

The Buckinghamshire **Business Awards** 2025

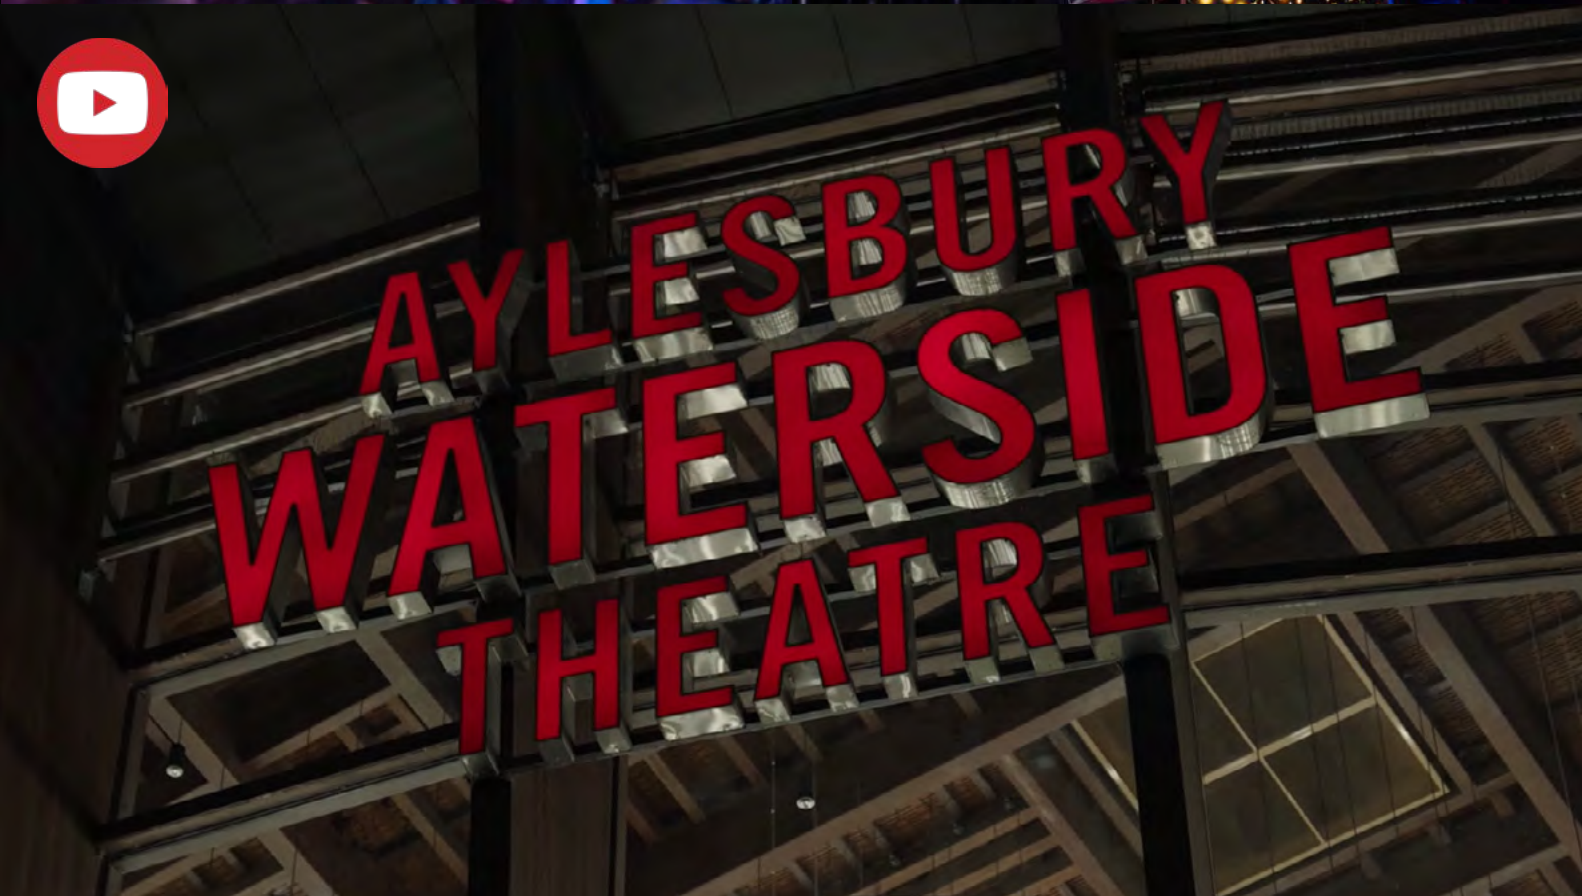

An action-packed celebration of business in the Entrepreneurial Heart of Britain.

A Buckinghamshire Business First Event

Buckinghamshire Business Awards 2025

Just when you think the show-stopping Buckinghamshire Business Awards can't get any bigger or better, this year's ceremony comes along to prove us all wrong!

The glittering ceremony took place on October 15th at Aylesbury Waterside Theatre, showcasing the very best of the Buckinghamshire business community.

The spectacular evening was dedicated to recognising the innovation, talent, and determination of a stellar line-up of finalists across 10 categories that collectively showed why our county is a true powerhouse of enterprise.

Everyone in attendance was part of something bigger and left knowing that nobody does business like Buckinghamshire.

"The Buckinghamshire Business Awards are about so much more than trophies; they're a celebration of the people and stories that make this county's economy thrive. Every finalist represents the dedication and spirit that define Buckinghamshire. I'm immensely proud of what our business community continues to achieve."

"A special thanks goes to all of our sponsors, including Headline Sponsor Origin Doors and Windows, whose support embodies the collaborative spirit that defines Buckinghamshire's business landscape. Here's to celebrating this year's winners and finalists, and to the continued success of the Buckinghamshire business community." - Philippa Batting, CEO, Buckinghamshire Business First

THE BUCKINGHAMSHIRE BUSINESS AWARDS *Trophy*

The iconic swan-themed trophies have proven to be a winner since being designed in 2014 by Buckinghamshire New University student, Verena Boehm. The design is inspired by the swan on the Buckinghamshire coat of arms and the elegant line of its neck, while the trophy for the Company of the Year Award is distinguished by a highly-polished handmade brass crown around the swan's neck, based on Buckinghamshire's county emblem.

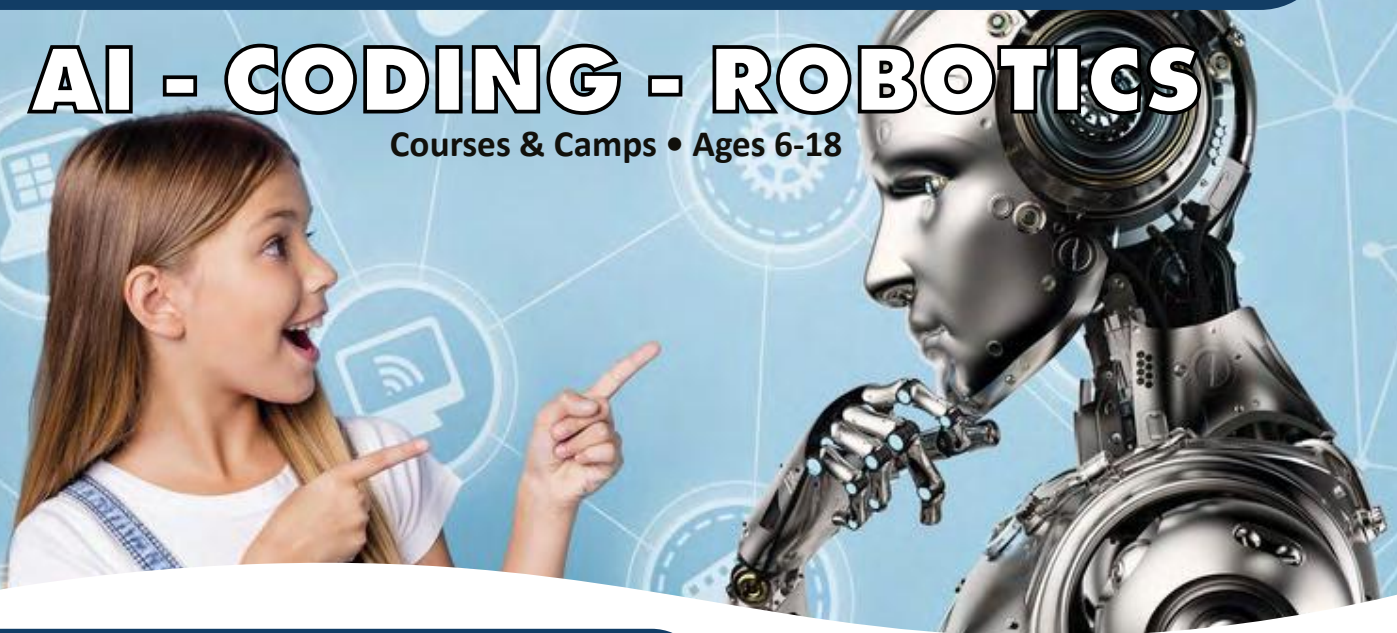

Each trophy is made of mirror-polished stainless steel and forged through a process of waterjet cutting, carried out by John Armistead Restorations. The trophies are generously sponsored by Logiscool Marlow. A previous Buckinghamshire Business Awards winner - they were the proud recipient of the New Business of the Year Award in 2024 - Logiscool is built on empowerment, growth, and community, providing a safe space where children gain confidence, develop digital skills, and express creativity.

THE JUDGING *process*

Achieving a place as a finalist, let alone winning, at the Buckinghamshire Business Awards is no mean feat, with a robust judging process ensuring only the best make it to awards night.

HOW THE JUDGING PROCESS WORKED

- Entry to the awards closed on 2nd June 2025, which is when the hard work began for the category judges, who each represent the sponsor of a particular category.
- Entries were collated and sent to the judges along with detailed judging guidelines. The judges then dedicated their time to reading each entry, often with a panel of judges at their organisation. After much discussion, deliberation and completion of scoring charts, they decided upon a shortlist and set out to visit each company.
- On 22nd July, an independent judging panel consisting of representatives from a wide variety of business backgrounds met to discuss the shortlisted businesses and confirm the finalists and winners.
- The panel interviewed each of the category judges to verify that the most deserving finalist had been chosen as a winner.
- Only once an accord had been reached could we announce the finalists.

★ Making it through to the final shortlist of the Buckinghamshire Business Awards is an epic feat. All of the winners and finalists should be very proud...

You truly are one of the very best in Buckinghamshire!
