Have a look around. I assure you that everything you encounter has been intentionally placed before you. I will always accept constructive criticism and am usually willing to give it from TIME to TIME. MY main objective is a ...well... to laugh (usually)! And to make other follow suit...

This is my very first (attempt, even) website. Please help me make it ... well a "TEMPLE"—

A group of approximately 15 students are posed in a gymnasium. Some are wearing dark blue and white letterman jackets with 'D' on the chest. The background features wooden walls, a basketball hoop, and several balloons (blue, white, pink). The scene is lit by overhead gymnasium lights. Callout boxes with white text on a dark background point to various individuals in the group.

the collection really does speak for itself; I am unable to ignore someone who speaks for herself—my GRAND-Aunt, PHYLLIS VIVIAN BENSON MOORE (April 17, 1925-April 8, 1994) the Audio that she recorded whilst still living is a major factor in my decision to launch this site. 🙏👤👤👤👤👤👤
Lis 📄🕒👤👤👤👤👤👤

In fact, the photos were LARGELY INTENDED FOR A SMALL COTERIE OF RELATIVES AND FRIENDS. It is because of their urging that this site has been conceived and presented. I am now, officially, offering my PHOTO RESURRECTION SKILLS to the public. 🙏👤👤👤👤👤👤

Additionally, there are also LINKS to another project—which is precisely what I was doing when I was onboarding—remnants from the ancestry studies that I actually return to Lancaster, OHIO: a survey of the cultural landscape that compelled me to dig further and further, putting my 🇺🇸 American Culture Studies degree to good use: the Peters & Trout TEMPLE OF DIVISION. 🙏👤👤👤👤👤👤

It is my persistence in wanting to know, to see, the location of the Men's Clothing Shop that took me on a search that yielded a false (early) conclusion. By the end of the "CHASE" the discovery was so much closer than I originally imagined. So, those are the projects before you to choose from. I sincerely hope that you'll return to this very place, once the purpose of your journey today is sufficiently appeased, to jump down the next 📄
