, GAP Executive Committee members, and the JWP Board of Trustees—gathered at Aronimink Golf Club to celebrate the holiday season at the annual J. Wood Platt Scholar Brunch.

The day began with a warm welcome from outgoing Chairwoman Tina Gregor, followed by incoming Chairman Jeffrey Mitzak, who kicked off the program. During the event, outgoing board member Bill Lynch, who has supported the Trust for over 20 years, was honored.

The program then highlighted the Trust's **EMPOWER** Program and the service project with Cradles to Crayons. Kevin Ryan, the Director of Scholar and Alumni Engagement, spoke about the scholars' involvement in the service project, and announced \$2,000 was raised by the Trust to donate to Cradles to Crayons.

Lindsay Myers then took the stage to present the **2024 EMPOWER Leadership Award to Francesca Bria**, recognizing her outstanding contributions to the program. Executive Director Mark Peterson followed with remarks on the prestigious Francis C. Poore Caddie of the Year Award, introducing Chris McCardell of Lookaway Golf Club, who spoke about this year's honoree, Gregory Gipe.

Andrew Downs, Director of Education, concluded the awards portion by presenting the Golden Bib Award to Yoan Zozikov.

The brunch concluded with reflections on transitions within the Trust. Mark Peterson celebrated Lindsay Myers' contributions as she moves on from her role, and Tina Gregor was recognized for her accomplishments and leadership as she moved on from her role as Chairwoman.

GREGORY GIPE

THE 2024 FRANCIS C. POORE CADDIE OF YEAR

—An excerpt from the 2024 GAP Magazine Winter Issue's feature story, written by John T. Iswalt—

Greg Gipe grew up in an alternative household to most. For him, chores often involved a feed bucket and a pitchfork.

"I grew up on a farm [in Fairfield, Pa.]. Basically, my whole family, in some way or another, was involved in agriculture," Gipe, 22, a caddie at Lookaway Golf Club, said. "We still have some chickens and livestock."

While feeding animals was one of Gipe's responsibilities during his youth, he feeds from another source while in college — the J. Wood Platt Caddie Scholarship Trust. His decision to trade boots for a bib proved even more impactful this year. For his efforts in the classroom, on the golf course and in his community, he has been selected as the 2024 Francis C. Poore Caddie of the Year.

"It's an awesome honor and it's just a privilege to be in this situation," said Gipe, who graduates from Delaware Valley University in May with a degree in agriculture policy. "I think my first brunch Gage Wolfle was the Caddie of the Year. I remember when they called his name and they said everything about him and all that. I was like, 'Wow. That'd be a really cool honor to be in his shoes one day.'"

"The Platt scholarship means a lot to me. One, it means that I was able to go to school with a lot less burden on my family, but two, it gave me a network of opportunities. It gave me people in my corner that want me to succeed."

"I think the thing that stands out most about Greg is the careful consideration that he gives to all of his interactions with the Trust," J. Wood Platt former Director of Scholar and Alumni Engagement Lindsay Myers, 54, of Coatesville, Pa., said. "Although he travels longer distances, Greg is typically one of the first volunteers to show up, and he is a natural leader at events."

SCHOLAR *SERVICE PROJECT*

At the beginning of the year, our Platt Scholars rolled up their sleeves at **Cradles to Crayons**, a nonprofit providing essential items to children in need. Thanks to their hard work and dedication, they made a meaningful impact on the community. We're proud of their continued commitment to giving back.

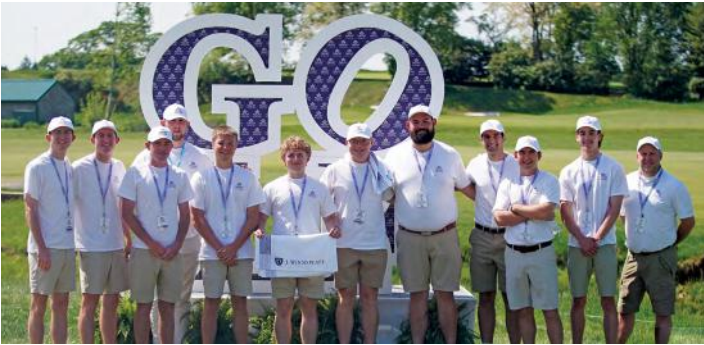

We also extend a heartfelt thank you to everyone who supported our **Cradles to Crayons** fundraiser. Because of your generosity, we raised \$2,000 to benefit this important organization.

SCHOLAR & ALUMNI *NETWORKING EVENT*

Our **Scholar & Alumni Networking Event** at Five Iron Golf was a huge success! With over 70 attendees, the night was filled with great conversations, lasting connections, and plenty of fun on the simulators. Scholars and alumni had the chance to reconnect, to expand their networks and to celebrate the strong Platt community. A big thank you to everyone who joined us and helped make the event such a memorable one. We can't wait to do it again!

TRUIST *CHAMPIONSHIP*

We are grateful to the Truist Championship team for welcoming our **J. Wood Platt Scholars** as Junior Standard Bearers at this year's tournament, held May 7-11 at the Philadelphia Cricket Club. This opportunity allowed our Scholars to experience the energy of a professional golf event while proudly serving the game and the community. Thank you to Truist and the PGA TOUR Champions for making this memorable weekend possible.

ALUMNI *NETWORKING* EVENTS

In addition to our scholar inductions, the **EMPOWER Tournament**, and the Leadership Summit, this past summer featured two alumni-focused events.

First, we hosted our inaugural out-of-town alumni gathering in New York City, where 15 alumni came together for happy hour, swapped old caddie stories, and reconnected. The Platt spirit was alive and well—several attendees engaged with Platt for the first time since graduating college.

Closer to home, we returned to **Whitemarsh Valley Country Club** for our summer alumni get-together after a one-year hiatus. **More than 40 alumni, representing classes from 1969 to 2025, joined us.** The evening also gave us the opportunity to welcome some of our newest alumni from the recently graduated Class of 2025.

2025 NEW PLATT *SCHOLAR INDUCTIONS*

We were thrilled to welcome **81 new Platt Scholars** during four Induction Nights held at **Llanerch Country Club**, **Lehigh Country Club**, and **Cedarbrook Country Club**. These events gave scholars the opportunity to connect with one another, to learn about the expectations and benefits of the **Platt Scholarship**, and to begin their journey in the Platt community. A heartfelt thank you to the clubs for graciously hosting us, to the families who came out to support their scholars, and to the many friends of the Trust who joined us in celebration.

The J. Wood Platt Women's EMPOWER Tournament is a signature event celebrating the growing presence and impact of young women in the game of golf, particularly female caddies and scholars. Launched in 2020 thanks to the vision of Platt alumnus Billy Reube and the support of current JWP Vice-Chairman, Buddy Aiken, the tournament just marked its fifth year at Wilmington Country Club with a full field of returning and new participants.

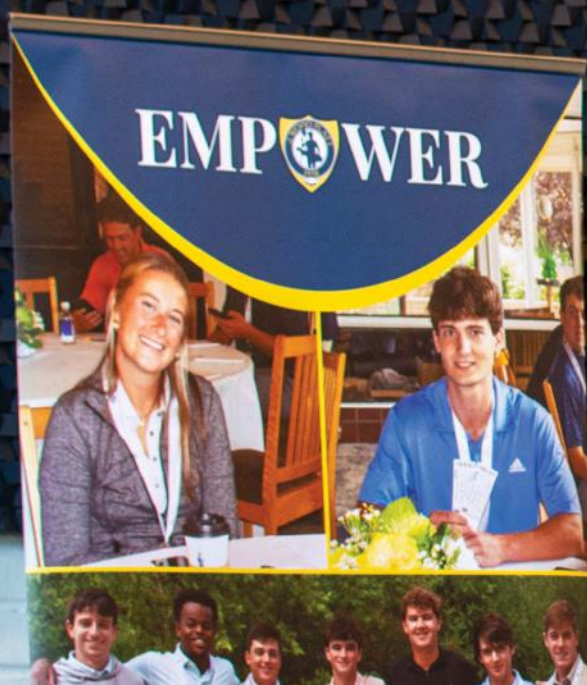

With generous backing from supporters—most notably **Chris and Stevie Thompson and their family foundation, PhamSquad—the event successfully raised \$50,000 in 2025, bringing critical resources to the Women's Endowment Fund.** Since its inception, the number of female Scholars has grown from just 4 to 31, demonstrating the program's powerful momentum. The tournament also provides a platform for mentorship and networking, helping Scholars make connections that shape their academic and professional paths. More than just a fundraiser, the **Women's EMPOWER event** strengthens the Platt community and introduces new champions to the Trust's mission each year.

EMPOWER

SCHOLAR LEADERSHIP SUMMIT

On July 29, the 2025 **EMPOWER Scholar Leadership Summit** brought together more than 130 Platt Scholars and Friends of the Trust at Union League Liberty Hill. The morning was filled with connection, conversation, and inspiration, including networking, interactive discussions, and contests.

Keynote speaker Kevin Mills Jr. of the Travis Manion Foundation encouraged scholars to lead with purpose and character. Jessica Feld of Generation Dragon shared her inspiring journey from the corporate world to launching her own women's golf apparel line. Platt Scholars Greg Gipe and Brandon Fox also took the stage, offering insight and advice to younger scholars navigating school and future career paths.

Thank you to our sponsor, BLBB Charitable, for making the day possible. It was a day of empowerment, reflection, and motivation that reminded attendees of the power of community and leadership.

The Deeg Senza – August 5, 2025 | North Hills Country Club

The Deeg Senza is more than just a tournament—it's a tradition that brings generations together on the course. This unique mentorship event pairs participants with either a Platt Scholar or their own mentee, creating connections that extend well beyond 18 holes. Players enjoy friendly competition in a selective drive/alternate shot format, followed by a shared lunch and camaraderie with fellow golfers. With its focus on leadership, learning, and inspiring the next generation, **the Deeg Senza remains one of the most meaningful days on our calendar.**

GAP Corporate Challenge Presented by Provident Bank

The GAP Corporate Challenge presented by Provident Bank took place Sept. 15 at Philadelphia Country Club, benefiting the J. Wood Platt Caddie Scholarship Trust. **The event raised more than \$50,000 with net proceeds benefitting the Trust.** A field of 72 golfers toured the recently renovated Spring Mill Course, which is set to serve as the second stroke-play qualifying site for the 2026 U.S. Amateur Championship, hosted by Merion Golf Club. Adding to the day's experience, B. Draddy provided player apparel, while BMW offered product test drives and a hole-in-one opportunity. The first-place team honors went to LevLane Advertising, represented by Ron Convento, Josh Lev, Bruce Lev and Dave Kleiman.

"Play Days"

Over the last few months, Philadelphia Cricket Club, Philadelphia Country Club, and Merion Golf Club supported the Trust by hosting **J. Wood Platt "Play Days."** This new initiative allowed for a few foursomes to tee it up on these amazing courses, while heightening awareness, raising funds, and strengthening community. Four of our Board's Trustees, Erik Strid, Powell Arms, Brad McFadden and David Ix, along with leadership at three of the four founding GAP Member Clubs, made these Play Days a huge success. The Play Days were defined by generosity, gratitude, philanthropy and extreme heat! The Trust would like to thank everyone who helped organize these events, along with the players and donors who participated.

THE *CLUB AMBASSADOR* PROGRAM

Our **Ambassadors** are more than volunteers — they are champions of our mission, inspiring others by raising awareness among GAP members and encouraging the next generation of scholar applicants. Their passion and dedication sparks meaningful connections, deepen club engagement, and help shape brighter futures. We are profoundly grateful for their service, which remains a cornerstone of our continued growth and lasting impact.

► Ambassador Mike Loughery of Sandy Run Country Club

A member at Sandy Run for 37 years, a longtime GAP volunteer, and JWP supporter for almost a decade, Mike has made major strides with bringing awareness to the J. Wood Platt Service to Golf program.

Q: What does JWP mean to you personally?

A: This is such a great organization to be involved with. The staff at JWP are great to work with. We all share the common goal of helping the kids achieve the scholarship funds needed for college.

► Ambassador Jim Denon of The Springhaven Club

A longtime supporter of caddie programs and former scholarship recipient himself, Jim has played a key role in growing awareness and support for Platt at Springhaven.

Q: What would you say to someone thinking about becoming a JWP Ambassador?

A: I would say just do it. There is no single formula that works at every club. Ambassadors are critical to offering insight and ideas about their club's culture and what works. They don't have to work alone. Co-ambassadors or a small committee are great and work well. It is just important to understand the need for and importance of the ambassador role. With the expansion and growth of Service to Golf scholarships, Ambassadors are needed more than ever. It is very fulfilling.

THE *1958* ALUMNI SOCIETY

1958

ALUMNI SOCIETY

The **J. Wood Platt 1958 Alumni Society** was established to recognize and engage former Caddie Scholars who continue to support the mission of the Trust beyond graduation. Named in honor of the year the Trust was founded, the Society celebrates the enduring impact of the Platt experience and the lifelong connection it creates. Members of the **1958 Society** serve as ambassadors, mentors, and advocates, helping to grow the Platt community and inspire the next generation of Scholars. Through events, outreach, and giving, the **Society** plays a vital role in preserving the legacy of J. Wood Platt while expanding its reach and influence. It is a proud and growing network of alumni dedicated to giving back and lifting others as they were once lifted.

▶ To further honor alumni generosity, the **1958 Society** recognizes annual alumni giving at different levels:

- ◆ **YOUNG ALUMNI CLUB** — Designed for current JWP seniors and for recent graduates (Alumni 5 or less years out of college) who are beginning their journey of giving back.
- ◆ **GENERAL MEMBERS** — Alumni who support the Trust annually at a level of giving below \$250/year.
- ◆ **SILVER LEVEL** — Alumni who make an annual commitment of \$250-\$499 to the Trust.
- ◆ **GOLD LEVEL** — Alumni whose giving reflects a deeper investment of \$500-\$999 in sustaining the mission.
- ◆ **PLATINUM LEVEL** — Alumni whose annual giving exceeds \$1,000.

Platt Alumni also make up a number of our donors at the highest levels of giving — **Platt Patron, Champions Circle**, and **Endowment Level**.

Our Alumni are the lifeblood of the Trust — They are the stewards of our mission and will continue to be our biggest fans and supporters as the Trust continues to grow.

THE J. WOOD PLATT *ALUMNI* *TOURNAMENT*

After a ten-year hiatus, the **J. Wood Platt 1958 Society Alumni Tournament** returned in October 2024 with a great day on the links at Stonewall's Old Course. **Over 60 Platt alumni spanning 8 decades** played on what was an unseasonably warm late October day. The event coincided with an online auction for rounds of golf at some of the area's most prestigious courses donated by **Platt alumni** and **Friends of the Trust**. We look forward to continuing to grow the alumni tournament in the years to come!

SPECIAL GIFTS

More than ever, our donor base is growing in ways that extend beyond traditional groups like Alumni and Club Supporters. Not all generosity fits into a defined category – and that's part of what makes it so special.

Whether it was a one-time gift, a contribution made at an event, or a quiet donation given without recognition, each one made a meaningful impact. These supporters remind us that giving comes in many forms, and every act of generosity helps move our mission forward. Thank you!

IN MEMORIAM - JACK ENDICOTT

Excerpt from the Summer 2025 edition of GAP Magazine

JACK ENDICOTT, former chairman of the J. Wood Platt Caddie Scholarship Trust (2009-14), died March 17. He was 80.

"He was very personable, just a very nice guy. He was a lover of golf, a lover of the Trust, a lover of caddies and a true gentleman," Dr. David Junkin, a former J. Wood Platt Caddie Scholarship Trust Chairman (1993-2003) and Trustee (1990-2006), said.

Endicott, a member of both Manufacturers' Golf & Country Club and Sandy Run Country Club, joined the Board of Trustees in 1995. Under Endicott's leadership, the amount of total scholarship grants given yearly to caddies rose from less than \$700,000 to more than \$1 million. The amount of an average grant in 2008, the year before Endicott became Chairman, was \$4,600. It leaned toward \$8,000 at the time of Endicott's departure in 2014.

The Dawn to Dusk Golf Marathon, administered by the Trust from 2010-19, began under Endicott's watch. The then largest one-day fundraiser for the Trust, it raised more than \$2.1 million for the educational needs of Platt Scholars. The Dawn to Dusk Golf Marathon featured an individual from each participating GAP Member Club playing as many holes as possible between 7 a.m. and 7 p.m. Sponsors supported a club by pledging a dollar amount per hole or a flat dollar amount.

Endicott viewed the Dawn to Dusk Golf Marathon as "an exciting new venue to raise awareness and promote the cause."

"We have a variety of individuals participating from golf professionals to junior golfers. It is inspiring to witness their enthusiasm and plan to raise money," he said in a 2010 release.

Tina Gregor, the Trust's Chief Operating Officer, served as co-chair of the Dawn to Dusk Golf Marathon. In 2008, she met Endicott and Bill Weihenmayer, both of whom joined the GAP Executive Committee in 1998, for lunch.

"I said, 'Jack, Tina is dedicated to the game of golf and to the caddie program at Huntingdon Valley. I've got somebody who I think would be an outstanding addition to the Platt Board of Trustees. Tell me if this is a problem,'" Weihenmayer, 78, of Jenkintown, Pa., said. "Jack was a good listener and very open-minded. The rest is history."

Gregor did join the Board of Trustees, but offered a caveat during that lunch meeting.

"I worried I would not be as effective as other members of the Board with fundraising. Jack reassured me and made me feel confident that I could make a positive impact," Gregor, 56, of Ambler, Pa., said. *"This was the first time I met him and remember thinking, 'I don't want to let him down.'"*

Gregor became the Trust's Vice Chairwoman in 2014 and Chairwoman in 2018. She served in that capacity before transitioning to COO in 2024. Gregor's involvement is forever tied to Endicott's enthusiasm.

"Jack was extremely down to earth, kind, humble and loved to laugh. He was a behind the scene leader, always eager to empower others to showcase their talents and ideas," Gregor said. *"We would discuss an idea together, and he would present the concept as if I came up with it all by myself. Nothing he did for the Trust was for himself. It was to give back to the game he loved and to help our scholars."*

"He just worked diligently to help caddies, and the mission of the Trust," Junkin added.

Upon his departure as the Trust's Chairman in 2014, Endicott shared a reflection of his tenure with GAP Magazine.

"Many good things have happened over the last six years. I had the good sense and confidence to listen to Tina Gregor and her idea for Dawn to Dusk, and deciding to pursue the overtures from the Evans Scholars Foundation after many years will have a long-term positive effect," he said. Of note, the Platt-Evans Scholarship started to send Platt Scholars to Penn State University in 2015 on full tuition and housing scholarships.

A Philadelphia, Pa. native, Endicott was the son of the late Ralph and Katherine (nee Thompson) Endicott. He graduated from Upper Dublin High School in 1963 before earning a bachelor's degree in business from Penn State in 1967. Endicott began his career as a financial planner and worked for Equitable Life Insurance and Karr Barth Associates. He served on the GAP Executive Committee from 1998-2008, and as Ex-Officio from 2009-14.

Endicott is survived by his wife of 47 years, Judith (nee Gislason) Endicott; son Daniel Endicott and daughter Katie Endicott; daughter-in-law Shannon Ryan; grandchildren Astrid, River and Mira. He is also survived by his sister, Paula (John) Lusska, and his niece and nephew, Amy and John Lusska. Endicott was preceded in death by his son, John Paul Endicott, in 2010.

IN MEMORIAM-BARBARA WALSH

Excerpt from the Summer 2025 edition of GAP Magazine

BARBARA WALSH, a former J. Wood Platt Caddie Scholarship Trust Board Member (1987-92) and lifelong advocate of the program, died June 9 at the age of 97. Barbara is the wife of the late William T. Walsh, a former GAP President (1992-94), who died in December 2013. They were longtime members of Philadelphia Country Club (joined in 1955) and married for 65 years. **The Platt's highest honor is named after the couple: The Bill & Barbara Walsh Distinguished Service Award.** They were the first recipients in 2012. Barbara Walsh regularly attended the Platt Caddie Brunch to support the Platt and its mission.

The Walsh family matriarch, she had 15 children (eight girls, seven boys). Son P. Chet Walsh has been a regular GAP competitor since his junior golf days.

Barbara Walsh loved the game and was a devoted golf volunteer. In addition to giving time to the Platt she managed the Philadelphia Country Club Junior Program in the late 1960s and early 1970s. In her role as a board member with the Women's Golf Association of Philadelphia (WGAP), she oversaw junior golf and traveled with the girls teams in the Inter-City Matches. She served on the WGAP board from 1974-77, her final year as Treasurer. She served the Pennsylvania State Women's Golf Association board as well.

On the course, Walsh had talents. She was a member of the victorious PCC Philadelphia Cup championship team in 1979.

Walsh was honored with the Women Golfers Give Back Service Award in 2006. For nearly 20 years, Walsh supported the Helen Sigel Wilson Leukemia & Lymphoma Society Golf Tournament as both a fundraiser and a tournament volunteer.

– Martin D. Emeno, Jr.

The Trust is deeply grateful for the extraordinary support of over
5,500 INDIVIDUALS, FAMILIES & ORGANIZATIONS
represented throughout our Impact Report Their generosity, including contributions
from members at **96 GAP MEMBER CLUBS**, *fuels our mission.*

GOLF IS THE GAME — COLLEGE & CAREER SUCCESS IS THE GOAL.
