Thank you to all members of staff, learners and parents who have helped in the production of this magazine. Particular mention and many thanks to Mrs Marge Fiaschi for all the typing. Mrs Teresa Cook for the editing. Mr Antony Oosthuysen for checking the names. Photographs taken with enthusiasm capturing the spirit of Bryanston by Mrs Bev Weir, Mr Andy Crighton, Mrs Shorts Davidson, Mr Jerome Lawrence, Ms Kerry Winson, Ms Mandy van Rooyen, Mrs Lorien Tolstrup.

*Mrs P Maxwell*  
Magazine Co-ordinator.

I have been in the teaching profession over 30 years and have taught under various governments, education departments, ideologies and different curriculums and to complicate the matter, I am a History teacher and an academic. I also believe that professionalism and professional conduct must be a teacher's guiding code of conduct at all times. Given the challenging times in which teachers now operate (our Minister of Education has acknowledged this), it has become increasingly difficult to run effective schools in this constantly changing and challenging environment. One has to just consider the rapid change in technology to understand the ever increasing pace of change. As a teacher and principal, the challenges to education and schools are immense. I believe that at Bryanston we are coping and even moving forward in preparing our students to meet the challenges of the Education Department, the global economy and an increasingly competitive world.

I have used, over the years, a number of benchmarks to guide me in assessing the progress of the school. I have made it an important part of my duty to monitor educational trends in South Africa and to follow trends in the rest of the world and to test myself and the school against these yardsticks. The previous history of the school and its outstanding traditions also help to assess the progress we are trying to make.

Academic standards are my first priority. I understand that children of each generation are different, but I also believe that academics are constantly changing upwards as science and technology drives the world forward at an ever increasingly and rapid rate. If matric results are a barometer I would suggest that the school has kept pace. Our distinction rates are as high as they ever were and we have increased the number of university passes significantly over the past few years. We have been recognised as one of the top maths schools in the country and we have consistently maintained 100% pass rate, or as close as can be, over the years. We have achieved

this in an environment where OBE has made the pursuit of raw academic excellence very difficult to achieve. I also keep an eye on how our students are performing at university because if we can teach them to survive first year university we are doing well. Generally we are succeeding although I am sometimes caught out by students who drop out and I thought they would be high achievers. I did receive a compliment from a past student who went to study in Ireland and is doing very well. On the other side I do see more and more students who have high ambitions of going to university but are not prepared to put the time and effort into studying and building their knowledge base. Modern students do not understand that hard work and lonely hours at a desk is the only way forward. As students compete for fewer and fewer places at university so the challenge to raise the standard becomes more important.

I do not believe the academic standards at the school have anything to do with the new curriculum but everything to do with students' work ethic and the quality of the teachers. I believe the Aristotle academic model stands true today as it did 2000 years ago. Academics is the search for truth and understanding of the universe and so the progress of man and woman in this world will progress at an ever increasing rate, hopefully to raise the quality of life of all and to extend their freedom to become productive human beings.

My second bench mark is the quality of teachers. At Bryanston we have a group of teachers who are superb. They are committed to teaching the relevant academic skills to succeed in the modern world and are prepared to put in the time and effort to make every student a success. Their non participation in the strike is evidence of their commitment. However, I do not believe they have all the support from the parent community. They cannot operate without full parental support. They do make mistakes in a highly stressful profession. They put up with the most disrespectful and atrocious behaviour from parents and students and yet they teach to the best of their ability and mark as accurately as possible. I am also acutely aware that teachers have their shortcomings and need to constantly improve their skills to remain relevant and effective in the classroom. We do not agree with teachers striking but the issues raised by the unions are relevant and the government needs to listen, just as governing bodies need to protect their teachers and to take cognisance of all the issues.

My third benchmark is not always considered important, but I believe that it is crucial to the future of the school and to all our students. Extra-murals are no longer a priority in many schools. If you want your son to be a rugby player, go to a private school and the same applies for all sports. In the 11 years I have been at the school and for the past 43 years of its existence we have excelled at sport and we have a target of maximum participation. We are still doing it and I thank all teachers for their contribution; I am proud we are a public school. Yet students and

parents are often reluctant to encourage participation and to support the coach to allow their children to play. The values and lessons learnt on the sportsfield, or on stage, are as important as those learnt in the classroom. We still have the same number of teams as we have had in the past. We no longer play as many schools as we used to as some of these schools have given up commitment to sport. I am sure these schools do not have the same spirit and sense of belonging as ours does. Extra-murals give our school a soul and a sense of commitment that is so lacking elsewhere these days. Yes, we did beat Fourways at rugby and we are the national cheerleading champions, but I am equally proud of all the B team swimmers and all the B teams for that matter. I get as much enjoyment out of watching the B teams as I do the First teams. They are a very important measure of our success. It is exciting that the rugby staff have got together and are organising a rugby tour to Italy in 2012. I hope we can take 40 boys on the tour.

Discipline is a fundamental issue. Society is changing and so are its values and expectations. Parents appear to be more flexible than in the past and yet they expect the School to rule with an iron fist and then object when the School makes a stand on an issue or student. Through the minefield of school safety and security our students are generally well behaved in the school environment, but I worry about what they are doing in their private lives as we hear of stories of drinking, often drugs and even unprotected sex. It is very difficult to gauge the extent of the problem, but it is worrying and yet the school is powerless to do anything. We do engage parents when we see a problem but parents are reluctant to deal with the real issues which they often cannot deal with themselves. Strong teacher leadership, based on strong values such as morality, justice and fairness, are the secret to ensuring students build lives free from violence, substance abuse and theft. One finds it difficult, however, to deal with broken and dysfunctional families and, at the same time, motivate the student to perform and behave at school.

Our facilities are a concern. We are a modern school in policy and outlook, yet our buildings are old. It is taking more and more of the budget to pay for the upkeep of the infrastructure. We do get a small allocation from the State, but it is not nearly enough to maintain and improve the vast property. The SGB has tiled all the toilets and a big computer upgrade was completed. The fields have been fertilized and we are dealing with the termite problem. We have a new gate for the pavilion area. However, the grass needs to be cut and we have to urgently invest in new mowers that can cope with the size of our fields. The palisade fence must be extended along William Nicol. We would like to pave the staff driveway at the back of the school. I would also like to paste an all weather surface on the netball courts for hockey and netball. There are many projects that need to be done if the finances are available. Each year we try to tackle some of the problems so that we can keep moving forward

to create a positive and secure educational environment for students and teachers. The Governing Body has been fantastic in raising funds and planning development of the school. In addition, we have to deal with the massive rise in the electricity and water tariff.

My final important benchmark, but there are others, is the collection of school fees. The cost of a good public education at Bryanston is fair, but it is a realistic cost, given the expenses we face every year. It is good to report that we are maintaining our levels of collection in spite of the economic downturn. The finance department are doing an amazing job in the collection of the fees. Parents are finding it tough, but the budget report tells me that we are meeting our targets. The Governing Body has also reached the target with exemptions. However, exemptions are still the biggest threat facing the future of our schools. I am happy that we are compliant with legislation and policy and are treating our parents in a sensitive manner.

One can think up many important benchmarks to test the school against, but the simple one I like is a measure of how BUSY the school is on a weekly basis. February, March, May, August and October are incredibly busy months. Generally, there are sporting fixtures every day of the week and three or four nights per week. The April holidays are used as touring months for the winter sports and July holidays are when the cheerleaders compete in the national championships. There is also winter school. I have never tallied up all the weekends that are spent away from home going to Midmar, Leadership camp, Councillors camp, Grade 8 camp etc. The school is a constant hive of activity and I encourage it and I am very grateful to the teachers for their energy and time they spend organizing and managing all these events. We are very BUSY. I also believe that busy students are successful students and are away from the horrible temptations our society has to offer. Generally, the few failures each year are those students who do not fully involve themselves in the school programme.

The education department uses the Whole School Evaluation that identifies nine areas that a school must be judged on and they are:

- \*Basic functionality of the school
- \*Leadership, management and communication
- \*Governance
- \*Quality of teaching
- \*Curriculum resourcing
- \*Learner achievement
- \*School safety, security and discipline
- \*School infrastructure
- \*Parents and the community

Using the above as an indicator, I do worry about the effectiveness of communication with parents. The SMS system did work well during the strike and we are now looking at a much improved emailing system. I do think

the newsletter is very effective and we are using our website more and more.

The safety of the school and the students is a constant concern. We have changed the security company and we have increased the number of guards, but I do worry about a robbery or a hi-jacking in and around the school. The concerns created by the strike highlighted the weaknesses of some of our systems and we are correcting them.

Curriculum resourcing is a massive issue in the country. We do receive a small allocation from the government, but all the copying facilities and computers are paid for by the parents and parents have to foot the bill for textbooks. Our second hand book shop does work well and is an important assistance in the supply and re-cycling of the text books. By 2011 there are further curriculum changes so one wonders how the Education Department are going to implement all the text book changes that go with the revised curriculum.

I am convinced we have a highly functional school and a very effective school given the environment we operate in. My fear is that we can sustain this high standard over the next few years. With the current operating systems in place, I believe we can.

I am very grateful for the governance of the Governing Body. They give their valuable time to prepare budgets, run disciplinary hearings, market the school, and improve the school facilities and countless other functions. Their commitment is invaluable and gratefully received. Mr Esteves completes his period as chairman as his daughter matriculates at the end of the year. He has served on the Body for many years and has been chairman for the last 2 years. I thank him for all his support and time and effort. Mrs Flemmer is also leaving as her daughter is also in matric. She has been fantastic in running disciplinary hearings and all the other support she has given the school over many years. Colin Hutton has acted as advisor to Mrs Peacock, the Bursar, for the past year although his son had left the school. Colin has run the finances of the school for the past eight years and has done a magnificent job ensuring the school is well run and financially viable. We will be eternally grateful to him for his unselfish commitment to the school. He even had time to volunteer his services when he did not have to. He is a friend and was a very important cog in the management of the school over many years. Everything he has done, is gratefully appreciated. Mr Hutton and Mrs Peacock made a formidable team in running the finances of the school. I am also happy to fully report that the school is fortunate to have Mrs Biggs to take over from Mr Hutton who is equally experienced and qualified to manage the finances of the school and to take us to new levels of performance.

Thank you Mrs Haefele, for assisting with collection of school fees, Mr Ferreira for managing the exemptions, Mrs Woolley for the legal support and upgrading of the tuckshop, Mrs Sfanas for the marketing projects, Mr Davidson for his constant support, Mr Maphaka for his assistance with disciplinary hearings, Mr Wood for helping with the computer upgrade and Mr Kennedy for his constant support around the school and advice in dealing with the GDE. He was also instrumental in selling advertising space around the school. Thank- you teacher members, admin. members and the RCL for making a huge and positive contribution to the governance of the school.

It has also been a very sad year with the passing of Mrs Deacon. She was an icon of the school community and died in her sleep after entertaining the school in the staff play. We will always remember her singing 'New York New York' and receiving a standing ovation from the audience. Her death was devastating and the memory of her massive contribution to Bryanston High will never be forgotten!

I would also like to thank every teacher for their support and hard work. The strike challenged all of us and we remained strong and committed to the school in spite of all the pressures and threats. Pat's death was a stark reminder of how fallible and vulnerable we all are and as teachers we need to manage our stress and have more balance in our lives.

Thank you also to Sue and her tuckshop mothers, the SFC mothers and our school shop for all they do to assist in making our school run smoothly.

Finally, I would like to thank Mrs De Villiers and the admin staff, Mrs Peacock and the finance staff and Mr Toerien and the groundstaff. You are all fantastic colleagues to work with and you do a superb job!

*Dave Robinson*

# Chairperson

## Governing Body Chairman's Farewell Speech 2010

This is my last report as the current Chairman of the School Governing Body, and as such, and I would like to take this opportunity to give special thanks' to a number of people: Firstly to all the members to our Governing Body. It has been a pleasure working with you all, we have had many disagreements, and heated debates, and this however was always done for the betterment of the school. Secondly I would like to give special thanks to the teaching staff at this school. During the recent strike, our teachers were an example of what the profession should be; I thank you from the bottom of my heart.

I would like to thank, the SMT, the financial staff specifically, including the bursar, fee collections, and registrations, who have worked tirelessly to set up and maintain robust financial strategies and processes for the school, bringing a high level of knowledge and skill, as well as devotion to the task of leading the school in difficult and uncertain economic times. The strength in financial management and planning at the school means, that the new Chairman and the Governing Body members will be taking over a school well prepared to meet future challenges.

Lastly let me thank the parent body of the school, who, without a doubt is a vital and crucial element in this school. There are so many parents who are always prepared to get involved in whatever way or manner required. Conversely there are selfish parents who don't pay school fees, don't get involved, and are always on the fringe complaining, shame on you! School fee collection at many schools in the country has been problematic, and despite very difficult circumstances, this school always delivers. Parents, I must encourage you to continue paying school fees.

Education in this country is a basic right, however we at Bryanston High do NOT offer a basic education, we offer a world class education, which has to be paid for. I have no doubt if I am going to be remembered at all it is for repeating this belief: "There are only two kinds of parents those who pay school fees and those who won't"!

I am honoured to have been the Chairman of the Governing at Bryanston High School. I have served on the Governing Body for five years, and as Chairman for the past three years. I have attended many school functions for all these years and have always been impressed by the achievements of pupils and staff, in particular by the confidence and loyalty of the young people who speak at prize giving, and other occasions. They show a sense of what the school has enabled them to achieve and their relationships with the staff. It is a pleasure to be part of this school. The school mission statement says it all:

Bryanston High School strives to provide quality education within a caring environment that balances the pursuit of academic excellence, and the development of essential life skills, so as to empower all of the learners to achieve their potential and meet the challenges of a dynamic society, as responsible citizens.

The inclusive nature of this school means that all pupils at Bryanston High School are enabled to develop and achieve both personally and academically.

My own background is very different to that of education, I was never a teacher, or for that matter was never in any way involved in education. It is my belief that the future lies in the youth, and the education of our children. The short-comings and mediocrity by the Department of Education which is dysfunctional to say the least, has also driven me to make a difference.

My view of what I have been appointed to do: to develop a strong and supportive governing process to enable the head and the SMT to take the school forward; to build on the strengths of the school, the strengths recognized in the last AGM and to use my expertise and experience to bring an educational focus to the work of the governors.

It is very important to build a governing body that has a wide range of skills and expertise, recently recruited new governors bring both specifically educational legal experience and professional child protection experience, creating a strong and varied team and we are very grateful for their willingness to devote their time and energy as governors.

It has been extremely difficult at times dealing with the Department of Education. They seem to think that they can force dysfunctional decisions onto the school; they

# Chairperson

force you to take children who are residing outside of our feeder area, which creates all sorts of other problems. The department of Education only pays for approx 45% of our teaching staff, the SGB pay the balance of the teachers.

Education could be on the path to disaster. South Africa, I'm told is one of the least literate countries on the African continent, on the other hand a country such as Zimbabwe with all its challenges, poverty and political turmoil, produces far better school results than we do in this country. What happened to students and teachers, they've been replaced with learners and educators, what a load of garbage! Outcomes-based-education, Teachers' Unions and an attitude of mediocrity, that discourages excellence, has reduced the Department of Education, to the Department of putting out fires. The Department of Education should reward schools and teachers who deliver above average pass rates, and fire the lazy teachers who taint the hard working teachers who are dedicated to education.

Let us concentrate on the positive attributes of this school:

What kind of school do we have? I believe we have an exceptional school. Dave Robinson and the SMT are unreservedly dedicated to the school, and take a "no-nonsense" approach. I thank you again for not abandoning your posts during the strike.

The matric results at this school will speak for themselves once again, of that I have no doubt!

All of our sports teams have again proved themselves on the fields, both locally, country wide, and abroad. The hockey girls were fortunate to go on a tour of Egypt which was an experience that will never be forgotten. This tour was spearheaded by none other than Pat Deacon, who sadly passed way so suddenly, leaving us all gasping in despair. Pat was the longest serving member at this school, and in some cases she has taught some of the parents at the school. Pat made a huge impression and influenced many of her students, Pat will be always remembered for her dedication as a teacher a mentor and a shining example of what the profession is all about.....you will be missed.

The sports participation at this school on all levels is remarkable. I must make special mention of the various white blazers and academics achieved in this school.

I urge you to continue supporting the school the teachers of this school and to get involved in our activities, you can make a difference, and I once again I thank those who have indeed made a difference.

I am extremely proud to have been associated with this school for this time, and, if asked to do so, I would do it over and over again.

If you think education is expensive, try ignorance!

Quitó Esteves  
Chairman

## Top 25 Participants

These certificates are awarded to the Top 25 learners who have collected points throughout the year for participating in sport, cultural activities and for supporting school functions. Well done to:

24th	56pts	Ashleigh Barry, Tamryn Sutcliffe, Hayley Davies
21st	58pts	Lorna Davidson, Michael Ryan, Serisha Hariram
18th	59pts	Megan Oosthuysen, Jessica Callebaut, Charne Kriek
16th	63pts	Alan Tout, Jason Lance
14th	66pts	Stefan de Beer, Kimberley Rhoda
13th	68pts	Annalisa Vicente
12th	69pts	Emma Peacock
10th	70pts	Vyasna Mahadevey, Dominic Alves
9th	71pts	Thyla McGuinness
8th	74pts	Avani Beerbul
6th	78pts	Byron Smith, Luke Ware
5th	80pts	Jade Mollett
4th	84pts	Chia-Yu Chen
3rd	111pts	Genna-Lee Uren
2nd	116pts	Steven Donzella
1st	124pts	Jocelyn Lawrence

## Service Awards

Service beyond Self whereby learners have made themselves available to help others and involve themselves in different spheres within the school:

**Reuben Watney** - always willing to help, runs errands for staff, service to English, LO, Afrikaans, Geography, Technology  
**Steven Donzella** - willing to accommodate staff, service to Afrikaans  
**Jocelyn Lawrence** - very reliable, always volunteers to do tasks  
**Keanan Augustine** - runs errands, helpful, service to Maths  
**Mouhammed Eljelaylati** - helpful, service to Afrikaans  
**Joshua Lawrence** - always lends a hand, service to Afrikaans  
**Bernadette van Heerden** - Service to English  
**Da Eu Kim** - Service to Tennis, for coaching  
**Boitumelo Baruti** - service to Technology  
**Joshua Seethal** - Service to Technology and Maths  
**Candice Lee** - service to Technology

## 100% Attendance

This award is given to learners who did not miss one day in Grade 9 which is a remarkable achievement. Well done to:

Primrose Mkhonza, Sharon Zondi, Ayaphila Zondani, Marvin Silawule, Siviwe Ngani, Itumeleng Mkhize, Mouhammed Eljelaylati, Boitumelo Baruti, Precious Mhlanga, Zanele Madondo, Buseletso Lekgau, Serisha Hariram, Zinhle Zulu, Kamogelo Khatle, Dominic Alves, Sashmeera Ramdhay, Antonis Melis, Lebo Machaba, Phindulo Funyufunyu, Carol Cui, Chia-Yu Chen, Bernadette van Heerden, Genna-Lee Uren, Lutho Gadu, Bianca Chabant

## Leadership Certificate (RCL)

For contribution to the RCL and excellence in reporting back to class and as a role model to others: **Jocelyn Lawrence**

## Trophy awards

### Cultural Awards

**Boys:** It was impossible to separate these two contenders. Both young men are excellent actors, brilliant "team players" in that they are always enthusiastic innovative and hard working. Well done to **Dominic Alves** and **Steven Donzella**.

**Girls:** A leading lady by nature, a leading lady by talent and a leading lady by hard work and application. Congratulations and well done to our Grade 9 leading lady, **Jocelyn Lawrence**

**Best Class Captain:** **Dominic Alves**

**Sportsman of the Year:** This young man participated in Hockey, Tennis, Athletics and Swimming A Team. Congratulations to **Steven Donzella**

**Sportswoman of the Year:** This young lady participated in Tennis, Hockey - both indoor and out, Athletics, Cross Country and Swimming. Congratulations to **Genna-Lee Uren**

**Special Award of a Gold Certificate** for achieving three Junior Full Colours in 2009 for Swimming, Drama and Academics. Congratulations to **Steven Donzella**

### Medals

#### Grade Controllers Award

**Girl:** This award goes to a well-mannered young lady who quietly involves herself in the life at Bryanston High School. She has a wicked sense of humour, is hard working and will willingly step back so that others may achieve. She never calls attention to herself, but gets on with the task at hand with quiet enthusiasm, dignity, and commitment. She is a great team member - well done - **Denise Kamhunga**

**Boy:** This award goes to a young man who has proven himself throughout the year as being a good leader. He is respected by his peers and teaching staff, he is sincere in all his efforts to improve himself whilst maintaining the culture of learning at Bryanston High School. Well done - **Dominic Alves**

## Top 25 Participants

These certificates are awarded to the Top 25 learners who have collected points throughout the year for participating in sport, cultural activities and for supporting school functions.

Well done to:

<b>21st</b>	50 pts	Kyle Lumsden, Amber Fronckiewicz, Herold Mtambeka, Phillip Selwana, Anthony Wheeler, Carrie Steenkamp
<b>20th</b>	51 pts	Frances Wressell
<b>12th</b>	53 pts	Shurnique Bartlett, Lindiwe Mpata, Amy Ovenstone, Erica Teng, Quen de Kock, Angelica Makhlof, Jason van Wyk, Lara-Lee Stanton
<b>10th</b>	61 pts	Caitlin Barnard, Camilla Allen
<b>8th</b>	63 pts	Shawn Langa, Amy Degenhardt
<b>7th</b>	66 pts	Immaculate Dube
<b>6th</b>	78 pts	Casey Cowell
<b>5th</b>	89 pts	Stella Sfarmas
<b>4th</b>	90 pts	Michael Louw
<b>3rd</b>	93 pts	Akira Juggath
<b>2nd</b>	98 pts	Jessie Sutcliffe
<b>1st</b>	109 pts	Chad Haefele

## Service Awards

Service beyond Self whereby learners have made themselves available to help others and involve themselves in different spheres within the school:

- Lindiwe Mpata** - always helping others in the classroom, catering and on the netball court
- Blake Store** - service to Afrikaans and registration and during school functions
- Darren Gould** - Service during grade 9 pool party and other school functions
- Nontoko Zondo** - service to Zulu
- Queen Mnisi** - Service to Life Orientation (running errands and happy to do extra work and adding value to the Geography classroom)
- Akira Juggath** - Service to catering through efficient running of catering committee and effort put into catering
- Ndumi Simelane** - Service during school functions
- Jeremy Watson** - Service during school functions
- Immaculate Dube** - Service during school functions
- Jason van Wyk** - Service and assistance during Biology lessons
- Eric Glanvill** - Service to First Aid (as a non-first aider)

## Leadership Certificate (RCL)

For contribution to the RCL and excellence in reporting back to class and as a role model to others:

*Daniel Da Silva Ferreira, Iva Gobac,  
Kerry Macfie, Samantha Macfie, Lindiwe  
Mpata, Stella Sfarnas, Lara-Lee Stanton,  
Erica Teng, Frances Wressell*

## Trophy awards

### Cultural Awards

**Boys:** For his lead role as Jerome in the cast of South Pacific, congratulations to *Michael Gaynor*.

**Girls:** For her lead role as Bloody Mary in the cast of South Pacific. She is also part of the public speaking teams. Her role as a director, actor and prop maker for the Plays Festival, congratulations to *Stella Sfarnas*.

**Best Class Captain:** *Questia Mbombo-Zebo*

**Best RCL Representative:** *Daniel Da Silva Ferreira, Lindiwe Mpata*

**Sportsman of the Year:** For participation in swimming, cricket, squash, hockey, cross country and athletics, well done to *Chad Haeefele*.

**Sportswoman of the Year:** For participation in Hockey, Athletics and Tennis, congratulations to *Casey Cowell*.

## Medals

### Grade Controllers Award

**Girl:** This is a shared award. The first recipient has involved herself in many spheres of the school including sports and culture and is also an academic. She is an extremely self-motivated person who enjoys challenges and achieves the high standards she sets herself. She is optimistic and brings a positive and reflective perspective to the occasions in which she does fail. She displays sensitivity and insight with regard to others. As a result she can relate to people of all ages and positions, as was demonstrated on "3 Talk". Her leadership potential became evident in her election as vice class captain and as a member of the LIA Executive. I am convinced she will play a prominent role in the leadership of the school in the years to come. Congratulations to *Nontokozi Zondo*.

When one thinks of this second recipient two words come to mind: involvement and tenacity. This young lady participates in a variety of sports at the school, including swimming, athletics, hockey, cross country and squash! It would be logical to assume that with this kind of involvement her school work would suffer but she managed to improve her average by at least 20% in term 3! She can be admired for her quiet, honest and trustworthy nature. Congratulations to *Jessie Jo Sutcliffe*.

**Boy:** The recipient of this award is a young man who displays impeccable manners and is well liked by his peers and teachers alike. His uniform is worn neatly and with pride. He is a strong swimmer and cross country athlete. His diligence towards his school work needs to be commended. Congratulations to *Cameron Speechly*.

## Esprit De Corps

**Girl:** Lindiwe Mpata

**Boy:** Daniel Da Silva Ferreira

## Top 20: Half Colours

**68%** Robyn Dunlop, Questia Mbombo-Zebo, Elaine O'Connell, Amy Parker, Erin Steenhoff-Snethlage, Pia Macchelli

**Girl:** For her role in the Major Production. She scripted and wrote her own festival play. She won best Director, best Play and best Actress. She took part in debating and public speaking. Well done *Jenna Fulcher*

**Best Class Captain:** *Kono Ndlovu*

**Sportsman of the Year:** This is awarded to a young man who has full colours in Swimming, Athletics, Cross Country and who has competed internationally in the Biathlon. Well done *Ryan Banks*

**Sportswoman of the Year:** This is awarded to a young lady who has colours for Netball, Cheerleading and Athletics and half colours for Swimming. Well done *Alyssa Garrard*

### Esprit De Corps

**Girl:** *Jenna Fulcher*

**Boy:** *Ryan Banks*

### Medals

#### Grade Controllers Award

**Girl:** This award goes to a young lady who is special because she is kind and always gives of her best. She will try hard to accomplish all things and yet seeks no recognition. Well done to *Jennifer Kwanjana*

**Boy:** This young gentleman had a rough start to his schooling career because of his size. However, as the years passed by he gained a lot of respect from both teachers and his peers. He has good manners, always quiet, in his place but he gets the job done. He showed his true colours on the grade 11 camp and proved that size does not matter. It is a privilege to have him at Bryanston High. Well done to *Callum Fyffe*.

1st	131 pts	Jenna Fulcher

**Hoopoe Trophy:** Jenna Fulcher

## Sportswoman of the Year:

This award goes to a most committed and involved young lady who has shown her sporting prowess since her first year at Bryanston High School. She has obtained full colours for Cheerleading, Netball and Swimming. She was the Vice Captain of the A swimming team, Athletics team and the Netball First team. She has half colours for Athletics. Our worthy recipient of this award is Alyssa Garrard

## Sportsman of the Year:

This award goes to a young man who is totally committed to sport. He is in the B swimming team; in the Rugby second team, is Captain of the Athletics A team and won silver at the Prestige Gala. He was also involved in Cross Country. He has received provincial colours in Triathlon and achieved 6th place at the Nationals; has national colours for Duathlon and was placed 5th in the Nationals. Our worthy recipient of this award is Ryan Banks

## National Representation

Ryan Banks:	Duathlon
Jenna Fulcher:	Modelling
Ross Stewart:	Scouts
Sean van de Vyver:	Tennis

## Cultural Award - Boy

This award goes to a young man who has grown steadily throughout his theatrical career at Bryanston High. He still frequently assists the younger actors and coaches them. From the moment of his first audition we were awed by his voice and he has remained totally committed to the productions. He is the epitome of a "lead by example" person and is the most deserving recipient of the Boys cultural award of 2010. Congratulations... Chris Tregurtha

## Cultural Award - Girl

The recipient of this award has been involved in all cultural aspects of the school since grade 8.

This year she initiated the inclusion of the school debating team into the Saccee League which allowed the Rhetoric Society to grow to new levels. She is an outstanding debater and was fully involved in all aspects of the Rhetoric Society. She is an excellent public speaker and has been a credit to the school in all external competitions.

There is seemingly no end to her talents. She is also a superb actress and playwright, director and dancer. She has played numerous and demanding leading roles but still has time to mentor the young aspirant actors in the company.

Jenna Fulcher is a worthy recipient of the 2010 girls cultural award.

## Hughes Rhetoric Trophy:

The standard of public speaking amongst this matric group was extremely high and as a result, it was very difficult to award this most prestigious award to just one recipient. Both of the winners of this award have participated in public speaking since they were in grade 8 and they have been an excellent platform from which to promote this valuable skill.

The first recipient is a young lady who achieved an A symbol in the prestigious Rotary Competition and went on to share a weekend with other outstanding public speakers as part of her prize. It is always a pleasure to listen to her and to what she has to say.

The second recipient goes to a truly captivating speaker. She has won two of the internal public speaking competitions held this year and is at ease in any situation, be it debating, impromptu speaking or in a prepared speech.

Congratulations go to Jenna Fulcher and Chanel Sprieman.

## "Giving is Gold" Trophy:

This trophy was donated by Mr Peter Azzie in recognition of the selfless effort made by a young learner to raise and donate money to those less fortunate than themselves. This year this trophy is awarded to a young man who raised R 22 100 towards the Debs Ball project.

- Christopher Stafford

## Round Table Service - Girl

This is awarded to a girl who has served the school unflinchingly in many spheres and all aspects. - Chanel Sprieman

## Lion's International Service - Boys

This is awarded to a boy who has served the school unflinchingly in many spheres and all aspects. - Jonathan Callebaut

## Wilke Prinsloo Trophy:

This award is given to a young lady for facing adversity in her matric year and for displaying courage and great tenacity. - Charni Dee

## Silver Medallion - Girls

The young lady who was on the executive is deserving of this award - Chanel Sprieman

## Silver Medallion - Boys

This award goes to the three young men who were on the executive - Nicholas Affat, Jonathan Callebaut and Craig Tshabalala

## Welsh Cup and Medallion - Dux Leadership Award

The highest award for leadership is given to the two students who hold the position of student council presidents

- Jenna Fulcher and Ryan Banks

# Valedictory Awards

## Cum Laude Awards

This award is given to pupils who have achieved full Academic Colours each year from Grade 8 to Grade 12:

*Natasha Flemmer, Jeanne Viljoen, Belinda Rantao, Kirsten Seale, Ryan Banks, Grace Hong, Samantha Kennet, Kelly-Jo Uren, Bernice Swart, Jenna Fulcher, Angela Wilson, Nina Wilson, Karina Szuman*

## Esprit de Corps Trophy

This award goes to a young lady and a young man who have been voted by the Grade 12 group as the learners whom they most admire and respect and who embody the spirit and the ethos of Bryanston High School.

- *Jenna Fulcher and Ryan Banks*

## SPECIAL AWARDS:

**Councillors' Trophy:** *Kelly-Jo Uren and Jenny Mc Cullough*

## Executive Councillors' Award:

This award is presented to a young man who the executive councillors feel reflects the embodiment of a true Bryanstonian. He works quietly in the background and is always willing to lend a helping hand. He is modest and always stand up for what is right. This young man demonstrated outstanding leadership in the major production and formed a valuable part of the drama society. It is clear that this young man is of a humble and noteworthy character. - *Chris Tregurtha.*

## Grade Controllers Award - Girl

This award is to be given to two unassuming young ladies who have quietly and without needing recognition gone above and beyond what is expected of them. They have achieved much within the classroom and out of the classroom. They have high standards and have been both productive and positive throughout their years at this school. I have admired the way in which they have dedicated themselves to Bryanston High and have upheld its beliefs and systems. - *Amanda Walters and Kelsey Glass*

## Grade Controllers Award - Boy

This young man has exceptional moral standards which have earned him the respect of both his teachers and his peers. He works extremely diligently and goes beyond what is expected of him at all times. He is always available to assist anyone in need and will put himself out in order to be able to help someone. His manners are impeccable and he is a role model to all students and is a great ambassador for Bryanston High.

- *Richard Hallendorff*

## Principal's Award

This is a joint award to two young people who have excelled at the school and are role models to all members of our community.

The young man is a superb all rounder who was prepared to involve himself in all activities at the school and balanced a sporting role with his involvement in cultural activities. He was prepared to take part in sports that he was not necessarily good at but the need was there. I remember one particular very fast first 800m lap, followed by a courageous struggle to complete the race. He is a credit to his family and his school.

- *Jonathan Callebaut.*

The second award goes to a young lady who has always symbolised what Bryanston High stands for. Her all round performance over the year has been exceptional. I have always admired her tenacity, competitive spirit, compassion and humility. At the same time, she has shown talent on the stage and is one of our top sportswomen. I have no doubt she will go far in her career.

- *Kelly-Jo Uren*

## Honours Awards

### White Blazers:

*Ryan Banks  
Jenny Mc Cullough  
Chanel Sprieman  
Alyssa Garrard  
Nadia Nikolova  
Nikita Sokopo  
Sean van de Vyver  
Stuart Edwards  
Melanie Charlton  
Samantha Kennet  
Angela Wilson  
Nina Wilson*

### Re-Award (2nd time):

*Natasha Flemmer  
Bernice Swart*

### Re-Award (3rd time):

*Kelly-Jo Uren  
Kirsten Seale*

### Re-Award (3rd and 4th time):

*Jenna Fulcher*

## White Blazers

# White Blazers

**Angela Wilson**  
 Receives an honours blazer for achieving six distinctions in her matric year. Congratulations and well done.

**Alyssa Garrard**  
 This honours blazer has been achieved by a superb athlete. She has received full colours for Netball, Swimming, Cheerleading and Councillorship. Well done.

**Kelly-Jo Uren:** First white blazer was awarded for academic excellence in Grade 11 where she achieved six or more distinctions. Her second white blazer was awarded for excellence in a range of extra murals at the school. Kelly-Jo achieved full colour awards in Netball, Councillorship, Academics and Drama (Choreography). A third re-award of the white blazer was achieved for academic excellence in her matric year as six or more distinctions were achieved. Well done and congratulations on your excellent achievement

**Stuart Edwards**  
 Receives this honours blazer for his achievement of six or more distinctions in the matric year. Congratulations to a talented scientist.

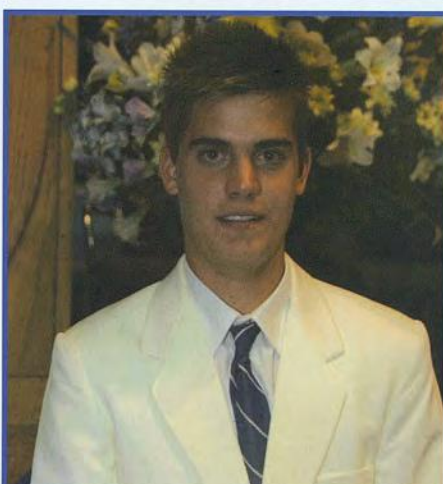

**Melanie Charlton**  
 Receives an honours blazer for achieving six or more distinctions in her matric year. Congratulations on this outstanding achievement.

**Chanel Sprieman**  
 This honours blazer is achieved for four full colours in Grade 11. Chanel achieved colours in Rhetoric, Drama and Councillorship and Full Academic Colours. Congratulations.

**Natasha Flemmer**  
 A white blazer was awarded in January 2010 for academic excellence in grade 11. She achieved six or more distinctions. A re-award of an honours blazer was awarded in October for academic excellence, achieving 6 distinctions in her matric year. Well done!

**Sean van de Vyver**  
 This honours blazer has been achieved by a talented tennis player who has achieved full colours in Academics, Councillorship, Tennis and National Colours for Tennis. Well done.

**Nadia Nikolova**  
 This honours blazer has been achieved for full colours in Councillorship, First Aid, Cheerleading and Academics. Congratulations.

# White Blazers

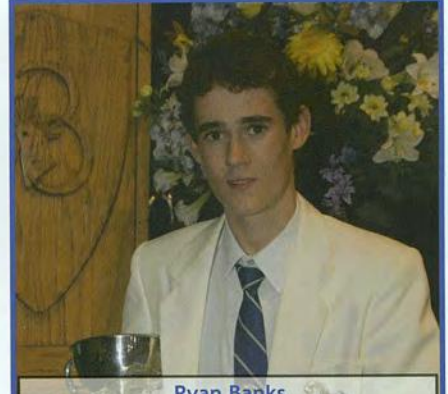

**Bernice Swart**

The first white blazer was awarded in January 2010 for academic excellence in Grade 11 where Bernice achieved six or more distinctions. Her re-award of a white blazer in October 2010 is for academic excellence in Grade 12 achieving six distinctions. Congratulations on this outstanding achievement.

**Kirsten Seale**

The first white blazer was awarded for academic excellence in Grade 11 where she achieved six or more distinctions. The second white blazer was awarded for obtaining four full colours in grade 11. Kirsten achieved full colour awards for Hockey, Athletics, Councillorship and academics. A third re-award of the white honours blazer for excellent academic results in her Grade 12 year achieving six or more distinctions.

**Ryan Banks**

Achieved his first white blazer in Grade 11. Ryan is a superb athlete who has achieved National Colours. A re-award of a white blazer was achieved by our head boy as he attained full colours for Cross Country, Athletics, Academics and Councillorship. Well done and congratulations to a committed athlete.

**Nina Wilson**

Congratulations on receiving an honours blazer for achieving six distinctions in her matric year, and is the first recipient of the Allen Bursary. Well done.

**Samantha Kennet**

Samantha has received an honours blazer for achieving six or more distinctions in her matric year. Congratulations on this outstanding achievement.

**Nikita Sokopa**

This honours blazer is awarded for full colours in Netball, Drama, Academics and Councillorship. In addition she is also the recipient of the very prestigious Allen Gray Bursary. Well done.

**Jennifer Mc Cullough**

This honours blazer recipient is a young lady who is actively involved in the school and quietly excels in many activities. She has achieved four full colours in grade 11, for Cross country, Athletics, and Councillorship and Full Academic Colours. Congratulations.

**Jenna Fulcher**

The first white blazer was awarded for academic excellence in Grade 11 where she achieved six or more distinctions. The second white blazer was awarded for obtaining four full colour awards in Rhetoric, Drama, Academics and leading the Councillors by example. The third re-award from our Head Girl was achieved for academic excellence in her matric year. Jenna achieved six or more distinctions in her matric year. The fourth re-award of a white honours blazer is a rare and prestigious award. Jenna achieved full colour awards in Rhetoric, Drama, and Academics and her National Colours in Modelling. Well done and congratulations.

# Matric Dance

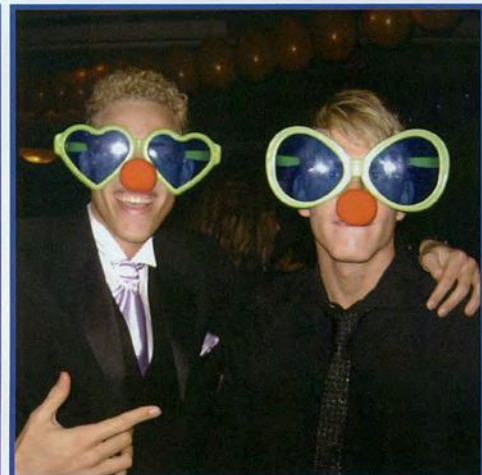

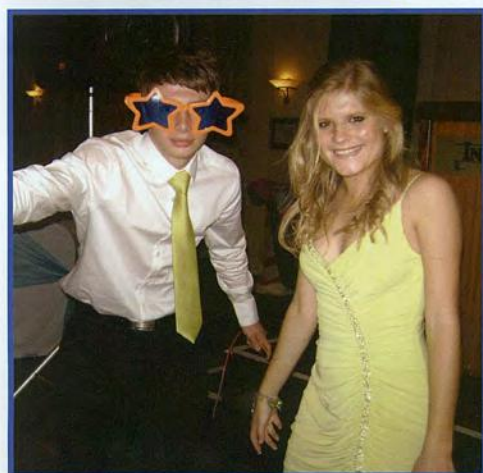

What a night! The theme was "The Circus" and what a gorgeous array of beautiful and elegant ladies and gentlemen, our Matrics looked so grown up and independent.

It was colourful, noisy and a lot of fun. There were clowns and jugglers, candy floss and slushies.

Many thanks go to Mrs Weir and Mrs Stafford for their inspiration and hard work which made this "a night to remember".

*Mrs T. Cook*  
Teacher in charge

Matrics

# Councillors

## Councillor Camp

The weekend began with a warm welcome from a rather large group of very excited dogs - much to the dismay of a few fellow councillors - but after a brief introduction by Liz (our resident drill sergeant) and Billy, we all calmed down and the games began!

We started off with a quick ice breaker which was thoroughly enjoyed by all, especially the very competitive! The weekend continued with a few other team-building activities such as the car-making activity (which proved to be very tricky after we were thrown a curved ball) and the obstacle course in which we got down and dirty to complete the task.

With the vast creativity and diversity of the councillor group, an awesome song was written. After many practices, it turned out great and the performance in assembly was memorable.

While on camp, we had time to bond. In the dorms, over meals and during activities we chatted, helped one another and provided and received constructive criticism. All in all a lot of fun was had while unifying what was to become a great group of councillors.

On Sunday, a tired but ready group of leaders arrived home and by Monday we were ready to take on any challenge 2010 had to offer!

# Head Boy and Girl

## Final Assembly Speech

"I am the master of my fate; I am the captain of my soul."

As I look at my time at Bryanston High School nothing makes me more proud than knowing how much I have grown since Grade 8 and how I have come to realize that I am the "captain of my soul"; however, nothing could make me more sad than having to say goodbye to my second home - Bryanston High.

Each day I walk through the corridors of this school, watching the pride and happiness displayed by some of the students. Not only will I miss the laughter and smiles, but I will also miss the mischief some of you get up to.

I am so grateful to be part of this Bryanston family and to have led you throughout 2010. I believe that no other student in the world has spirit like a Bryanstonian. No other student in the world knows what Bani Wa Tela means nor have they ever felt what it feels like to scream those words at the top your voice, with all your might, regardless of winning or losing. Nor have they learnt about valuable life lessons that BHS teaches us, such as involvement, respect and the passion of the blue flame. I have learnt that if you allow your blue flame to burn with pride in your heart; you can turn that flame to gold and appreciate the real beauty of being a Bryanston High student.

Some critics say that high school years are some of the worst years of your life - well, I think they lied! High school is where you learn right from wrong, where you develop your character and where you make some of the craziest memories of your life. Make the most of your time at Bryanston High - audition for major production, achieve that goal you set for yourself, do swimming or athletics just because you can! Remember: it's not who you are that holds you back; it's who you think you're not.

Throughout my time at Bryanston High, my education has not been confined to books, portfolios and L.O. sports lessons, but I have learnt valuable life lessons that are destined to stay with me forever. The most important lesson is to keep on trying; to keep believing even after you have been crying.

I would like to extend my gratitude to the special people in my life; without you all I would not be here. I cannot thank everyone but you know who you are.

To my guardian angel - my mother. Mom, thank you for being my best friend and solid foundation. Your constant belief in me was a true inspiration to keep on persevering through the tough times. I know that Mrs Deacon is watching over all of us and she will keep the Bryanston spirit strong and alive forever.

To every staff member for being the glue that holds the school together. If I could I would thank everyone but that would take forever. I would like to thank Mr Robinson, Mrs Webb, Mr van der Merwe, Mrs Hughes and Mrs Macleod for playing an active role in my life. Finally, I would like to thank Mrs Cook, Ma'am you have helped me grow in leaps and bounds and you have always been there for me. Thank you for everything.

To my councilors and executive - you are amazing! Thank you for all the memories: the early morning meetings and chats in the councilor room will warm my heart for years to come. I would like to thank my fellow president, Ryan Banks, for supporting me throughout this year and being such a great friend.

To my fellow Matrics, what can I say? We've been through it all and made every day a day to remember! I feel truly honoured to have led you.

Being head girl has been the most incredible experience of my life and I will miss this school so much. Although, the pieces of paper bearing testament to my achievements fade; the fond memories in my heart will never die. My life is not written on paper nor is it engraved in silver. My crown is not only head it is in your hearts. "I am the master of my fate; I am the captain of my soul." Thank you for everything Bryanston High and for the very last time goodbye ...

*Jenna Fulcher  
President*

# Orientation

When I took my first step into Bryanston High School in the year of 2010, I immediately felt at home and knew I would fit in perfectly.

As soon as we arrived the Councillors took us straight to the hall and welcomed us with kind greetings. Soon after we were greeted by Mr Robinson and then we met our Grade Controllers, Mr de Lange and Mrs van Tonder.

Your Grade Controllers are basically your moms and dads at school, they are always there for you if you have a problem or just need a chat.

They then took us on a tour around the school to get used to our new surroundings so that we could get more familiar where our classes are, even though most of us had no idea where we were going!

The fun part of orientation began ... the potatoes and plates. Our potatoes became our new best friend -

wherever we went they went! Some people got lazy and put them in their bags and left them in their pockets. Soon after that they were caught by the Councillors and they had to give their potatoes CPR! Now the plates ... they became just like our underwear! Every morning you have to put on your underwear, right? We had to make sure that our plates were around our necks with our name, grade and acute baby picture of ourselves. It was an outrageous but fun way of making a complete fool out of yourself. As soon as we were settled down, the Councillors got to work and taught us all the famous war-cries.

My favorite, and I am sure everybody else's is the Boni Watela. When you sing this legendary war-cry you definitely feel part of the Bryanston family and feel the blue flame burning strongly in your heart.

*Tayla Lance Gr8*

I was warmly met and welcomed by the Bryanston Councillors at the gate. They were extremely kind and friendly. They led us to the Gym and that is where I met up with the rest of the new Grade 8s.

We were then introduced to our Grade Controllers. They were Mr de Lange, Mrs van Tonder and Mrs Karczmarczyk. Mr de Lange looked like a very serious person (so I did not want to be dealt with by him!). Mrs van Tonder looked friendly.

Later we were called to meet the rest of the school. Our

Headmaster, Mr Robinson looked like a serious man. He greeted the school and then greeted us. After that we were taken back to the gym and were separated into different groups. We were then led into the hall to learn about Bryanston's traditions. Our Headboy and Headgirl introduced themselves along with the other Councillors.

When we left school I felt that Bryanston High was a good school so I am going to work hard and hope for the best.

*Grant Miu Gr8*

As soon as the Grade 8s walked through those gates of Bryanston High School there were so many friendly faces that welcomed us and most of us felt right at home. School is not cool without having those special friends that stay by your side all the way.

Our school offers the children many extra-curricular activities. We have the regular ones such as hockey, netball, rugby and swimming. We have many activities such as debating, public speaking, major productions and even horse riding. Our school encourages everyone to participate to the best of their ability, to try and to have fun.

Highschool is where you make your life long friends,

experiment with new sports and subjects, do well in academics and have fun! I must say, one thing I was looking forward to when I came to school was the Grade 8 camp and it was really worth the wait. It was awesome! The staying up late, the scary stories, the long night walks, marshmallow fights and many unforgettable memories.

I have come up with one word to describe Bryanston High School - fantastic! Our school is outstanding. It opens up so many doors for the children. The staff, learners and councillors here are really the best and welcomed us with open hearts.

*Melissa Littlefield Gr8*

# Orientation

## Grade 8 Camp

On the 26th of February the Grade 8s of 2010 arrived at school buzzing with excitement as we were going on our first high school camp.

We arrived at Sediba Kwele exhausted, but eager to begin our activities. We were told to put our bags in our dorms and then we started making our way up to the huge rugby field and there our first activities took place. We had loads of fun playing base-ball, soccer, volleyball and the rug-of-war.

The food they prepared for us was great. Our night activities were awesome. At 10pm it was lights out and as you all know there is no camp where there is no misbehaving, but our mischievous acts landed us in hot water with the teachers. The boys woke early on Saturday morning and did not look at bit tired, the girls, on the other hand, were not at all pleased to wake up so early.

We arrived back at camp that evening, exhausted and really dirty. When the girls had their night walk they sang Afrikaans songs such as, Baby Tjoklits and Loslappie. (What fun!)

We woke up on Sunday morning, showered, had breakfast and began packing. We cleaned our dorms, said our "thank yous" and boarded the bus and began heading back home. How we wished it was Friday and that we had only arrived... We were all going to miss the fun and great hospitality we had received from the staff at Sediba Kwele.

Camp was great!!

*Jessica Rapelego*

## Review for Grade 8 Plays 2010

The Bryanston High School hall witnessed what could be described as one of the most explosive events to have happened thus far this year ... our annual grade eight plays were a huge success.

The theme for this year's grade 8 plays was a unique and unexplored topic of reality TV programmes and the line-up included Top Gear, Mythbusters, Dirty Jobs, Project Runway, The Biggest Loser, Fear Factor and Survivor. These plays were written and directed by the imaginative LIA of 2010.

Preparations for the Grade 8 plays were in full force from the beginning of the year, the main aim was to ensure a memorable entrance into our school for the Grade 8s of

2010 and an enjoyable evening of fun and laughter for the audience.

The evening started with the LIA running to add more chairs into the hall and the attendance was excellent. All the periods of practice and the dedication of our teachers was over in a matter of minutes, but every second was worth all the effort!

Thank-you to all the teachers involved and the fantastic LIA directors of 2010 and the willing, able and joyful group of Grade 8s.

## 702 Walk The Talk

On Sunday the 25th of July Grade 9s met at the corner of Orange and Judith Streets accompanied by Mrs Labuschagne - who, at the time was 7 months pregnant, Mr Fontaine, Mr Robinson and various other teachers.

The clock had not even struck 9 yet and Bryanston was bouncing with excitement to face the 8km walk ahead of us.

Throughout the race we sang war cry upon war cry. If anybody from our team got lost we even had a special call (Kka Kka). We got the rest of the walkers to join in on some of the songs. As we walked the roads of Johannesburg singing our school songs with smiles, we became united not only as the Grade 9s of Bryanston, but also as a family.

We said goodbye to Mrs Labuschagne and her husband as they left the walk close to their home (shame I think Mrs Labuschagne's feet were sore). We carried on chanting our Bryanston name with honour and pride, singing as loud as we could. When we reached the water stops we filled our pockets with water packets and bit them open and squirted any Bryanstonian we saw, even though we were just a bit wet that did not stop our singing, our laughing and our smiles.

702 Walk the Talk is where memories are made, feet become sore, voices become dry and laughter is the only remedy.

*Cayley Jorgensen 9D*

# Swimming A Team

Unfortunately the bad weather disrupted three galas, however this did not discourage the swimmers! The 2010 season was extremely successful and the hard training certainly paid off.

The A-Team consisted of the following learners:

Captains: Alyssa Garrard  
Gavin Wood

Vice-Captains: Nina Wilson  
Nicholas Affat

## Girls:

Seniors: Alyssa Garrard, Nina Wilson, Angela Wilson, Kelly-Jo Uren, Courtney Croxford, Kylie Wilkinson, Siobhan Viljoen, Jessie-Jo Sutcliffe, Elaine O'Connell, Iva Gobac, Amy Ovenstone, Frances Wressell, Alexandra Carr, Leandra Methven, Amber Kayser, Sydnee Alexander, Megan Oosthuys, Bianca Chabant, Bernadette van Heerden, Emma Dent, Jessica Callebaut.

Juniors: Bianca Savio, Cayley Jorgenson, Laura White, Megan O'Connell, Jessica Davies, Antoney Strydom, Jessica Oswald, Tarryn Masterson, Chelsea Alexander.

## Boys:

Seniors: Gavin Wood, Nicholas Affat, Joshua Brennan, Rick Lipner, Devereaux Bender, Godfrey Mokobi, Daniel Da Silva Ferreira, Cameron Speechly, Chad Haefele, Victor Pike, Richard Napier, Kieran Short, Luke Ware, Byron Smith, Jason Lance, Alan Trout, Steven Donzella.

Juniors: Merrick Wooley, Wesley Eslick, Michael Wood, Brendan Fulcher, Dominic Brennan, Favian Gasser, Brandon Schlebusch, Jordan Spence, Dylan Wingrove, Takudzwa Mwerenga.

The A-Team swam in the B-League Inter High at Delville on Tuesday March 2nd. They were unsure whether they would remain in the B-League, which was the main aim. The gala was very exciting and throughout the swimmers gave of their very best, swimming with great determination. The final result was:

5th Place	Benoni
4th Place	Randpark
3rd Place	Hydepark
2nd Place	Bryanston
1st Place	Dainfern

Well done to all the swimmers. You certainly made Bryanston High School proud!

A special mention goes to the following swimmers who came 1st and 2nd in their races.

**2nd:** Rick Lipner, Luke Ware, Tarryn Masterson, Iva Gobac, Cameron Speechly.

**1st:** Daniel Da Silva Ferreira, Amy Ovenstone, Devereaux Bender, Jessica Oswald.

The U17 Relay Team won their race.

Congratulations to Daniel Da Silva Ferreira who broke the U17 backstroke record.

Special congratulations to the U17 Mixed Medley Relay and Daniel Da Silva who won a gold medal at the Prestige Gala.

Well done to all the swimmers and we look forward to a very successful 2011 swimming season.

Mrs G. Fulcher  
Teacher-in-charge

# Swimming B Team

In spite of the never-ending rain during the swimming season the spirit of the B-Team refused to be dampened.

The Matrics of 2010 certainly showed the new intake of Grade 8s what it means to be in the B-Team and the Grade 8s very quickly embraced this ethos.

At the Inter-High gala against Boksburg A, Randburg Hoer A, Hyde Park B, the swimmers gave it their all and earned us third place over all. There were some fantastic performances from Madison Kriek, Shurnique Bartlett, Frances Wressell, Kerry Allin and Alexandra Blackman who won their races and went through to Prestige. Special mention also needs to be made of Connor Watson, Keagan Potgieter, Jade Bartley, Cara van der Merwe, Ryan Banks, Ross Stewart, Alexandra Blackman and Tammy Sutcliffe who swam the Individual Medleys.

As always, it was a privilege to be the coaches for the B-Team. A huge thank you to all the swimmers - you make our job so worthwhile. We will always remember this from Ross Stewart: "Did you see ma'ams, I am now one with the water!" after he had battled through two lengths of Butterfly!

Thank you to our captains: Alex Blackman, Luke Kayser, Jonathan Callebaut and Jenna Fulcher. You all did an amazing job of organizing everyone and motivating them and in engendering such tremendous spirit.

**Coaches:** Audrey Hughes and Kerry Winson

**Officials:** Mrs Van Tonder, Mrs Gilchrist, Mrs Tolstrup, Mr Farnell, Mrs Mc Cleod and Mrs Muller.

*Mrs A. Hughes*  
Teacher-in-charge

## Sun City Swim

On Saturday the 23rd of October 2010 sixteen Bryanston High School learners were at school by 6:00am ready to leave for Sun City. The two hour drive was rather long but most of us managed to catch up on some sleep.

Once we had all been entered and received our gear, we went off to the dam at Sun City. While we waited to swim our individual races we had fun in the swimming pool.

The girls started their race at 11.30. When they were finished there were some very happy faces. While the boys were swimming their race the girls went off to the Valley of the Waves where the boys joined them after their race.

There were some very surprising and unexpected results.

We all met at 4.50 to take the train ride to the bus which would bring us home.

Many thanks go to Mr Robinson, Mr Farnell, Mr and Mrs Toerien for a wonderful day.

*Jessie-jo Sutcliffe*

# Inter House Swimming

# Tennis Girls

Girls tennis 2010 has been another resounding success with forty four players participating in the open season, thirty in the junior league season, and over fifty players participating in social tennis, over and above those participating in leagues.

Our championships saw forty four players participate in a wonderful afternoon event and the finals were played at our morning breakfast where Casey Cowell and Cayley Jorgensen played a mammoth three hour match in the final. Our congratulations go to Cayley Jorgensen who was our girls champion. This year another twelve tennis players participated in the basic one tennis coaching clinic held in conjunction with Tennis Inc.

Gaynor Harris was proud to have twenty two players from Bryanston High School who have now qualified as prospective young tennis coaches. Our captain Ashleigh Van De Vyver together with our vice captain Casey Cowell, set high standards in leading our first tennis squad to second position in their league.

Cayley Jorgensen, as match secretary, has proved to be an outstanding young organizer and assists weekly with the administration in order to get 6 open teams and 4 junior teams out on Tuesdays.

Mrs Anderson has run an excellent social tennis programme on Wednesday afternoons for most of the year. Samantha White our professional tennis coach together with our own junior tennis coaches, have spent many hours preparing our young players for the tennis seasons.

Congratulations to the top six players who represented our first tennis team, they were: Cayley Jorgensen, Casey Cowell, Ashleigh Van De Vyver, Kearsney Cross-Zipp, Kelly-Jo Uren and Amanda Walters. Full tennis colours for the season were awarded to Casey Cowell and Ashleigh Van De Vyver. Junior full colours were awarded to Cayley Jorgensen and half colours were awarded to Kearsney Cross-Zipp and Team Colours went to Kelly-Jo Uren and Amanda Walters.

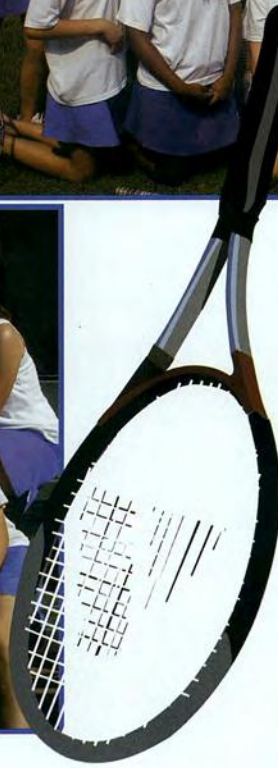

This season would not have run if it had not been for the staff who assist at practices and matches. Mrs Weir, Mrs Maxwell and Miss Njosa run with team tennis and Mrs Anderson is our social tennis organizer. Gaynor Harris is the professional coach who oversees tennis at Bryanston and we are delighted to have Sam White who is one of our ex Bryanston tennis captains as our in-house coach. Well done to everyone who has participated in this successful tennis season.

## Tennis Captains Report 2010

2010 was one of the best years in Bryanston high history. We won all of our matches and had some of the best spirited matches ever.

Bryanston high tennis can only go from strength to strength. Our 1st team has been rejuvenated with many young talented tennis players with great leadership potential and skills that will bring up the standard of Bryanston tennis greatly.

Our early morning fitness training has been a great success. It has, as expected, raised the fitness levels on both our teams dramatically with noticeable results that speak for themselves.

I would personally like to take this opportunity to thank our teacher in charge, Mr Gillespie for an awesome five years and two years of supporting me as captain.

Thanks to everyone for a great five years and for letting me lead you for two years as your captain.

Many thanks,  
*Alex Tiley*

Awards  
Full Colours

Junior colours:  
Certificate of Merit:

Team Members

First Team - Alex Tiley (captain); Sean Van De Vyver (vice captain); Abbas Pyarali; Chris Van De Vyver; Michael Wrathall; Sam Tiley; Shaquille De Jager; Brandon Schlebusch and Takudzwa Mwerenga.

*Mr M. Gillespie  
Teacher-in-charge*

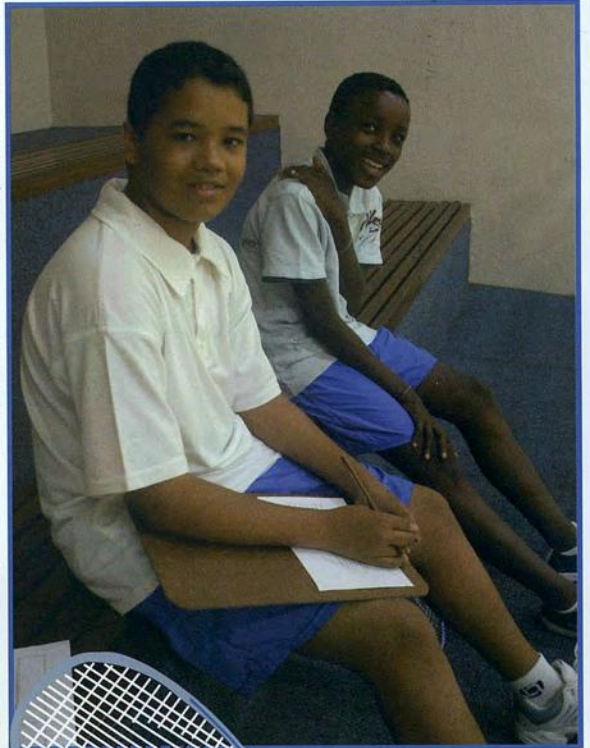

# Boys Squash

Boys squash 2010 has changed its face at Bryanston, with the dividing up of the 3 age groups between different staff members. Mr Farnell has run boys squash in the Open division, captained by Jonathan Callebaut and vice captained by Ross Stewart. Open boys squash fielded 2 teams in the league. Under 16 boys squash was run by Mr Barker and 3 teams participated in this league category. Junior squash was run by Mrs Weir and together with Michael Schlebusch and his father Louis, 12 young players learned to play squash and participated in 2 teams in this league.

Many of the young players participated in tournaments which were held around Johannesburg, a lot of skills and experience were gained by many of the players who took part in these tournaments. Congratulations to our First team players: Jonathan Callebaut, Ross Stewart, Jason Lance and Michael Louw.

Mrs B. Weir

# Girls Squash

What a team! What a season!

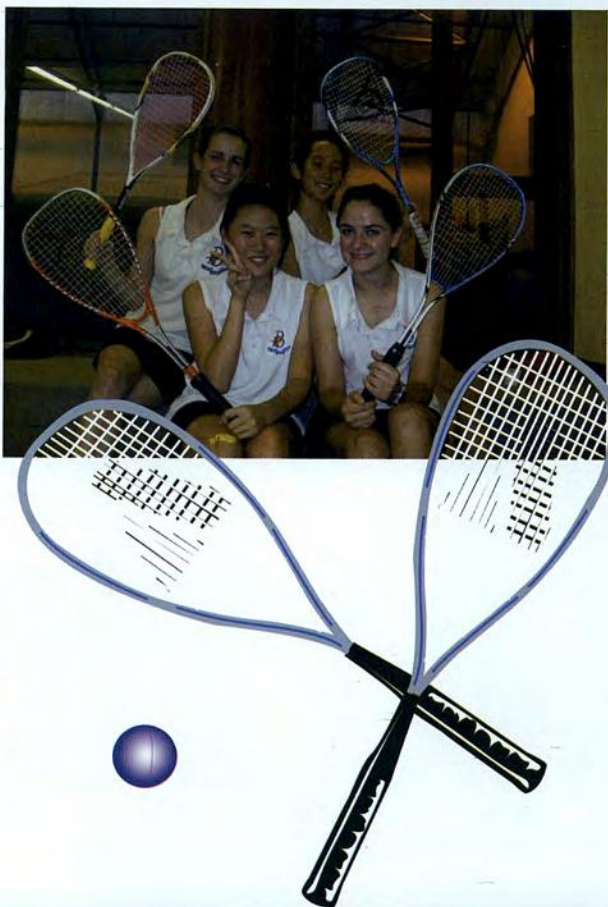

The Girls U-19B team this year had the most awesome season, compared to seasons from previous years. The team was coached by an ex pupil of Bryanston High School, David Prangley. He was very committed to the Girls squash team in both 2009 and 2010, a definite blessing to our team! The U-19B team consisting of Dominique De Villiers (captain), Grace Hong (vice captain), Courtney Parker and Ha-Rin Choi, managed to win 5 out of the 7 matches played.

The girls not only attended formal practices during the first term, but also had extra coaching with David Prangley during holidays and other afternoons to improve their skills. A noticeable improvement in skills was seen in Andrea Ferenczy and Courtney Parker. Thanks must also be given to Alex Blackman and Jessie Jo Sutcliffe for helping out with matches during the season and their dedication to girls squash over the years!

During our colours assembly, Dominique de Villiers and Grace Hong received Full colours for their commitment and leadership in squash. Courtney Parker and Ha-Rin Choi received half colours for their dedication to squash. A special thank you to Mrs Parker and Mrs De Villiers for supporting and lifting the girls throughout the season and Miss Martin for assisting with practice/match sessions! Well done girls, I am exceptionally proud of you all!

*Miss Van Rooyen*

*Girls Squash Coach and Co-ordinator*

## 1st Team:

W. Rogers (Captain), W.Frost (Vice Captain), C. Haefele, C.Stafford, S.Ralefeta, B.Schwartz, K.Naicker, B.Smith, P.Butcher, T.Mack, X.Nkuhlu

## Coaches:

Mr C Louw; Mr A Crighton

The 2009/10 season has been a mixed one for the 1st team. We played 14 matches and won 6 lost 7 and drew 1. The highlights of the season were beating Fourways three times and a fantastic 10 wicket win over Randpark.

Players who excelled for the first team were Wesley Rogers our captain who bowled consistently well throughout the season. Chad Haefele and Brett Schwartz were able back up to Wesley and both had good seasons.

Our spin bowlers did well this season. Peter Butcher had a fantastic day against Fourways in the Krugersdorp T20 festival taking 6 for 10 including a hat trick. He was ably supported by Byron Smith an up and coming off spinner.

On the batting front the team struggled to maintain consistency. We found it difficult to bat out our overs in 50-over matches. Our players need to be able to have patience and build an innings and not throw their wickets away.

One of the most promising performances of the season came from a bowler turned wicket keeper. Wade Frost took over the role of wicket keeper at the beginning of the season as we did not have a regular keeper. He turned out to be one of the best wicket keepers we have had.

We look forward to the new season with some young players coming through and can hopefully take Bryanston cricket to the next level.

I would like to thank all the coaches and scorers of all the teams for their effort and enthusiasm this past year. It has been many long hours of coaching and umpiring and scoring. Well done to our first team scorer Sabina Pauselli who has become the first scorer to score 50 matches of the first team.

# Netball

## Netball Tour 2010

Twenty-one girls and 2 coaches enjoyed the Klein-Kariba Netball experience in the April School holidays. The Melinet programme was organized by a well-known coach, Melinda de Goede, and players from Gauteng North. It was certainly all about the netball as the girls were kept busy during coaching sessions, games and fitness drills. The girls had the opportunity to experience some tough matches against their opposition from other provinces. Some memorable moments were: singing Beyonce's "If you like it then you better put a ring on it", dressing up for the beauty pageant, trying to make up team songs and not having a bus to transport our heavy bags!

Thank you to Mrs Toerien for her assistance in organizing and managing the tour.

### Touring squad:

Natasha Reynolds, Xihlovo Mabunda, Kamogelo Khatle, Kelly-Jo Uren, Alyssa Garrard, Michelle Sibanda, Nikita Sokopo, Caitlin Power, Robyn Phillips, Questia Mbombo-Zebo, Boni Rapabi, Koketso Sekhoto, Elsa Raseroka, Bianca Chabant, Amber Kayser, Megan Oosthuyse, Irene Phasiya, Jessica Callebaut, Ashleigh Barry, Kelly Cook and Ina Yankova.

*Mrs L Tolstrup*  
Tour Organizer

# Netball

## Netball - 2010

Congratulations, girls, for another happy and successful season! Yet again the league was tough as we were entered into the Super (regional) league. We played against the likes of Randburg, Roodepoort, Hydepark, Florida, Linden, Randpark, Maragon and Northcliff. Even though some teams lost many matches, the standard of play has developed and improved during the course of the season!

Thanks coaches...

I would like to thank the 6 hard working and enthusiastic coaches: Mrs T. Cook and Mrs D. De Olim (U14), Mrs N. Karcmarczyk and Mrs. E. De Lange (U15), Miss J. Pienaar (U17 and 2nd) and Mrs J. Toerien (1st). Coaching takes many hours away from family time and it is a relief to know that the BHS netball girls are in such capable hands! Thank-you for the good laughs we shared and your tremendous dedication - without you all, Bryanston Netball would not be the same! (Sometimes we are so busy that we do not get a chance to sit and chat but we remain friends because of our netball passion!)

Thanks open players...

The open girls were an absolute pleasure to see in action. Their incredible skill, natural talent, leadership and determination were seen throughout the season and for this the following girls need to be commended:

1st Team:

- GS - Natasha Reynolds (Half colours)
- GA - Xihlovo Mabunda (Junior Full Colours) and Caitlin Power (Team colours)
- WA - Kamogelo Khatle (Half colours)
- C - Kelly-Jo Uren (Captain and Full colours) and Robyn Phillips (Junior Full colours)
- WD - Alyssa Garrard (Vice Captain and Full colours) and Boni Rapabi (Half colours)
- GD - Michelle Sibanda (Full colours)
- GK - Nikita Sokopo (Full colours) and Questia Mbombo-Zebo (Team colours)

2nd Team:

Amanda Walters, Fiona Lekgoe, Mumy Baloyi, Kelsey Glass, Ponatshego Moleko, Alex Blackman and Nicole Scrooby.

Kelly-Jo and Alyssa did a superb job guiding the very young and inexperienced 1st team in the new league. They beat Crawford Lonehill, Hydepark, Randpark and Maragon. Of the 12 matches played in the season, they won 4. Goals for BHS: 218 and Goals against BHS: 257. BHS was placed 6th in the league behind Florida, Roodepoort, Randburg, Linden and Northcliff.

A sad farewell to our matriculants: Kelly-Jo Uren, Alyssa Garrard, Nikita Sokopo, Amanda Walters, Fiona Lekgoe, Mumy Baloyi, Kelsey Glass, Alex Blackman

and Nicole Scrooby who played an intricate part in the leadership of the 2009 season. You will be sorely missed, but you've left your mark on an unforgettable season!

"A" teams of 2010

- U14A: Victoria Matikinca, Daphne Mokagane, Jessica Oswald, Jessica Rapelego, Juliet Mazibuko, Lucy Makibelo and Natty Mahlangu
- U15A: Andile Ndabu, Amy Baxter, Kimberley Katende, Michelle Kekae, Laura White, Jessica Ndzwana, Nana Luzipo-Adu and Sara Mutamba
- U16A: Ashleigh Barry, Koketso Sekhoto, Bianca Chabant, Zipporah Nyokangi, Elsa Raseroka, Amber Kayser, Megan Oosthuysen, Boitumelo Baruti and Jessica Callebaut
- U17A: Shanelle Gordon, Courtney Parker, Angelica Makhlof, Donna Dikotla, Lindiwe Mpata, Nontoko Zondo and Zanele Madondo.

The future of Bryanston netball looks very promising as the U16A team was placed 5th in the super league and qualified for the Regional Championships!

Awards made at the 2010 Netball Lunch:

Best Player Certificates: Jessica Rapelego (U14A), Jessica Tavener (U14B), Michelle Kekae (U15A), Tracey Nkambule (U15B), Bianca Chabant and Zipporah Nyokangi (U16A), Mpho Makgato (U16B), Lindiwe Mpata and Nontoko Zondo (U17) and Ponatshego Moleko (2nd).

Trophy Awards:

Service to Netball: Kelly-Jo Uren

Spirit: Kamogelo Khatle

Most promising player: Alyssa Garrard

Most improved player: Nikita Sekopo

Best goal average: Natasha Reynolds

Dedication and Commitment: Alyssa Garrard

Best attack player: Kelly-Jo Uren

Best defence player: Michelle Sibanda (Gauteng Representation!)

Best Senior Player: Kelly-Jo Uren

Further thanks...

Thanks must go to those who contributed to the success of the netball season. Many thanks must go to Mrs Garrard and her team who organized refreshments during the season. Thanks to Mrs Stroud for booking our transport! Our supportive moms and dads need to be thanked for cheering from the sidelines and behind the scenes (when assisting with transport and washing pinnies).

Mrs L. Tolstrup

Netball Co-ordinator - U-16 Coach

# Girls Hockey

## Girls Hockey - 2010

2010 proved to be a superb hockey season! The girls encountered a tough blow, losing the heart and soul of Bryanston High School's Girls Hockey, Mrs Pat Deacon towards the end of the season. But the girls continued to play with passion and determination for the rest of the season. Well done girls! It was not easy coping with the passing of Mrs Deacon; she was everything to the hockey girls. Her passion for the game was instilled in every hockey player that had the privilege of playing in one of her teams. For everything you have done for us Mrs Deacon, thank you! The hockey girls will forever hold her close to their hearts and continue to play the wonderful game.

In the March holidays, the first and second team went on an exciting hockey camp to Bloemfontein where both teams went up against tough opposition. Here the girls prepared for the upcoming season. A big thank you to Mrs Hughes and Mr Harris for looking after the girls on tour.

The official league was played from March through to July. The First Team was unbeaten in all league matches and proved to be a force to be reckoned with. All players showed outstanding commitment to the team and this was shown on the field. The Second Team also played superb hockey.

Throughout the season a few girls attended trials for Southern Gauteng. Congratulations to Kirsten Seale for representing Southern U18A and to Casey Cowell, Kirstie Weber and Keyler Weber for also making Southern teams. Jenna Seale proudly represented Bryanston High in the U14A Southern Gauteng team.

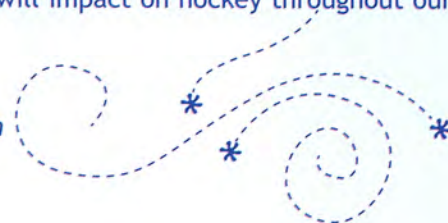

In the June holidays, Mrs Deacon and Mr Harris took 14 hockey girls on an amazing tour to Egypt. Here the girls experienced first-hand Egyptian culture and played hockey on the Cairo International AstroTurf against enthusiastic Egyptian opposition. A truly breath-taking experience!

The Third Term started with a bang as the girls went into indoor hockey played at Fourways High. Two U16 teams and two U18 teams were entered into the league and this proved to be a great learning experience for the players. The U16 team came out winners of their league when they went head-to-head against tough opposition. The U18A girls also played an outstanding season, but unfortunately lost in the final. All the teams played exceptionally well.

All girls must be congratulated on playing excellent hockey and they have a wonderful team spirit. Mrs Deacon, as always, was a superb motivator and organizer and Mr Harris has excellent tactical coaching skills. It will be sad to say farewell to the Matric girls but it is encouraging to see so many juniors coming through the ranks.

With great sadness we acknowledge the huge contribution Mrs Deacon has made to Bryanston hockey. The shock of her sudden death will impact on hockey throughout our country.

*Kirsten Seale  
First Team Captain*

# Girls Hockey

## Egypt Hockey Report

We began our hockey tour at the airport. We met Mrs Deacon, our team and boarded the plane. And then - We were finally there!!! Egypt was here, we were finally on our very long awaited tour.

What an experience to be where an ancient civilization has left its mark. Just driving along the roads, in the middle of town you would see the pyramids. They were everything anybody has ever told you - magnificent!

On our trip we toured many temples and a few museums. We rode camels and visited a perfume shop as well as a papyrus shop. We went on a 3-day cruise along the Nile and visited one of the biggest markets ever.

The men in Egypt are not like those in other countries, they find themselves very superior to the woman. You have to pay baksheesh for everything, baksheesh is a tip but in Egypt you have to pay a lot more than in South Africa.

We played five hockey matches and won them all, except for one which was played against the boy's provincial team. In Alexandria they were busy resurfacing the astro, so we played our match on a basketball court. It was not a basketball court as we know it, it had bricks. Some matches we played against 8 and 9 year olds and others we played against 16 - 17 year olds. However, we thoroughly enjoyed the hockey we played and it was a great experience.

My favourite experiences in Egypt were the pyramids and the cruise along the Nile. The pyramids are huge, one single block on the pyramid is taller than me. The pyramids are mysterious and so intriguing. It actually makes you think about what people did and why. We unfortunately did not get to go inside the pyramids. This is something I will definitely go back to do.

Mrs Deacon was our mom on tour, she helped all of us when we were sick (which most of us were) and she was always there when you needed a hug. I will never forget her saying "come on girls the soccer world cup has not started yet! - when the hockey ball hit our feet." Mrs Deacon always brought a smile to our faces and this tour would not have been the same without her. It was an honour to have Mrs Deacon there with us.

Egypt was a magnificent tour and we all enjoyed ourselves so much. Thank you to Mrs Deacon and Mr Harris, it wouldn't have been possible without you.

*Cayley Jorgensen*  
9d

# Boys Hockey

The Boys Hockey Season of 2010 was enjoyed by all with the highlight being the Tour to Bloemfontein.

The Bloemfontein Hockey Camp was a great experience for the boys. Highlights of the 2010 tour were:

- Playing matches at the famous Grey College and Eunice school for girls (on Astro and grass)
- Staying at St Andrews (Bloemfontein) hostel, as well as the top quality food that the boys received. They definitely did not go hungry.
- The traditional 'Bloemfontein sokkie' where almost 60 girls teams from all over the country attended. Most of them were Afrikaans, and it made the boys wish they paid more attention in their Afrikaans class.
- Playing Hockey all day, skills work in the morning and playing a tournament throughout the day (around two to three matches a day)
- A visit to the 'Waterfront' in Bloemfontein on the free evening during the tour

There were so many other highlights on this fantastic tour, and all that remains is to thank the parents of Bryanston Boys Hockey as well as the staff members, Mr C. Louw and Mr J. Farnell who made this tour possible. We will be going to Natal, the Kearsney College Hockey week, in April of 2011.

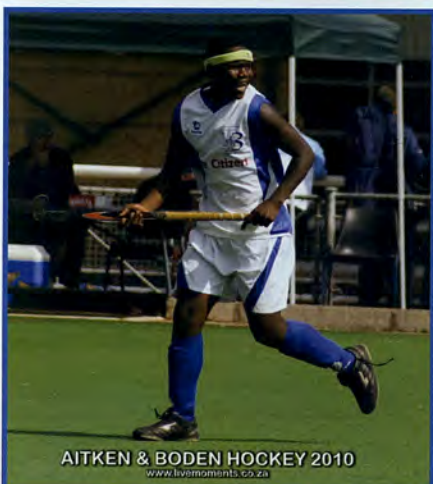

On our return from the Tour our 1st Team had high hopes for the season as a lot of bonding had been done and our fitness was at a peak. Our 1st Team had an up and down season. Bryanston High School finished 12th out of 16 schools in the Aitken Cup A-Section. It was the first time in three years that we were promoted to the A-Section and it was a wonderful challenge for the boys. We did well to maintain our A-Section status for 2011.

The 1st Team showed guts and determination during the whole season, with some excellent performances by our Matrics, namely Jonathan Callebaut, Shaun Ralefeta, Mikhael Benefeldt, Nkululeko Duma, Craig Tshabalala and Gavin Wood. William Letwaba had a wonderful season as our 1st Team goalkeeper. He was also rewarded with his provincial colours for Hockey. William is the only Grade 9 in the team and we are looking forward to many good seasons from him in the 1st team. William (together with Duma) formed the backbone of the 1st Team in 2010.

The U-14 Team is full of players that have tremendous talent. Lulama Zondi and Keagan Du Toit both attained their district and provincial colours. They have a lot of potential and it is our belief that they will grow into a more cohesive unit next year.

The U-14s also played a part in the success of the U 15 team at the Boden Trophy in 2010. The team finished 4th (out of 16 schools) and this is the best finish by a Bryanston U-15 team in the last 10 years in this tournament. Joshua Seethal was also the top goal scorer of the year (of all the teams in Bryanston), which is a tremendous achievement for an U-16 player. Special mention needs to be made of Jonathan Biggs, Thabo Morema, Joey Sasso, Michael Wood and Michael Wraththall who all had good seasons for the U 16 team. We wish them all the best as they will compete for positions in the 1st and 2nd Team next year.

The 2nd Team also had a great season. The 1st and 2nd Teams were by far the best teams this year. It was a fierce battle between the two for who would get Team of the year. Ultimately it was the 2nd Team who came out victorious, as they had performed better in the Derby days and the other important games in the season. Michael Louw had an excellent season and was awarded by being called up to the 1st team.

# Boys Hockey

I would like to thank all the coaches and players for their hard work this season, and I wish them all the best for 2011. I would also like to say a special thank you to Mr Farnell for his hard work and dedication, as well as Mr Harris who did a tremendous job after he had to take over the coaching of the Boys 1st Team at short notice.

Mr. C. Louw  
Teacher-in-charge

## Margate Tour 2010

The tour began at four in the morning. All the boys were so excited for the first game of the tour. We all met at Margate School of Sports to go through the rules for the tour and to find out who we would play against in our first game. The news came that Bryanston High School would play the big and mighty Belfour High School.

We arrived at the sports grounds to have photos taken, the boys did the war cry. The match started off slowly with some errors from the players because the nerves took over for the first ten minutes. Then suddenly there was a breakthrough - and a try was scored. That was just what the team needed and another try was scored. We were 12-0 ahead at half time and you could see that the coaches of Belfour realised that the game was on! As the second half started you could see the passion that Bryanston had. We defended well and we scored our third try of the game. The game ended 19 - 0 to Bryanston. All went well and they were back at 11 o'clock, so tired and drained by the match.

The next morning we awoke and were ready to practise against Wesvalia Hoerskool. Yes, an Afrikaans school from the south of Johannesburg; we were all ready to take on the boertjies! We had a fun day after the practice, the boys went to the beach to enjoy the sun. The boys had an early night, they had time to think of the game that was going to be played on the A field against the strong Wesvalia the following day.

The morning approached, we were ready for this. Five minutes to go and we were lining up next to the field and ready to play. There it was the kick off whistle; the match started slowly but picked up after the first ten minutes with Wesvalia scoring the first try of the game. As half-time approached the score was 21-5 to Wesvalia. The second half allowed Wesvalia to capitalise and they scored a try. With a score of 28-5 Bryanston needed to pull something out of the hat! Five minutes later Bryanston went over for their second try, and the score was 28-12. Suddenly the game started getting tougher and tougher, and in the last few minutes Wesvalia broke the line of defence and scored another try. The final score was 33-12 against Bryanston.

The loss didn't keep Bryanston from losing faith. When we came off the field we took the boys to enjoy the beach and

to think ahead for the next and final game of the tour. The boys relaxed and enjoyed their afternoon off with some sightseeing in Margate.

Sunday approached and the tour was drawing to an end. The week had gone so quickly. Sunday was spent on the beach. Monday dawned with a game against Kloof. We started preparing ourselves for one of the best and most exciting games of the tour. Bryanston and Kloof are equally matched opponents and we knew that this would be a great game.

Our defence was tested again and before we knew it we were 12-0 behind. Half time was approaching and the score ended on 18-3 for Kloof. The second half went well, but Kloof seemed to be too strong on the defence. Suddenly we went through and scored a try with the score at 18-10. The game ended with Bryanston losing 18-10 - but wow that was some game!

We left the sports grounds to spend our last day in Margate and at the beach. Next morning at 6 o'clock we woke up with the thought in our heads - the tour is done and gone.

Thanks to all the coaches who went with and made it a successful tour. I will leave you with this quote "YOU ARE NEVER A LOSER UNTIL YOU QUIT TRYING".

*Mr C. Steenkamp  
Coach*

## Rugby 2010

Once again, Rugby players at Bryanston High can hold their heads high. The season this year produced many more highlights than it did disappointments, with teams across the age groups winning about 70% of the fixtures they played in.

The First Team, although having a slow start to their season, proved to be a formidable team by the end of the season. Even though there were very few stars in the team, the results finally started going our way, when this team mastered the basics and implemented the game plan. In set pieces, the forward pack held their own in the scrums and excelled in the lineouts. The backline had flare but it was only once the forwards got the team on the front foot on second phase ball, that the devastating effects of the backline were seen. Generally the first team defended well the whole season, barring a few mishaps in the midfield, in fact their defensive strength won them a number of closely contested matches, in particular against Pinetown Boys, Kloof and Fourways.

Other memorable games were against St Andrews where we narrowly lost to starstudded St Andrews. The way in which this team matured during the season and the spectacular rugby they played towards the end of the season leaves one thinking how good they could be if we were able to keep the team the same for next year, but unfortunately there were a number of Matric players in the team, who will be sorely missed next season. The following players represented the first team: Tony Mack, Mark Matani, Blayne O' Donovan, Ferenc Kovacs, Wade Frost, Zeevon Beautement, Luke Kayser, Wesley Rogers, Richard Hallendorff, Arno Hayward, Kyle Lumsden, Shamal Bhagwandin, Callum MacIntyre and Brett Schwartz.

Our Captain Ferenc Kovacs set a new record by scoring 26 tries in one season.

*Mr J. Skelton  
Teacher in charge*

# Cheerleading

Once again our cheerleaders have proved to be a force to be reckoned with. We have had two Co-ed teams and two All Girl teams again this year with the sport continuing to grow in popularity. National Championships were held in Cape Town with the teams travelling down to Stellenbosch. Our 1st team managed to retain their title of National Champions for the 5th year in a row - no other high school team has achieved this, well done to all the cheerleaders. The All-Girl section that was started last year has been growing steadily and came 2nd at Nationals bringing home a silver medal.

This year we say goodbye to 12 Matrics, to Nadia, Mikhael, Kylie, Vaughn and Raoul - our captains we say thank-you and good luck. Nicole, Chris, Leanne, Michelle, Albert, Josh, and Sabrina our other matrics we also say thank-you and good luck.

A big thank you to our coaches for the season Candia Nash and Carryn Davidson without you the teams would not have achieved what they did.

Lara Janse Van Rensburg, Matthew Marsden, Mikhael Benefeldt, Christopher Prangley, Lara-Lee Stanton, Alyssa Garrard, Kylie Wilkinson.

### Half Colours

Taheera Bradley, Avani Beerbul, Lorna Davidson, Travis Damstra, Jeremy Watson, Tony Mack, Phillip Selwana, Michelle Van Rensburg, Albert Marais.

### Team Colours

Storm Cartwright, Rachele Jacobs, Sabrina Ceruti, Shanelle Gordon, Leanne Gerriety, Lutho Gadu. Camilla Allen, Nadia Nikolova, Kerry Macfie, Raoul Mwendanga, Shauni Muller, Michael Louw, Nicole Herdman, Lara Janse Van Rensburg, Matthew Marsden, Mikhael Benefeldt, Christopher Prangley, Lara-Lee Stanton, Alyssa Garrard, Kylie Wilkinson. Taheera Bradley, Avani Beerbul, Lorna Davidson, Travis Damstra, Jeremy Watson, Tony Mack, Phillip Selwana, Michelle Van Rensburg, Albert Marais.

### Certificates for participation

Christopher Dobie, Dylan Wingrove, Joshua Stevenson, Matthew Seale, Fazel Monyamane, Kyle Lumsden, Mohamed Kojak, Brandon Morton.

The following cheerleaders have been selected to represent Guateng

Nicole Herdman, Kylie Wilkinson, Raoul Mwandanga, Camilla Allen, Lara Janse van Rensburg, Shanelle Gordon, Michael Louw, Phillip Selwana.

# Athletics

“Obstacles don’t have to stop you. If you run into a wall, don’t turn around and give up. Figure out how to climb it, or work around it.” - Michael Jordan

... This accurately depicts the 2010 athletics season. Although the World Cup and long June holiday interrupted training and the public servants strike disrupted practices and meetings, our very enthusiastic and dedicated team of athletes were able to overcome these challenges and came out with their heads held high and the blue flame burning bright.

We were well aware going into the season that being in the A-League was going to be tough and that it would require each athlete to step up and give 100% at practices, meetings and most importantly at inter-high. The day of inter-high brought with it its usual nerves, excitement and some amazing victories. A few winners who deserve mention were Mzamo Mnguni, Bianca Chabant, Sylvester Ramalepe and Ryan Banks. Despite everyone’s best efforts BHS moves back to the B-League next year, but with the same pride and passion for the sport as shown during the season; and as Mr. Lawrence has said on numerous occasions, “I would be happy to move down to the G-League with athletes who want to run and who give of their all, than stay in the A-League and have to beg and plead with athletes to run.”

Some amazing talent and potential has come through from the new Grade 8s:

**Sprinters:** Gaby Isabelle, Jenna Seale, Madison Kriek and Sylvester Ramalepe.

**Middle Distance:** Melissa Littlefield, Mzamo Mnguni and Philasande Qaga.

An exceptionally talented Mzamo Mnguni deserves a special mention; he has won every single one of his races this season (800m and 1500m) and has run some of the best times BHS has seen in a long time. A few other juniors who have shown great potential and have

had awesome results during this season were Cayley Jorgensen, Xihlovo Mabunda and Tito Sikhosana. The seniors who had a great season are Bianca Chabant, Julia Louw, Jenny McCullough, Tanaka Javangwe, Shawn Langa, Shaun Ralafeta and Ryan Banks.

Like everything in life things come to an end, and for the Matrics the end of the athletics season is bitter sweet. The commitment and dedication shown by the Matrics during this season despite being in the middle of writing exams has been inspiring. The support shown for the captains is greatly appreciated. Although five years of running is over, five memorable years running round the athletics track will stay with us forever. Your contribution to the BHS athletics team has been truly valuable. The Matric athletes for 2010 are: Jenny McCullough, Julia Louw, Kelly-Jo Uren, Alyssa Garrard, Siobhan Viljoen, Sara Zulu, Kirsten Seale, Bernice Swart, Nicholas Affat, Ryan Banks, Shaun Ralafeta, Kono Ndlovu, Joshua Brennan, Edwin Kibugi, Mark Matani, Jonathan Callebaut and Ferenc Kovacs.

A huge thank you goes to our coaches who make the athletics season possible. Without their expertise, encouragement and support our team would not be successful and athletics would not be the rewarding sport that it is. Thank you to all the other members of staff who help in making the season possible and successful.

Thank you to all the athletes for an awesome season and allowing us to lead as your captains. We wish you all the success in the world for the future athletics season.

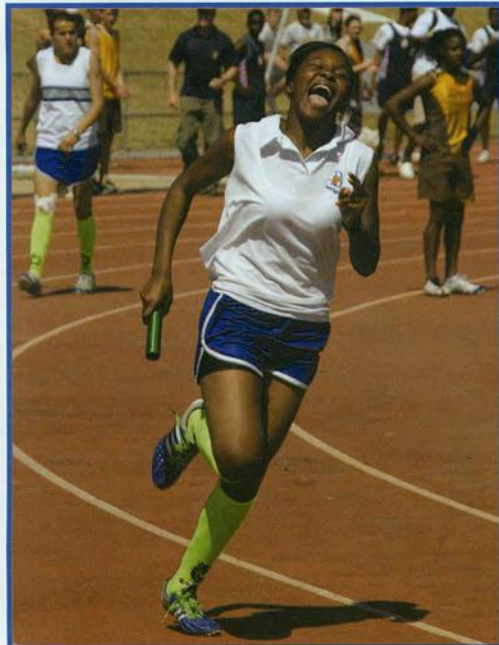

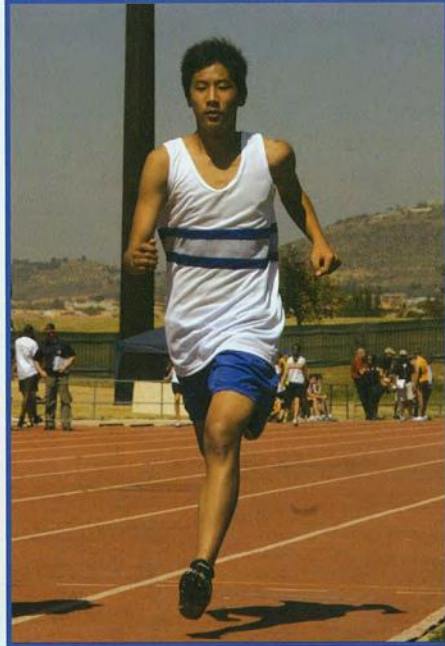

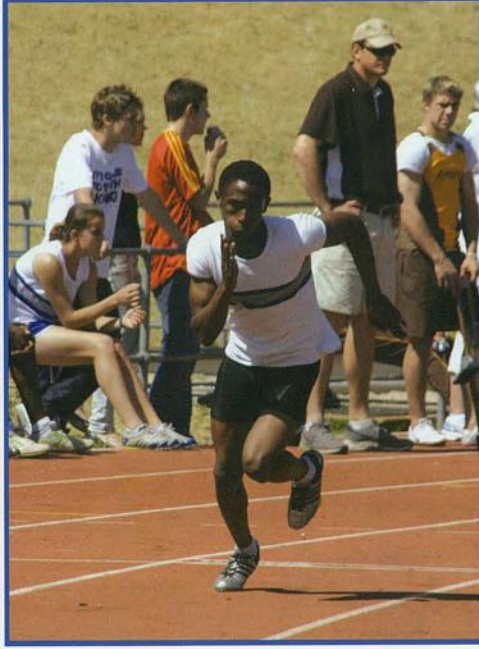

**2010 Captains:**  
Kelly-Jo Uren,  
Nicholas Affat (sprinters) and  
Jenny McCullough, Ryan Banks  
(Middle Distance)

*Mr J. Lawrence  
Teacher-in-charge*

# Athletics

# Cross Country

Cross Country is not all about times and positions, for some it's a life style and a great way to meet new people and bond with those who share a common interest, running! It has been a great season filled with fond memories and the discovery of many great athletes.

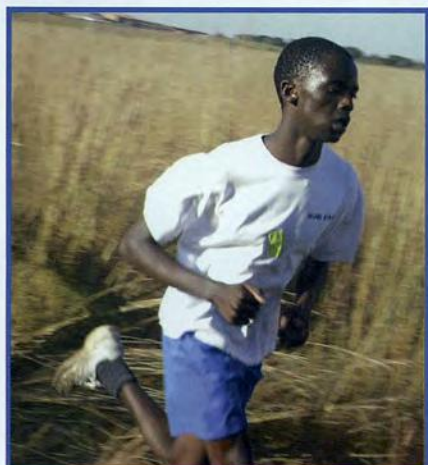

From first to last place all cross country athletes made a huge impact on the Bryanston team. This years' Cross Country season was filled with passionate athletes who have the potential to be great. Many made it through to the individual district meetings.

A great thank you goes out to all the teachers who gave up their mornings and afternoons to coach practices and take times at meetings. Hearing motivation from

the parents and staff along the route is a magnificent confidence booster and is much appreciated. The two coaches, Mr Lawrence and Ms Winson, devote all they have to the benefit of every athlete who participates in Cross Country. It is very rare to find teachers who will give up their free time for athletes, it's not always easy and enjoyable and we admire them for that.

It has been a great honour to lead the Cross Country team this year; I have come across many aspiring athletes who will carry on making Bryanston High Cross Country a great success in years to come.

*Julia Louw  
Captain 12f*

# Equestrian

Horse riding is a lot like nuts and bolts, if the rider is nuts the horse bolts! The only thing nuts about our riders is their unshakable devotion to their riding and to their noble steeds. The year started off with a bang with the introduction of our Grade 8 riders: Nicole Kennett, Megan Byrne and Jenna Seale.

Participating in four qualifying shows our riders had the chance to show their potential and contribute towards a very competitive team.

Thyla McGuinness is climbing up the ladder to success with Caitlynn Eriksen-Miller not far behind her. Jessica Sterk represented the Equestrian Team in Dressage while Victor Pike competed in 1,30m, - cruising over the jumps with ease.

Our Matric riders Natasha Flemmer and Samantha Hammond were actively involved in a number of Disciplines.

Our Bryanston riders won the C League with the following people being selected to represent Central Gauteng in the Nationals:

Jenna Seale	Central A
Victor Pike	Central B
Natasha Flemmer	Central B

A big thank you goes to Mrs Caron and all the parents for the early mornings, perseverance and support.

Here's to an awesome 2010 and wishing the Equestrian Team of 2011 the best of luck!

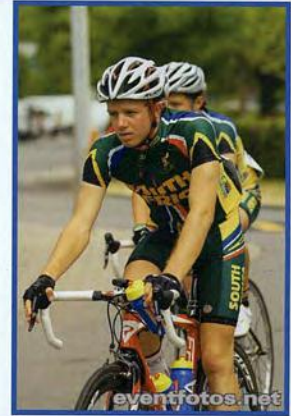

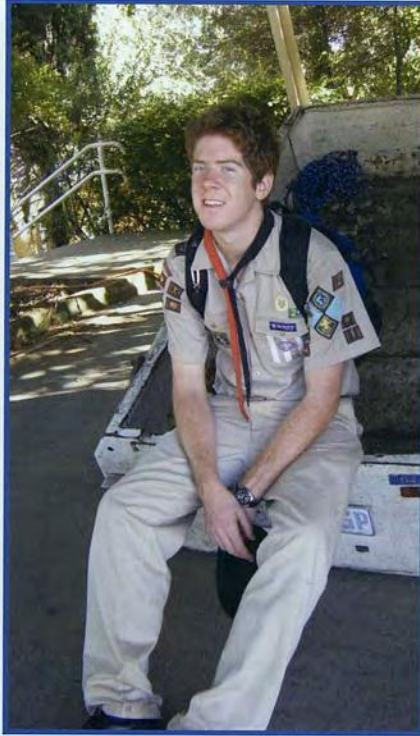

Samantha Hammond (Captain)  
Natasha Flemmer (Vice Captain)

Mrs. A. Caron  
Teacher-in-charge

# International Representatives

## National Awards

For the first time we decided to highlight learners who achieve on a national level. It gives us great pleasure to highlight

**James Fourie:** Selected for the South African Junior Cycling squad. James represented South Africa in Spain, Luxemburg, Germany Belgium and the Netherlands.

**Ross Stewart:** Achieved the highest level in scouting becoming a Springbok Scout. He joins a small and select group of young men who show outstanding perseverance and determination.

**Sean vd Vywer:** Achieved junior national tennis colours. He has worked and trained with the squad and hopes to be at Wimbledon in 2011.

**Jenna Fulcher:** Achieved Modelling National colours. Well done.

# Major Production

## Disco Inferno

What a blast! This show was very different to all its predecessors in that none of us had ever heard of it, much less seen it before. Our heartfelt thanks to Mr Antony Oosthuysen for getting inspired to search the Net and find it for us!

We had a relatively small company who worked like Trojans during our slighter shorter rehearsal period. As usual we had our ups and downs... two of the more scary downs were Stella's broken nose and Keagan's bronchial infection (neither of which was caused by, or happened at, our rehearsals!) The numerous ups included the laughs - we laughed at and with each other frequently - and those rehearsals where everything miraculously came together!

Our staff team of Miss Tam Hein, Mrs Audrey Hughes, Mr Antony Oosthuysen, Mr Willem Grobler, Mrs Teresa Cook, Mrs Joy Toerien and myself were happily enhanced by the welcome addition of Miss Karli Maartens as Executive Producer and Mrs Elise van der Merwe as Backstage Co-ordinator/ Supervisor... a job for the brave!

Special mention of Mr Andre Basson (I wrote this for the programme but he said there was no space). He has surpassed himself yet again! This year he took it ALL on his own shoulders. He did the designing (of stage, sets, programme) building, buying, painting, photography, backstage, sound and lighting etc. etc. etc. As I have said in previous reports, his talents are manifold and we reap the benefits! We are deeply grateful to him. He gives his soul to this "devil" year after year... and then again!

Once again our thanks to all Company parents. In particular Jo Sfnarnas, Brenda Degenhardt, Trudy Gaynor and Stacey Barnard. You clothed us, fed us... and then some!!!

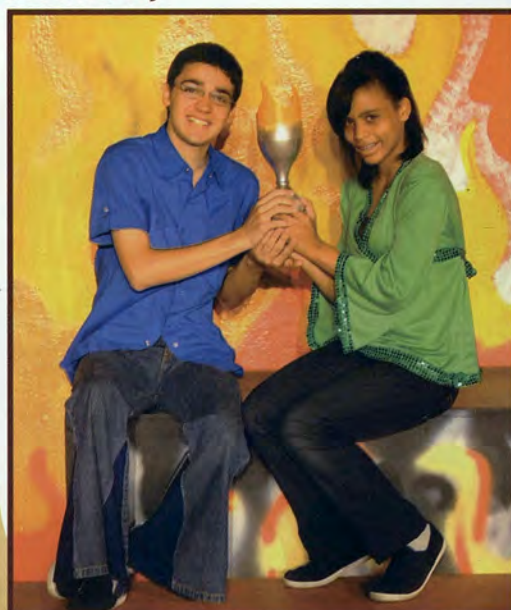

Appointing Saranti Reeder as our Musical Director three years ago was an excellent move. She is a brilliant musician and our cast are very fortunate to receive voice coaching from the expert. She is one of us and will hopefully remain one for many more years! It is great to have Vid Gobac in the band.

We have to part from yet another great bunch of Matrics. Somehow this never becomes any easier - our hearts are SORE, boys and girls. Chanel and Sabina - your whole high school you've been involved - how you have grown! To the other "long-term captives" - Chris and Jenna, followed by Nikita, René, Kabelo, Josh, Kelly-Jo and Ryan. It has been wonderful to share in your theatrical careers and hopefully some of you will study Drama further and continue to be involved. You will all be replaced in Bryanston High but no-one will ever fill your places in our hearts. We wish you all the very best for your futures. We know you all so well, and we know there are great things ahead for you all. God bless!

Finally - the behind-the-scenes people. My goodness but we struck it lucky this year! These grade Nine boys and girls ran backstage all by themselves! It's a first for me, in my many years of productions. Very well done to Shivaar, Caitlin, Avian, Tanika and Josh - we're looking forward to next year!

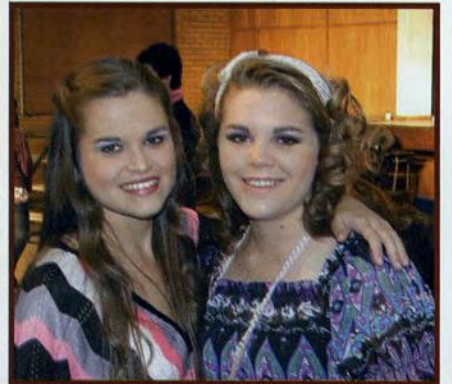

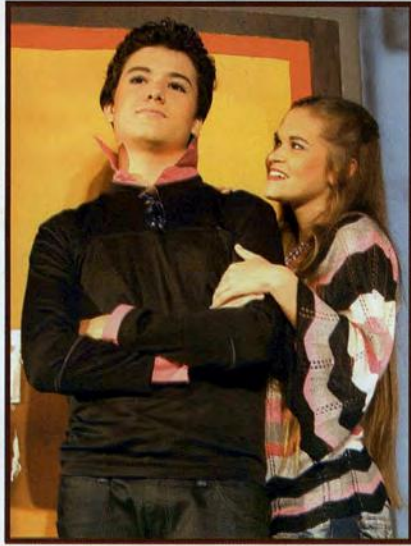

*Mrs. P. Turvey*

# Major Production

Culture

# Chess

The World Championship in chess was initiated in 1886, since then, there has always been a player recognized as world champion.

Chess, however has been in existence for a very long time, before that, and it is said to have originated in India, the Middle East and Europe.

For those who have sat at a chess-board, will know that it teaches patience, courage and perseverance, moulding knowledge and skill by imaginative forward thinking.

At Bryanston High, chess rivalries have succeeded in captivating the imagination of a number of players who have consolidated their basic skills by attending practice sessions each week. The chess players have taken part in many five-a-side matches, some won, some lost or drawn.

We look forward to hosting the inter-schools competitions again in 2011 and therefore invite all chess players to register and plan for a successful and meaningful chess adventure.

Our Chess Teams consisted of the following participants: Yueh Kuan, Cody Thomson, Malcolm Chipangura, Angela Wilson, Nina Wilson, Boitumelo Katisi,

Ntando Sibiya, Immaculate Dube, Carol Cui, Dawn Hlakudi, Wendy Dube, Kgomo Moshimane, Linda Zondi, Michael Ryan, Andrew Halstead, Craig Thrupp, Jason Di Bon, Nancy Liang Tanika Kennedy, Angela Mngadi, Deng Cui, Peter Cui, Justine van Dalen, Jeremy Thrupp, Claire Sekgobela and Emmanuel Mothibedi.

*Mrs M. Schumann; Mr N. Naicker and Mr W.j. Van Niekerk  
Chess Coaches*

# Rhetoric Society

The year began as always with the Inter School Public Speaking Competition run by the Speech and Drama Guild.

Our school was well represented in each grade and our teams were most successful. Special congratulations go to Chanel Spreiman, Belinda Rantao and Keziah Aiyer, who made up the Guild Trophy Team, and Jenna Fulcher, the Guild Trophy Individual Speaker, who were awarded A symbols.

A great deal of interest has been shown in Public Speaking this year and Internal competitions have been well supported. In Term 1 "Best Junior Speaker" was awarded to Lara Banks and "Best Senior Speaker" was awarded to Chanel Spreiman. In Term 2 Kimberly Mollett won "Best Junior Speaker" and Nikita Sokopo won "Best Senior Speaker".

This year our Senior and Junior Debating Teams joined the SACCEE Debating League and took part in 4 rounds of hotly debated contentious issues. Some of the topics included: "This House Would grant asylum to dictators in exchange for their resignation"; "This House Would support the use of performance enhancing drugs"; "This

House Would ban the wearing of religious items in public places."

Senior Debating Team: Jenna Fulcher, Chanel Spreiman, Belinda Rantao

Junior Debating Team: Winnie Jura, Rosina Kaseke, Kagiso Siphuma

During the course of the year we held a number of very successful Internal Debates where members have each taken on the roles of speaker, chairperson, time keeper and adjudicator. The society has also been proactive in attending work-shops.

A big thank you to our wonderful group of Matrics, especially Jenna, Chanel, Belinda and Nikita. Your service to Rhetoric has been invaluable and we will really miss you.

Team Colours: Jocelyn Lawrence, Jenna Fulcher, Chanel Spreiman, Belinda Rantao.

# Debs Ball

As the sun set on Friday evening the 14 May, and the excitement rose, it marked the 20th Debs and Squires Ball to be held by Bryanston High School. The elegance and grace of this evening is always spectacular and the sixty young Debs and Squires who took on the challenge to raise a minimum of R2500 were not disappointed by the quality of this evening. A huge amount of effort went into the fund raising in the form of entrepreneurial days, raffles and numerous other efforts. Mrs Stafford once again outdid herself in assisting Mrs Weir with beautiful décor to grace the evening. The sixty Debs and Squires, thoroughly enjoyed the two evenings of dancing lessons which were held prior to the Debs Ball where Mr Lawrence and Mrs Hughes taught everyone to waltz. The evening was hosted by Mrs Bev Weir and with Mrs Sam Labuschagne as Lady MC. Dinner was started with a sincere and moving grace said by Kelly-Jo Uren.

The evening culminated in the presentation of the prizes for the winning fund raisers where a total of R229 603-88 had been collected by the Debutantes and Squires. The Giving is Gold trophy was awarded to Christopher Stafford who raised R22100-00, close second was Stella Sfarnas who raised R21 562-25, third was Albert Marais with R12 421-80, fourth Jonathan Callebaut with R8 687-40 and fifth Keegan O'Reilly with R7 276-00. This year there were a further 6 Debs who had raised over R3000 and our congratulations go to Jordan Alexander, Nicole Herdman, Jenna Fulcher, Alyssa Garrard, Akira Juggath and Keely Jackson, for being in that category. A huge thank you go to Mrs Corlett and Mrs Davidson for the ongoing work that goes into the registration of the Debs and Squires and the collecting of monies. Without this administration, this fund raiser would never be able to take place.

The other prizes awarded for the evening went to our most dapper Squire who was Jonathan Callebaut. Our princesses: Third, Kylie Wilkinson; Second, Nicole Herdman and winner, Angelica Makhlof. The most elegant couple was awarded to Courtney Parker and her partner and a special award went to Angelica Makhlof and Mutsa Munyaradzi for the outstanding ongoing effort in their fund raising.

We would like to take this opportunity to salute all the participants in this very successful fund raiser. Without

the courage, enthusiasm and energy of all of you, we would not be able to have raised all this money. The new gate on Tralee Road will always stand as testament to the effort that you have all put in. This was one of the major projects that your money was put towards. The six charities that were beneficiaries have all acknowledged the donations made by your efforts and we are proud to be able to continue to support them. Well done to everyone.

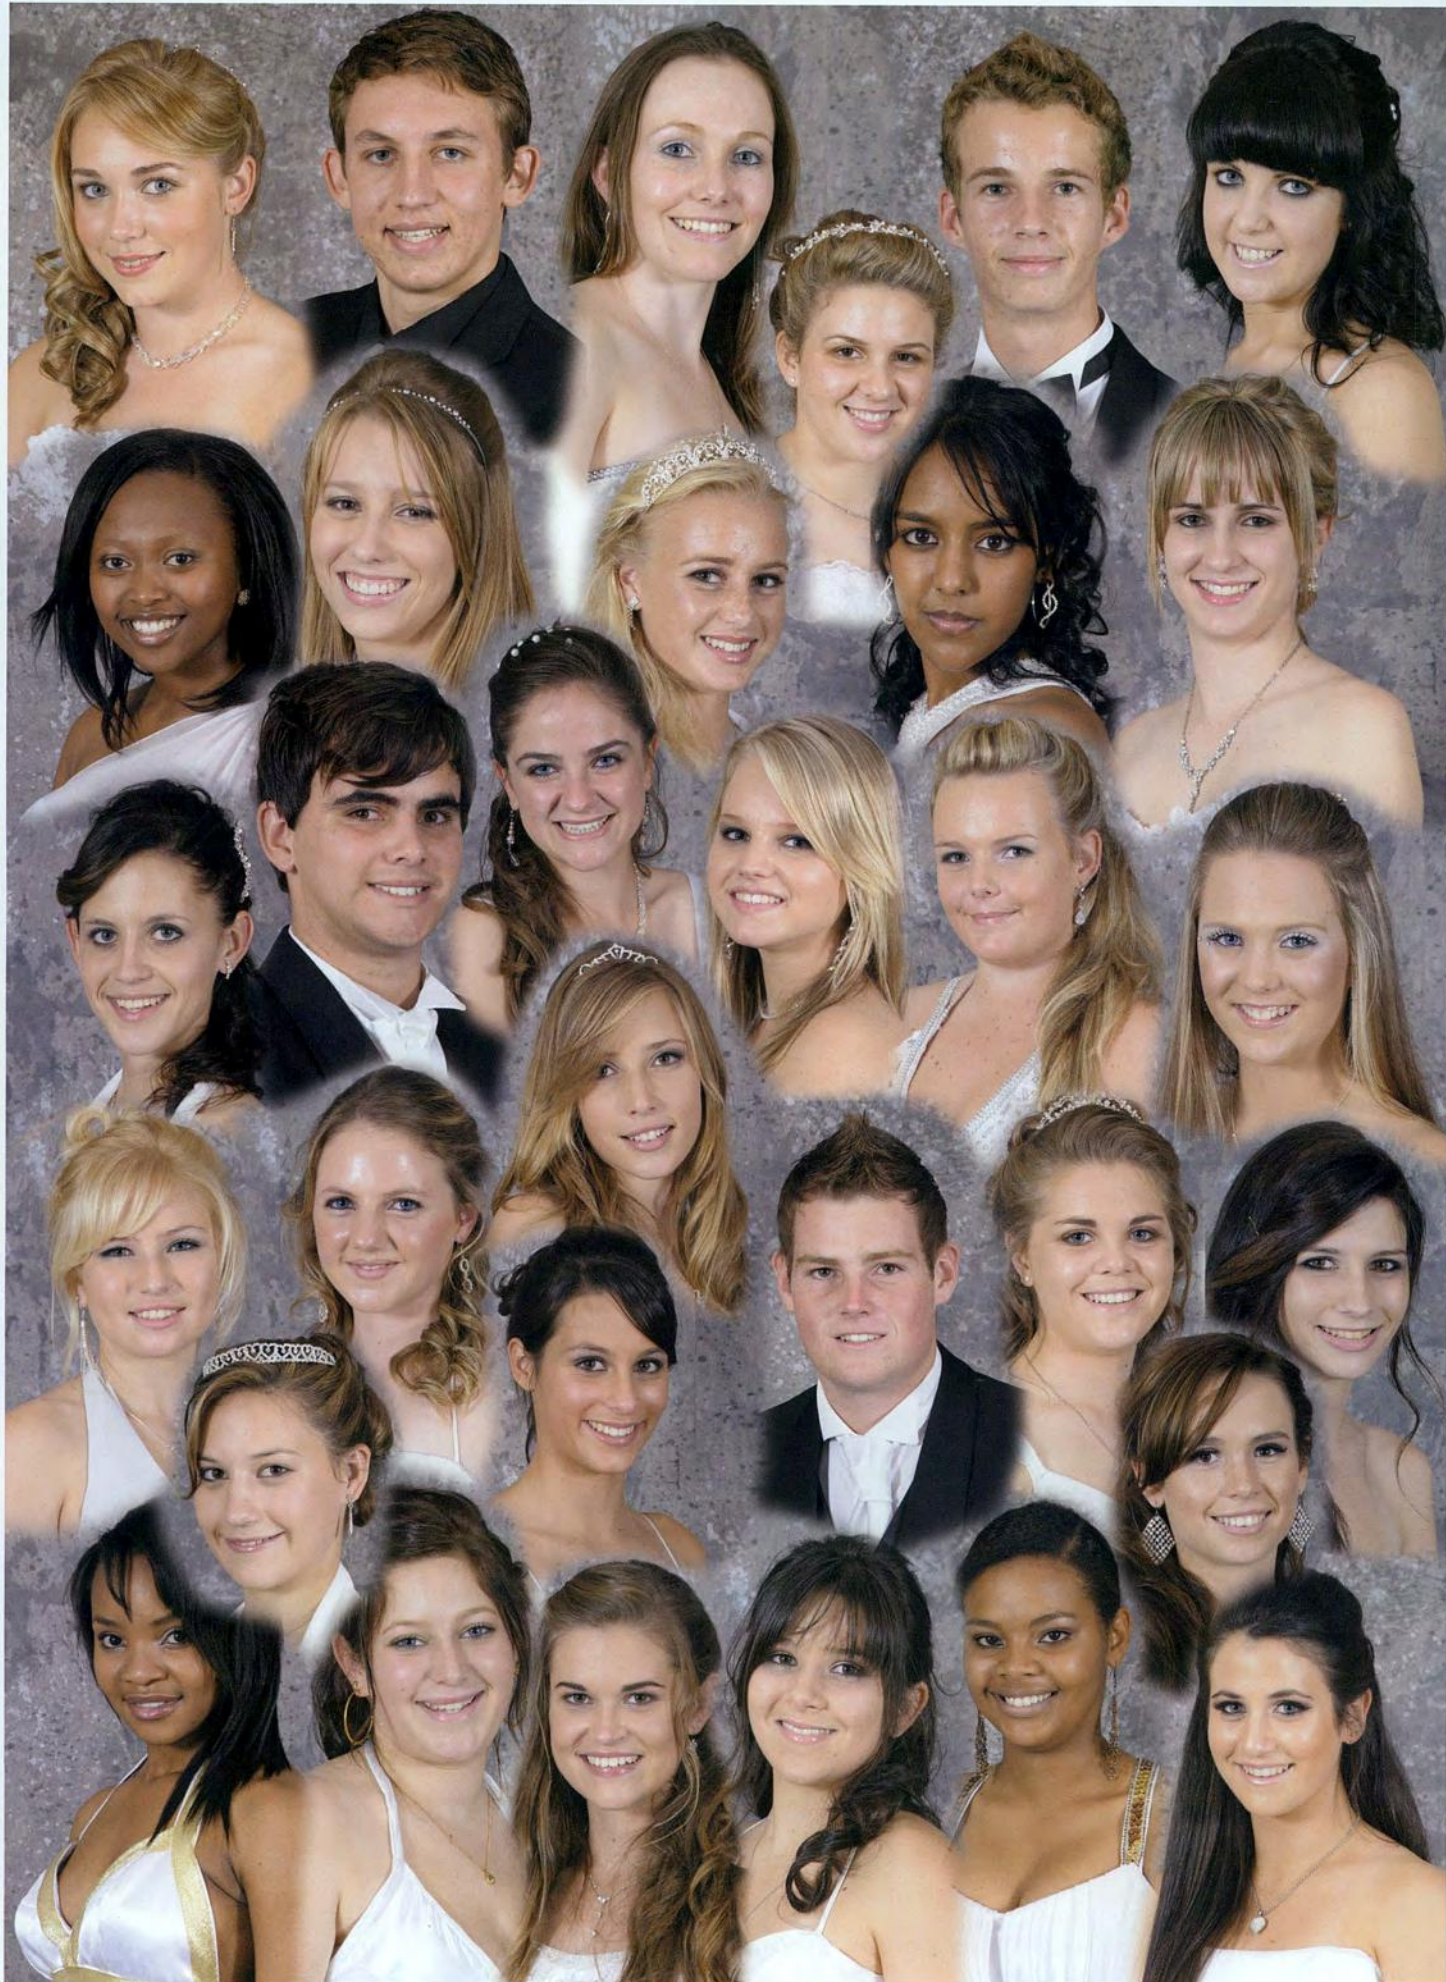

Mrs B. Weir

## Valentines Day Assembly

Being chosen as the L.I.A. executives, we knew that there would be challenging yet fulfilled events that we would have to organize. The first event being the annual Valentines Day Assembly. With 19 enthusiastic, intelligent Grade 11 pupils, we planned and organized this event with a lot of determination to make it a success. On behalf of all the executives, we would like to thank all the teachers, parents, sponsors and other pupils, who made this event possible.

*The Chairpersons*

*Erica Teng, Daniel Da Silva Ferreira, Michael Gaynor And Lindiwe Mpata.*

## Charity Committee

A group of Grade 11 learners have put together a charity committee for the purpose of helping less fortunate and underprivileged families and children.

Our Committee has gathered together large amounts of things ranging from clothes, blankets, toys and food which the Committee will be distributing to numerous charities and homes.

We have worked closely with Acres of Love and will be visiting their schools next year.

We are going to do many charity drives in 2011 and appeal to Bryanston High learners to open their hearts and contribute towards helping the underprivileged.

Mrs G. Fulcher  
Teacher in charge

## The Pageant Week - 2010

The preparation of Miss Pizzazz, Mr Bryanston and Miss Elegance was complicated, overwhelming and challenging on many levels - from the prizes, the actual theme, decorating of the hall, the entertainment, as well as the confirmation of the judges.

Yet, the week itself was spectacular. The members of the L.I.A. worked extremely well under the pressure.

The dancers were creative and kept the audience entertained. The prizes were well arranged so that every pupil who entered, received something and the decoration of the stage was designed and co-ordinated by artistic and talented pupils which added to the final touch.

Congratulations to the following pupils who won prizes as 3rd, 2nd and 1st place in Miss Pizzazz, Mr Bryanston Junior, Mr Bryanston Senior and Miss Elegance, as well as Jenna Clifford pendants:

### Miss Pizzazz

3rd Princess - Genna-Lee Uren

2nd Princess - Irene Phasiya

1st Princess - Miss Pizzazz - Monique Maseko

Mr. Bryanston - Junior

3rd Place - Dominic Brennan

2nd Place - Dominique Lemao

1st Place - Bradley Wright

Miss Elegance

2nd Princess - Shauni Muller

1st Princess - Stacey Phasiya

Miss Elegance - Nikita Sokopo

Mr. Bryanston - Senior

3rd Place - Mohamed Kojak

2nd Place - Anthony Ward

Mr. Bryanston - Nicholas Affatt

Jenna Clifford Pendants (chosen Bernie, a judge)

Most Pizzazzie - Jenna Fulcher

Personality - Alicia Lazarus and Lindiwe Mpata

Well done to all the LIA members. I am proud of you all. Thank you to all the parents, the sponsor and staff members, especially Mrs Fulcher.

*Lindiwe Mpata - 11b*

## Golf Day - 2010

On The 7th of September 2010, the LIA Committee held their annual Charity Golf day at Roodepoort Country Club. We started with the preparation of the registration table, set up the prizes as well as the golfers' "goodie bags".

The event started at 10h30, with the golfers registering and collecting their score cards, "goodie bags" and got the chance to purchase their lucky draw tickets before meeting up with their team. The LIA were split into groups for registration, a group for selling raffle tickets and two groups to man the watering holes.

The day ran very smoothly. Everyone was very impressed by the "Dream Team" which consisted of Mrs Van Tonder, Mr Oosthuysen, Miss Maartens and Mrs Stander. We also had our male staff team this year - but they could actually play golf!

The 1st and 10th holes were the waterholes, they were in memory of Mrs Deacon. The late Mrs Deacon was a constant supporter of the Bryanston High School Golf Day and this was a way of showing she will be dearly missed. At these holes we had a refreshing drink for the golfers to enjoy and they certainly did! Mrs Turvey helped at our waterholes to make sure our golfers were happy.

The dinner ceremony included an auction of paintings and pictures of rugby legends. The raffles were also drawn. The first raffle was for a wheelbarrow loaded with "goodies" and the second raffle was for a 2 night stay at any Southern Sun Resort. The top 16 two-balls all received prizes. Some of our sponsors were DSTV, Pro Shop, Golfers Digest and different restaurants in the area.

Well done to the LIA Golf Day Committee on a great and successful day. This day would not have been possible without a very special lady, Mrs K. She put her heart and soul into this day and led the LIA group to another great success.

*Camilla Allen - 11c*

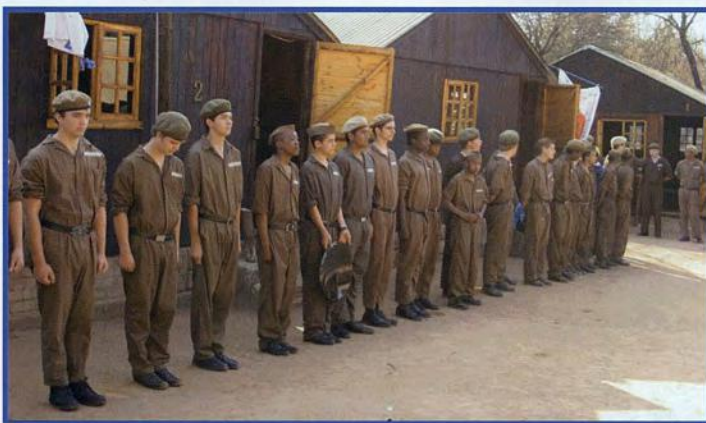

*Mrs N. Karczmarczyk  
Teacher-in-charge*

## Die Lewe Van 'n Tiener In Die 21st Eeu!

Daar is so baie struikelblokke in vandag se lewe waarin tieners elke dag moet vasloop. Die lewe is wreder as in die verlede en so plaas dit ontsettend baie druk op tieners in verskeie aspekte.

Wat lê vir 'n tiener voor in die 21ste eeu? \* Of anders gestel, wat lê vir ons voor in vandag se tyd?

Dit kan so 'n groot antwoord wees op daardie vraag, maar dit is die geselekteerde klompie wat bo almal uitstaan, wat ek dink die belangrikste is.

Eerstens is daar die probleem van groepsdruk wat tieners op hul maats plaas. Is dit regtig nodig om met die populêre groep uit te hang om te probeer cool wees?

Is dit regtig nodig om dwelms by 'n partytjie te gebruik om iets te probeer bewys, of om die verkeerde persoon te probeer beïndruk?

Tieners sukkel met emosionele probleme waar hulle partykeer nie weet wat die regte dinge is om te doen nie. Daar is verskeie omstandighede waar tieners die verkeerde ding doen om iets te probeer bewys, wat somtyds ontsettende skade of nagevolge dra. Dit kan ook op verskeie plekke gebeur, maak nie saak waar jy is nie.

In vandag se lewe speel tegnologie ook 'n groot rol in mense se lewens en so affekteer dit tieners op 'n negatiewe en positiewe manier. Die tyd wat 'n tiener op die internet spandeer is ongeveer tien tot vyftien ure per week, as dit nie meer is nie. Dit is net Facebook.

Dit word nog erger as dit by selfone kom. Seker vyf tot ses ure per dag word deur die gemiddelde matriekulant op die selfoon spandeer. 90% van daardie tyd is net Mxit! Selfone affekteer tieners op 'n negatiewe manier, want dit verminder hul studietyd en so ly hul skoolwerk daaronder. \*

Tieners probeer soms hul maats beïndruk, want sommige het 'n houding van: "as jy nie so en so is nie, sosialiseer ek nie met jou nie". Wel, as dit so is, dan het ek 'n houding wat sê: "jy is dit nie werd nie!" Ongelukkig is alle tieners nie so hardkoppig soos ek nie en sal doen wat hulle kan om saam met daardie persone te wees.

So! Die vraag bly: Is dit regtig so belangrik om saam met die ingroep uit te hang om cool te wees? Die 21ste eeu is 'n moeilike tyd vir 'n tiener om in groot te word, maar dit hang af hoe daardie individuele tiener die gevaarlike en moeilike tye sal aanvaar en hanteer.

*Chris Tregurtha Gr12*

## In Die Jaar 2058...

Die jaar is 2058. So ver as wat die oog kan sien, swart, wit, grys... Wat uitspattige groen bome was, is nou pikswart en net stokke. Die eens hemelblou lug is nou swart met siekte. Die ruines van 'n eens lewendige stad is 'n bewys van wat oorbly as haat en wraak die oorhand kry.

Anonieme mense, in grys oorpakke en maskers strompel oor die verskroeiende aarde, op soek na enige teke van lewe, of net 'n straaltjie son.

In hulle ondergrondse tunnels, is daar net kakkerlakke en 'n paar ander insekte wat oorleef het, diere is nou iets van die verlede.

Die mense sit in groepies, die enigste onderwerp waaroor hulle praat, is hoe lank die geplunderde blikkieskos hulle nog aan die lewe gaan hou.

Party blameer die Amerikaners, die ander die Moslims, ander weer die Chinese.

Die enigste feit wat bly staan, is dat kernbomme hulle bestaan vir ewig verander het. Hulle enigste hoop, is dat God hulle genadig sal wees en die aarde weer sal laat ontwaak sodat hulle weer oor kan begin.

*Claudia Wyss Gr11*

## Wat Is Die Verskil Tussen Skool En Die Lewe?

Ken jy die verskil tussen skool en lewe? Maak dit saak vir jou wat die verskil is? Noudat my skoolloopbaan tot 'n einde kom, wil ek graag weet, want nou is ek nie baie seker of ek eintlik reg is om hierdie skoolgebou te verlaat en die groot wêreld aan te pak nie. \*

Hierdie vrae het my laat dink, want volgende jaar is ek klaar met skool en op my eie om alles in die lewe self te probeer hanteer. Robert Carter het hierdie vraag mooi vir my geantwoord, hy sê: "By die skool is jy 'n les geleer en dan word jy daarvoor getoets. In die lewe, is jy 'n toets gegee en dan leer jy 'n les."

Ons hoor altyd dat ons lewens regtig sal begin wanneer ons klaar met skool is, en dat ons ná skool die meeste sal leer. Ek weet nie of ek daarmee saamstem nie, want ons het so baie geleer gedurende ons skooljare. Dinge soos

die vaardighede wat nodig is om deur die lewe te kom - te lees, te skryf, te sosialiseer, wat reg en verkeerd is, om onder druk te werk en veel veel meer. Hoeveel meer kan daar wees om te leer? Al die toetse van die lewe, om ons lesse te leer, sal 'n mors van tyd wees, want ons weet mos alles? Maar ek weet ons sal vroeër of later uitvind en dan sal ons wens dat ons die lesse vóór die toetse sou kon kry, net soos dit op skool was.

Al is ek onseker oor die toekoms, is ek nie bang nie, want ek weet ek is goed op skool deur my onderwysers en my ouers geleer, hoe om alles wat in my pad sal kom, te hanteer. Ek weet dat dit nie altyd maklik sal wees nie, maar ek weet ek kan enige probleem of uitdaging deurkom. Kom, lewe, toetse - ek is reg vir jou!

*Kelly-Jo Uren Gr12*

# French and Zulu

## Isizulu

IsiZulu it is not only the subject where an 'A' symbol is easily attainable, but it is also a subject in which it is easy to express yourself. There are many opportunities such as public speaking, debating and traditional dancing where you get to meet people from different schools and get a flair for what the Zulu culture and tradition is about. Zulu is more than just a subject, it is an experience. This year we had many competitions with other schools and Bryanston High School received 4 gold and 2 silver certificates in the Public-speaking competition. We also received a Gold certificate for our Traditional dance.

“SIYAZIQHENYA NGOLWIMI LWETHU IsiZULU”

Miss N.njoza

# Maths and Computer Science

## World Maths Day

On the 4th of March 2009, Grade 8 and Grade 9 students took part in World Maths Day.

The activity took place via the internet, and students from all around the world competed against each other answering as many mental arithmetic questions as they could within 60 seconds!

Amazingly, almost 453 MILLION questions were correctly answered around the world, and Bryanston High School contributed 41209 correct answers.

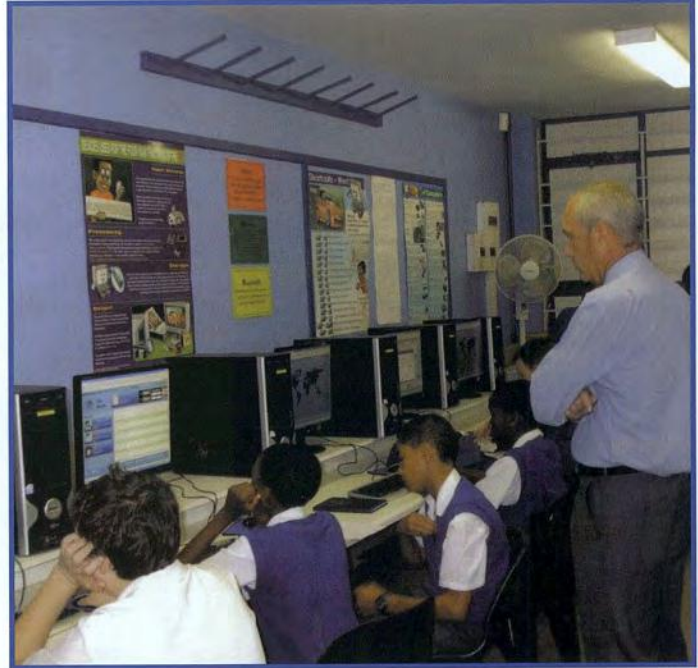

The top student was from Australia..... 12910 correct answers!!

Our top student was Zipporah Nyokangi from 9B with 1970 points!

Congratulations to all those who participated!

Maths CAN be Fun!!!

Teacher-in-charge

## Programming Weekend

On the weekend of 26 - 28 February this year Bryanston High hosted a programming weekend that was attended by university students as well as learners from other schools.

The program was an online course offered jointly by the algorithm circle of the University of Cape Town and the organizers of the South African Computer Olympiad in Python.

Python is an open source program that is promoted as a programming language at school by the Shuttleworth Foundation and SA Computer Olympiad. Participants in the annual SA School Computer Olympiad can qualify for special prizes if they win using python.

The program was hosted by Mr Doug Kisabaka who is a third year IT graduate student at UNISA. Mr Kisabaka was

a final round participant in 2007 SA Computer Olympiad. At the end of July, this year, Doug accepted an internship with Google in Paris, France.

*Mrs P. Maxwell*

The pictures below show some of the people who attended.

From left to right: Ross Stewart, JP van Wyk , Kerren Ortlepp (North Cliff High) and Mr Doug Kisabaka.

Doug Kisabaka is a former matric pupil of the IT Teacher Mr. Scott.

From left to right: TsaliClingman (university student) Stuart Edwards, Cameron Edwards, Ross Stewart, (Unknown), JP van Wyk, Justin Guedes, Kerren Ortlepp and Doug Kisabaka.

## English

This year was a most interesting one in terms of the English Olympiad. Twenty curious and questioning minds entered this Olympiad and embarked on a journey into Literature. Our setwork was entitled "Under their skin and in their shoes" which offered much scope for discussion and entertainment.

These brave young people completed a two and a half hour exam in March and the results were most satisfactory. I would like to thank these courageous individuals for their interest and dedication to this Olympiad.

*Mrs. T. Cook*  
Teacher-in-charge

### The Challenge

The theme of this year proved challenging and most enriching. All entrants had to read and make sense of seven short stories We explored and analysed these stories and were encouraged to "think out of the box".

For some this was a new experience and so they felt nervous and excited, but for others it was their third attempt and they were sad to know it was to be their last.

Monday afternoons became Olympiad minefields with opinions flowing and ideas shared. We realized how varied opinions could be and how inspirational writing is.

The exam itself was thought-provoking and varied with so many options that it became difficult to choose what to answer. We had to consider character's backgrounds and their possible responses to situations and this offered a sense of creativity.

A big thank-you to Mrs Cook for leading these sessions and for offering us this journey into the unexplored realms of Literature. This experience was most enjoyable and some of us cannot wait for next year's Olympiad.

*Nikita Sokopo, Gr12 and Erin Steenhoff, Gr11*

## World Knowledge Olympiad 2010

There were 80 entrants into this multiple choice test of knowledge covering many diverse aspects such as sports and sports heroes, films, literature, geography, science or world leaders.

It was most pleasing that this year the Grade 12 entrants reached a record number of 44 while the five entrants from Grade 8 were very brave in entering the Olympiad which is not graded to their level.

Although the "test" appeared to be simple -it was deceptively so as some of the answers were very possibly correct - but there could only be ONE perfectly correct answer.

While many of these learners could be considered as "old hands" in this Olympiad - they are all to be congratulated for being willing to meet the challenge. The top achievers amongst our Bryanston High candidates were:

Grade 8 1st	Tomelo Chinganya
2nd	Matthew Seale
3rd	Jenna Seale
Grade 9	1st Timothy Denton
2nd	Michael Wood
3rd	Dominique Brennan
Grade 10	1st Craig Thrupp
2nd	Michael Ryan
3rd	Primrose Mkanza
Grade 11	1st Erin Steenhoff
2nd	Iva Gobac
3rd	Michael Gaynor
Grade 12	1st Kuti Mahuma
2nd	Chanel Sprieman
3rd	Nthabiseng Ntanzi

# Tribute to Mrs Pat Deacon

According to American Physicist, John Archibald Wheeler, "Time is what prevents everything from happening at once."

Time is one of the most commonly used words in the English language and yet it is a force over which we have the least control.

We are saddened and devastated by the sudden and untimely passing of our beloved friend and colleague, Pat Deacon. She was always a strong, independent and generous woman, who lived her life with grace and dignity.

Pat's contribution to this school in so many teaching, sporting and administrative disciplines is well known, but it is in the discipline of hockey coaching that Pat is legendary. Bryanston's standard of hockey continues to go from strength to strength, producing many great hockey players of whom, some have gone on to playing at higher levels or become coaches and administrators at various levels.

While performing her duties as a Maths teacher and hockey coach, she still found the time to be the Chairlady of South Gauteng Girls School Hockey and Treasurer of the S.A. Schools Hockey Association. This very demanding and challenging duty was always performed effectively as we all know that Pat wanted to be successful in whatever it was that she did. Because of this she developed many friendships in every province of the country. She availed herself to select on many selection panels; attended many Inter-Provincial tournaments, chaired many South Gauteng Schools hockey meetings and attended the S.A. Schools Executive meetings. This meant giving up her own personal time on weekends and during school holidays and it was all done willingly without any form of remuneration.

Pat was a member of the U18 girls selection panel just this year in May, selecting South Gauteng U18 team, who went on to win the Inter-Provincial tournament in Potchefstroom. She drove through to watch the progress of these girls whilst preparing for her Bryanston tour to Egypt.

Bryanston High School was well known and envied for their exciting hockey tours, whether local or abroad and Pat's knowledge and wisdom of co-ordinating these tours was to be admired. If you were lucky enough to be a member of the tour group as a player or staff member, it was always in your best interest to conform, especially when it came to dressing appropriately because "Deaks" would not hesitate to let you know what she thought about your attire.

When entering her office, you would often find her at her table preparing a Maths lesson, computer on - completing a financial transaction or listing something for a player to receive at the annual hockey awards evening. She was good at Time Management. The hockey awards evening

were special because she took time out to remember some specific action, remark or incident that would have taken place during the season and every player would then be given an award for this. One had to have a sense of humour for these awards and she called them her hoopoo awards. One of the most common award for a player who would always go to the bathroom just before the match was about to begin. This player would be awarded the "potty". Believe me it happened every year! It was Deaks' special night and loads of fun.

Time changes many things, but it certainly did not change the manner in which she cared for her hockey players, year after year. Pat's ongoing willingness to innovate, to strive for excellence in her teaching and sporting disciplines, and her service to Bryanston, South Gauteng and South African hockey in going the extra mile, was exemplary. We must count that as one of the many blessings we have been lucky enough to have enjoyed. We have all had many precious moments that we have shared with her and will cherish these memories.

THANK YOU, PAT DEACON for the outstanding service you have contributed to the hockey world and for the wonderful and sincere friendship you shared with so many of us.

Until we meet again, rest in peace, dear friend.

*M. Marescia*

## Obituary - Pat Deacon

Every two years the staff put on a production for the students called Funnagalore. Pat Deacon always played a central role in the production. As much as she was passionate about her hockey and loved her Maths teaching, her real love was musicals and being on stage. On that fateful Tuesday night of Funnagalore, Pat got a standing ovation for her rendition of 'New York, New York'. At the time I said to Mrs Webb that I was amazed at where Pat found the energy to still be a central figure in our school at the age of 69. I said goodbye to her as she got into her car - I thought she looked a little tired - but little did I know that would be the last time I saw her! It was a huge shock to the whole Bryanston community when we arrived at school on that Wednesday morning, to be told that Pat never woke up.

Pat taught for 46 years, of which 42 years was at Bryanston High School. She grew up in Cape Town and soon after qualifying as a teacher, she came to Johannesburg and joined Bryanston High in the first year of its inception. Since then, Bryanston High and Pat Deacon became synonymous. Her passion for hockey made her a leading figure in the country as she steered school girl hockey continuously for the rest of her life. She started as a PT teacher but volunteered to become a Maths teacher and then proceeded to teach herself to become one of the best Maths teachers in the country. I think that epitomizes the strength of character of Pat and her passion for teaching. One wonders how many

# Tribute to Mrs Pat Deacon

students passed through her hands over 46 years and she left her mark on everyone of them, such was the power of her influence in the classroom.

Throughout this period she was an integral part of the Management of the School and she was the first and only appointed Vice Principal of the School. She constantly badgered all her principals to lead the school as she thought best and she invariably got her way!

Pat has left an irreplaceable legacy at Bryanston High - no words or deeds or memorial services will do justice to her commitment, loyalty and contribution to Bryanston High School. We are all a lot poorer for her parting but deeply enriched by the memories and legacy that she left us. She will be sorely missed!

Our condolences go to John Deacon, Pat's husband who allowed Pat to spend so much of her life at our school. Our prayers are with him at this difficult time!

Rest in Peace Pat!

*Dave Robinson on behalf of Staff of Bryanston High School.*

# Tribute to Mrs Pat Deacon

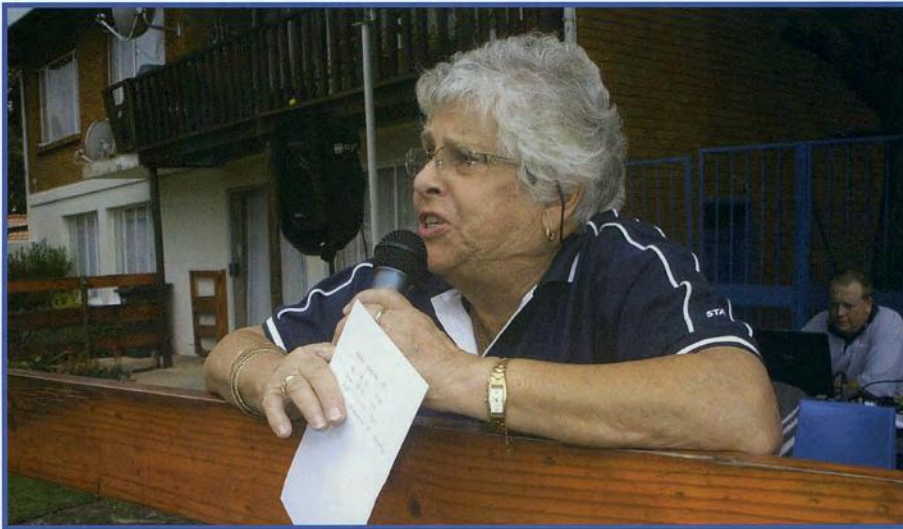

The final word from Mrs Deacon as found in her Bible:

## Death Is Nothing At All

I only slipped away into the next room. I am I and you are you... Whatever we were to each other, that we are still. Call me by my old familiar name, speak to me in the easy way which you always used. Put no difference into your tone; wear no forced air of solemnity or sorrow. Laugh as we always laughed at the little jokes we enjoyed together. Play, smile, think of me, pray for me. Let my name be ever the household word that it always was. Let it be spoken without effort, without the ghost of a shadow on it. Life means all that it ever meant. It is the same as it ever was; there is absolutely unbroken continuity. What is death but a negligible accident? Why should I be out of your mind because I am out of your sight?

I am but waiting for you, for an interval, somewhere very near just round the corner.

ALL IS WELL

# S.F.C. Catering and Gardens

Under the Chairladyship of, Mrs B. Weir, with Mrs Sue Tiley as Secretary, the sports and Functions Committee has run with twenty eight members throughout the year. This Committee meets on the first Tuesday of each month where the planning and preparation for all the functions takes place.

Many of the members take charge of different sports and activities for the different terms, and we would like to salute all the members who have helped in keeping the good name of Bryanston High.

It was with great sadness that we bade farewell to Susan Henman who left late in the year for England. Sue had done an immense amount of work in the running of our storeroom and the hiring out of equipment which helped to bring in funds for our stock.

We also say farewell to Di Garrard and Helen Herdman whose children will be matriculating. A special thanks go to these ladies who have served on the committee for the past five years, their sincere services have been invaluable and we will miss them tremendously.

The Catering Committee run by Mrs. Weir, with Akira Juggath as Chairperson and Bradley Poller as Vice-Chair has been run very efficiently throughout the year with a total number of twelve regular members. A Basic 1 catering course was held in early February and fifteen young caterers participated and were awarded their certificates after their service hours had been completed. The SFC members as well as all sports and cultural activities would like to compliment this young, efficient catering team on the outstanding service that have have provided throughout the year. Our lady staff, Yvonne, Tryphena and Malita, are always willing to assist the Catering Team with setting up and serving during the school functions. Without their assistance many of these functions would not run efficiently.

The school gardens have never looked better! Mrs Weir and William work continually on maintenance and improvements. Mrs Stafford has been instrumental in assisting with upgrading certain areas of the garden. Her knowledge and expertise is greatly appreciated and our sincere thanks for her time and effort. Mr Toerien, with a number of his staff, are also instrumental in our pride of the gardens.

Mrs. B. Weir  
Teacher-in-charge
