# CAR MAGAZINE

[www.mawhob.org](http://www.mawhob.org)

**Hello, my name is Jad, a high school student living in Jeddah, 17 years old. I am a fan of new cars and racing cars. I decided to make a magazine about my favorite group and publish it in Mawhob application. All thanks and appreciation to those in charge of the application for their support and assistance to me, and I would like to mention in particular Mr. Mazen Al-Zamel.**
