# THE WHARF RAT RALLY MOTORCYCLE ASSOCIATION

## Welcome to the Wharf Rat Rally!

Every rider, every journey, and every story that brings people to the Rally is unique — but we all share one thing: a love for motorcycles.

Each year, the Wharf Rat Rally brings together incredible events: rocking live music, mouth-watering food, fireworks over the harbour, custom bike builders, our thrilling stunt team, and more. But to me, the Rally isn't just about what happens here in Digby — it's about the road that gets you here. It's about the adventures along the way, the friends you reconnect with, and the new ones you make. It's about seeing hundreds of bikes you'd love to take home (if only you could), and sharing the stories, sights, and laughs that happen when riders come together.

The Rally wouldn't be possible without our amazing community:

- **Volunteers** who dedicate hundreds of hours of their time.
- **Local businesses** who welcome thousands of visitors.
- **Sponsors** who invest in making the Rally bigger and better each year.
- **Municipal staff** who work tirelessly to keep our town running smoothly throughout the event.

The Wharf Rat Rally Motorcycle Association recognizes the support of the Province of Nova Scotia and the Town and Municipality of Digby in our efforts to bring this event to life. A big shout-out to RCMP, EHS, and other emergency services for helping keep us safe.

We wish you all a great time, and we look forward to seeing you at our Headquarters at 7 Birch Street (Digby Heritage Centre).

Thank you for joining us, have a great time, and be safe!

On behalf of the volunteer Board of Directors,  
**Rickey Stewart, Chairman**

## FRIENDLY REMINDER

A friendly reminder that this is a family event and we are asking for your cooperation in ensuring that all visitors and citizens enjoy it to the fullest.

Below are some Nova Scotia and Town of Digby laws that apply to motorcyclists. This is not a complete list, but a friendly reminder we ask your assistance with.

The Town of Digby does have an Excessive Noise Laws and Bylaws. Burnouts or wheel stands are not allowed on any public roads.

Montague Row, Water Street and Birch Street are one-way northbound from 4:30pm on Friday, August 29th to 5:00pm on Sunday, August 31st. If barricades are in place, those streets are open to motorcycle traffic only.

Nova Scotia's open liquor container law applies during the bike rally. This is a family event, public intoxication and disorderly conduct will not be tolerated by the police.

Motorcycles must not be driven more than two abreast in a single lane. Do not pass a car in the same lane.

Nova Scotia laws state that approved helmets are required for all riders.

## FROM JILL BALSER, MLA DIGBY-ANNAPOLIS

Hello everyone!

It's that time of the year again when motorcycle enthusiasts from far and wide come together for one incredible weekend. On behalf of the Province of Nova Scotia, I'd like to welcome you to the 21st Annual Wharf Rat Rally!

From the very beginning, the Wharf Rat Rally has been an instrumental event for the Digby area. Each year communities are energized, local artisans, shops and restaurants, all benefit from the weekend's events and activities. There is no denying the feeling of the Rally resonates long after the last engine roars.

I want to thank the 2025 Board of Directors, the volunteers, and sponsors. They work tremendously hard year-round to plan a great weekend for all.

Again, I would like to extend a big welcome to everyone. Whether you're a seasoned visitor or new to the Rally, please enjoy your stay. Our beautiful area has a lot to offer.

As always, remember to stay safe and be respectful of others. And we hope to see you next year!

## FROM WARDEN LINDA GREGORY

Welcome to the 21st Annual Wharf Rat Rally. On behalf of the entire Council of the Municipality of the District of Digby, we welcome you to celebrate with us this momentous anniversary.

We are known for many things in this rural area; our world renown seafood, our warm hospitality and our festivals and celebrations.

We boast a picturesque landscape nestled on the bountiful Bay of Fundy. Take in the breathtaking view of Point Prim Lighthouse and be sure to check out our other beautiful lighthouses scattered throughout the municipality. Go on an adventure through Digby Neck and ferry to our Islands. On your travels be sure to take in the culture in Clare and on your route be sure to visit Weymouth and look up the New France Centre while you're there.

We have so much to offer our visitors and guests so be sure to open yourself up to the experience, the adventures and become a part of our community.

Sincerely,  
Linda Gregory

## FROM MAYOR MIKE BARTLETT

On behalf of Town Council and the residents of the Town, welcome to the Wharf Rat Rally.

From its humble beginnings of a few hundred bikes, to one of the largest outdoor events in the Province of Nova Scotia in a matter of a few years, Digby continues to graciously open its doors to you.

Enjoy your time here, take in the events, enjoy the rides, and do not forget to take in some of the finest seafood prepared at our local restaurants, caught fresh within eyesight of the town. Walk the coastline, maybe see a whale or two, and witness a Bay of Fundy sunset at Point Prim Lighthouse.

Do not forget to thank the hundreds of volunteers who help make this Rally a success. Many are not bikers, but they put in hours of their time in to make this event successful for you.

When you leave, let us know what we can do to make your visit even more enjoyable and tell all your friends and family about Digby. We will welcome them any time of the year and I am sure they will love scallops, lobster or fish fresh from the Bay of Fundy.

Have a great and safe rally.

# THE CAV DARREN WILLIAMS COMMEMORATIVE RIDE

## The CAV Darren Williams Commemorative Ride

A group of dedicated students and parents of the Maple Grove and Yarmouth High Memorial Club toiled long and hard to raise enough funds to erect an Afghanistan Memorial in honour of the Canadians who died in Afghanistan.

The Canadian Army Veterans (C.A.V.) invites all motorcyclists, military and otherwise, to join them in the eleventh annual run from Digby to Yarmouth to celebrate the efforts and accomplishments of these exceptional young people and to honour the memories of our fallen soldiers.

The CAV ride to the Afghanistan memorial from Conway, NS to Hebron, NS is an independent event organized wholly by the CAV. The Wharf Rat Rally© provides limited logistic and promotional support to this worthwhile project.

Prior to the ride, you must sign the CAV waiver.
