OUR VISION

To become India's trusted smart home technology partner by delivering innovative automation solutions that simplify modern living.

OUR MISSION

- ✓ Deliver reliable smart home solutions
- ✓ Provide exceptional customer support
- ✓ Create future-ready connected spaces
- ✓ Promote energy-efficient living
- ✓ Build long-term customer relationships

OUR CORE VALUES

INNOVATION

Embracing smart technologies to deliver creative and effective solutions.

RELIABILITY

Providing dependable products and professional services you can count on.

CUSTOMER FOCUS

Understanding your needs and delivering solutions that truly make a difference.

EXCELLENCE

Maintaining the highest standards in every project and service we deliver.

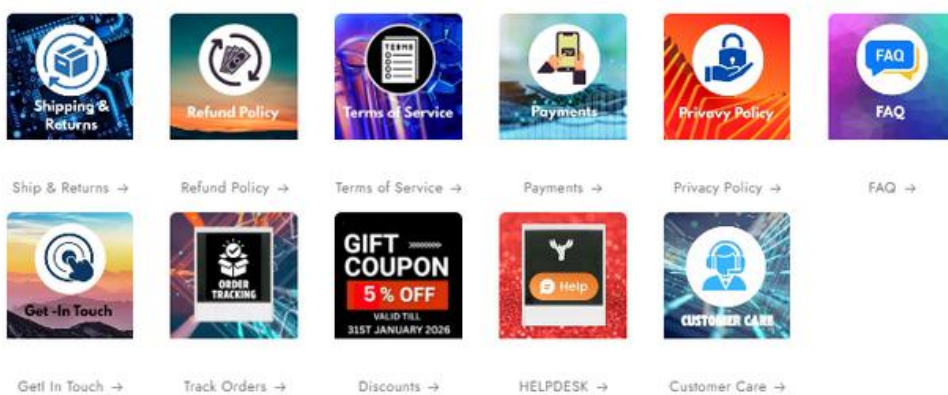

FERNSTZ Home – Simplifying Smart Living

At FERNSTZ Home, we specialize in delivering intelligent home automation solutions designed to make everyday living smarter, safer, and more efficient. Based in Goa, we provide end-to-end automation—from consultation and design to installation and support.

Our systems seamlessly integrate lighting, climate control, security, and entertainment into a single, easy-to-use platform. Whether you're upgrading an existing home or building a new one, we ensure a smooth transition to a connected lifestyle.

We work with trusted technologies compatible with platforms like Smart Life, Alexa, and Google Home, giving you full control through your smartphone or voice.
