ACCESS & ABILITY AT CAMP

“The Y staff helped my child enjoy and participate in all of the camps activities. Their attention to my child’s unique needs helped him successfully navigate through the camp day”

IMPORTANT LINKS

GIVE THE GIFT OF SUMMER DAY CAMP

Through help from generous donors, we are able to offer scholarships and financial assistance to campers and families who need it. You can make the difference in someone's life by giving the gift of summer day camp.

**YMCACNY.ORG/
GIVING**

**YMCACNY.ORG/
MEMBERSHIP**

BECOME A YMCA MEMBER

Everyone knows the Y as a place to camp, swim, or exercise, but we're so much more. At the YMCA of Central New York, we're working side-by-side with our neighbors to address critical community needs that help kids develop into smart, resilient adults, for people to improve their health and build a sense of community, and for our most vulnerable young people to get the care and support they need.

SUMMER DAY CAMP SCHOLARSHIP

Financial Assistance and Scholarships are available to help offset the cost of membership and summer day camp. Anyone can apply. Visit our website or stop into a branch to learn more and get started.

**YMCACNY.ORG/
SCHOLARSHIP**

BASIC POLICIES

Registration is happening in two waves this year: member-only registration beginning January 15th and open registration beginning January 22nd.

In order to qualify for member pricing, you must have a family membership for the YMCA of Central New York at the time of registration and sustain your membership through your summer day camp season. Youth memberships qualify for early registration, but not for member pricing.

If you have to cancel your membership before summer day camp, you will be charged the non-member rate for your summer day camp weeks, even if you rejoin before the summer.

Help is always available. Contact your camp director, visit our website, or stop by your branch for assistance.

CAMP FAMILY HANDBOOK

All camp policies can be found in our Camp Family Handbook. This handbook is available on our website and goes over important information surrounding your child's camp experience.

Camp on Campus is an experience that combines the joy of camp with all its traditions and silliness, with elements of learning. Each week electives are offered by guest instructors that give campers experiential learning opportunities in literacy, science, sports and more! Campers have the opportunity to participate in weekly field trips to New York State Parks where they can swim, hike and participate in programming that will emphasize conservation and local eco systems.

Camp Y Noah is a day camp that runs on the grounds of the North Area Family YMCA. We utilize the facility's indoor pool, gymnasium, and multipurpose rooms, as well as the ample outdoor space including the pavilion, blacktop, sand volleyball court, playground, and open sports fields.

Campers will participate in a variety of arts and crafts, field games, nature walks, team building exercises, STEM, water, and sensory activities. Our goal is to help our campers by promoting growth, relationship building, and belonging through a positive and engaging environment. Each week will feature a special guest to lead an activity with our campers that align with our themes.

Whether it is your first summer or your fifteenth, we are excited to have you as part of the Evergreen Family. Campers come from all over the world to experience an Evergreen Summer!

CONFIDENCE THROUGH COMPETENCE

The Evergreen experience frames its program through the belief that a camper can build confidence through skill development. The ability to gain a new skill, overcome a fear, achieve a goal, or learn life skills gives a camper the feeling of accomplishment that will transfer back to their lives outside of camp.

Activities at camp are designed to teach these skills through exposure and practice. Activities include, but are not limited to:

| • Team Building | • Swimming & Boating |
