Letter from Our Parks & Recreation Director

Community Members of Sedona,

As we look ahead to another exciting summer season in Sedona, I want to take a moment to reflect on a great year in our parks and share what's coming up in the months ahead.

The summer of 2025 was a record-breaking season at the Sedona Community Pool. We welcomed more than 12,000 swimmers, taught over 600 swim lessons, and brought the community together for fantastic events. Seeing families, kids, and neighbors enjoying the pool reminds us why these spaces matter and motivates us as we plan for another busy and fun-filled summer.

Beyond the pool, we're excited to offer another full season of programs and events for residents and visitors alike. From a full calendar of youth summer camps and activities for all ages to the Adult Softball League and our Fourth of July Summer Splash Party, there are countless ways to stay active, connected, and engaged this summer season in Sedona!

One of the highlights of our summer season, and truly one of our community's favorite traditions, is the Red Dirt Concert Series. This year marks the 10th anniversary of Red Dirt, and we're celebrating in a big way. Concerts will take place every Friday night in May and September, along with two additional festival-style concert days added especially for this milestone year. Red Dirt has become a signature Parks and Recreation program, bringing people together through live music, beautiful views, and unforgettable evenings in the park. We're thrilled to celebrate ten years of music with our community.

Our parks have seen a number of upgrades over the past year, with more improvements continuing into 2026. We're grateful for a community that values these spaces and helps keep them vibrant and welcoming. I also encourage you to try something new this summer, whether it be playing a round at the Posse Grounds Disc Golf Course and borrowing a disc near tee 1, enjoying the newly upgraded sand volleyball court near the playground, checking out ping-pong equipment and playing a game of outdoor table tennis at Ranger Station Park, or simply spending time exploring everything our parks have to offer.

As you read through this Summer Activity Guide, I hope you find something that inspires you to get outside, connect with others, and make the most of summer in Sedona. We can't wait to see you in our parks!

Josh Frewin
Parks & Recreation Director

Winter/ Fall Highlights

Before we dive into all the great things coming this Spring & Summer, let's take a moment to look back at some of the amazing events and programs from our Fall & Winter Season. What a great time to be a part of the Sedona Community!

Families enjoyed a festive breakfast served by Parks & Rec staff while visiting Santa in a Winter Wonderland at the Posse Grounds Hub!

Costumed kids and adults filled Uptown Sedona and went trick-or-treating through the Uptown Shops and decorated booths from Sedona Parks & Rec, Sedona Police, and Sedona Fire.

Swimmers of all ages LOVED diving into our floating pumpking patch! A one of a kind Halloween tradition at the Sedona Community Pool!

Pickleball, Live Music, Cornhole, Game Room, Skate Park Competitions, Vendors, Food Trucks, and So Much More! Check it out in 2026!

A record setting 1282 runners took place in this Sedona Thanksgiving morning tradition and ran through Posse Grounds Park!

The 6th Annual WagFest brought dogs & their humans together for costumes, talent shows, games, and community fun!

Grasshopper Youth Basketball

We had over 120 players in our Youth Basketball program this season in grades 1 - 8! Huge thank you to all our volunteer coaches!

Meet Clawdia!

Say hello to Clawdia, our new VIP (very important pet)! Clawdia is an African dwarf frog who lives in a cozy aquarium in our Parks & Recreation office.

Did you know that African Dwarf Frogs live underwater all the time? They only swim up for air when they need it. African dwarf frogs are found in freshwater habitats across central and western Africa. In the wild, they live in slow-moving or still waters such as ponds, streams, swamps, and shallow rivers, where there is plenty of plant cover to hide and rest.

Clawdia loves snack time. Her favorite food is shrimp! She enjoys hanging out in her tank, exploring new places to hide and adventuring into her plants. She even has her own tiny couch and TV to “Frogflix and chill”. Lately, she has been binge-watching Shrimp’s Anatomy or The Real Frogwives of Sedona. Clawdia may be small, but she’s a very important part of our Parks & Rec family and helps remind us to be kind, curious, and caring toward animals and the world around us.

Posse Grounds Park

Come visit our largest park! With nearly 80 acres of recreation, there's something for everyone at Posse Grounds Park!

Check Out Our Parks

Sunset Park

655 Sunset Drive

Sunset Park is equipped with multiple tennis courts, a basketball court, a paved trail with a story walk, two playground areas, and best of all a splash pad for summer days!

Ranger Station Park

250 Brewer Road

Our most recent parks addition, Ranger Station Park features the first Sedona Ranger Station established in 1905. As you walk through history, you can also enjoy our javelina-structured playground, outdoor fitness equipment, and even rent some mini golf or ping pong equipment

Sedona Wetlands Preserve

7500 AZ-89A

This 27-acre effluent management area also provides habitat for numerous wetlands species and serves as a public park with educational and recreational opportunities including bird watching and pedestrian trail walking.

Jordan Historical Park

735 Jordan Road

This park is the current site of the Sedona Heritage Museum. The museum is focused on Sedona's pioneers, from the earliest settlers in the 1870s through the heyday of western film making in the 1950s.

Get Involved!

Become a Park Ranger

Love the outdoors and want to help protect the places you love? Becoming a Park Ranger is a fun and meaningful way to learn about nature, wildlife, and park safety while giving back to your community. Park Rangers help care for trails and facilities, educate visitors, and keep our parks safe and welcoming for everyone.

Become a Volunteer

Volunteers are the heart of our Parks & Recreation programs! Whether you enjoy working with kids, helping at special events, supporting park cleanups, or lending a hand behind the scenes, there's a place for you to get involved. Volunteering is a great way to give back, meet new people, and support the programs and parks that bring our community together. Your time and talents truly make an impact!

Become a Sponsor

Support the programs and events that make our community thrive! Becoming a sponsor is a meaningful way for local businesses, like Arborist Standards Tree Care, to give back while gaining visibility and connection within the community. Sponsorships help make our programs more accessible, enhance special events, and support high-quality recreation opportunities for all ages.

This all-ages, family-friendly series is designed to bring our community together for laughter, connection, and classic fun. From a movie at the pool to karaoke, bingo, and trivia, each week offers a different way to spend your Friday night with friends, neighbors, and loved ones.

Events

The iconic Barbara Antonsen Memorial Pavilion and the Red Dirt Concert Series are the result of the efforts of a committed group of passionate, local supporters of the Arts - The Friends of the Posse Grounds - and this beautiful community legacy is ours to enjoy for many years to come!

Now in it's 10th Year, the Red Dirt Concert Series has hosted nearly *300* performers and over *100 distinct acts* since it began in 2017!

This year we're celebrating 10 Years of Red Dirt Concerts with 2 full Festival days of music in addition to our regular schedule of shows every Friday in May & September!

What better way to spend a perfect Friday evening than enjoying a beautiful outdoor setting and amazing musicians from near and far? Grab your blanket or lawn chair, pack some snacks, and bring a friend. Check out all the acts for 2026!
