“The best Benefit of all, and it’s FREE”

We’ve all heard lots of discussion about the many tangible, physical benefits that go along with formal membership in the Eagle Wings Motorcycle Association. We’re talking about things like a Towing Service, Hotel and Motel Discounts, Rental Car Discounts and the many other great benefits to save you money that come with your membership. Visit the EWMA website and explore the many physical benefits for yourself and you will see what I mean.

What I’m referring to here is not a monetary or tangible benefit but rather the biggest benefit of all that automatically comes with membership in EWMA, and that is the many friendships, the camaraderie along with the fun and the long-term relationships that you can develop while participating in the many activities we offer

Presidents’ Corner

our members. This is probably the most worthwhile experience you will have and will be with you for years. Nan and I have lots of close and lasting friendships that we’ve made over the many years of motorcycle riding. These are folks we would have never come to know along with the many historical places across the country that we traveled to.

It turns out that motorcycling is a hobby that can bind people together in a way that lasts for years. It is a commonality that is rather unique to this activity (motorcycle riding). If you are not a member of EWMA or if you are a member and have not yet renewed, give some thought to the importance of the things we discussed above. Solid friendships can’t be assessed a monetary value; they are priceless. Think about that when you are considering the “benefits” of EWMA membership.

President*
