April & May 2023 | Latest news across Fosse Healthcare

Cheers Anne!

One of our wonderful clients, Anne, asked if she could head out with her carer for a refreshing cocktail and natter in light of the King's Coronation in April. Needless to say they both had a great time and want to make it more of a regular thing.

We can't wait to see some more photo's of you out and about with more fancy cocktails Anne!

Shelagh is bowled over

'It was the best day of the year so far for me!'

The lovely Shelagh from Nottingham has been a fan of bowls for some time now so when her carers found out the mens finals were taking place not too far away they decided to help get her there to watch. Shelagh was absolutely over the moon and her and her carer had such an amazing time. We hope we can take you on more bowls adventures in the future Shelagh, it looks like great fun!

Check out our amazing knitter!

Lou, one of our talented clients from Armstrong Gardens has been knitting for a number of years now and she creates some incredible stuff. Look at these amazing new one teddy bears she has done this month! You're a wizard Lou 🙌🙌

Fosse carer helps client feel 'Beautiful' again

BEFORE

AFTER

In Mansfield, one of our service users has neglected her hair for a number of years and would never let anyone help her with it. However, her care worker and ex-hairdresser, Amy has built up some trust over the last few months and developed a friendship which led to our service user accepting Amy's kind gesture of helping her revive her hair.

It took a lot of time, effort and skill for Amy but she made sure that her service user was comfortable every step of the way and stopping for breaks where necessary.

After it was done, the transformation was absolutely incredible and her emotional service user couldn't have been more grateful. She told Amy, 'Thank you, I feel beautiful!'

Amy has since been rewarded for her amazing act of kindness. This is what social care and Fosse's ethos is all about.

The King's Coronation

Last weekend saw the nation come together to watch and celebrate the Coronation of Charles III and his wife Camilla, as King and Queen of the United Kingdom and the other Commonwealth realms.

Thousands joined together to commemorate the momentous occasion, as did residents and staff across Fosse Healthcare. Coronation street parties, a BBQ and tea dances were just a few of the events planned across Fosse over the bank holiday weekend; ensuring residents were supported to be part of the historical event and enjoy the celebrations!

“Thank you for putting on such a great event, I had such a good day.”

The Coronation was streamed through large cinema screens at some of the homes and in all lounges, guaranteeing everyone who wanted to watch the significant Royal event, could do so.

Alongside the vast schedule of events planned at the homes, care staff supported residents to visit local street and garden parties they had been invited to, supporting residents to engage and interact with others outside of the care home setting.

Everyone had such an amazing weekend and it was great to see so many of you embracing the occasion.

Easter

Fun and Games

For Easter this year we put on a number of fun games, activities and events across Fosse. Some of you were fundraising for some great causes including Gladstone who raised more money towards their goal of getting a defibrillator.

If you would like to help towards any of our fundraising goals for our care homes please get in touch info@fossehealthcare.co.uk

40 years apart

A truly wonderful reuniting

After we helped to find Danny's long lost siblings, he has been reconnecting with them over the telephone. Danny has been so excited just hearing their voices and he never dreamed he would ever see them again. However, we helped make this a reality and arranged for his sister Maureen to come and pay him a visit.

So, after 40 long years, Danny met his beloved sister in an incredibly emotional reunion and we couldn't be happier for them both. We hope you have an amazing future with each other now and we can't wait to see more photos of you together.

Puzzles with Pamela

Another jigsaw completed for this crafty pair!

This April we have seen more rain than we'd have liked to but that's not been a problem with our amazing carer and her clever client, Pamela. This dynamic duo are puzzle masterminds so whenever they are restricted to staying indoors with the weather they like to start a new one. This time they created an incredible jigsaw and sent us this photo of the proud moment they were finally finished. We can't wait to see what else you guys put together - Great job!

Flower picking with Patricia

It's the little things in life that can bring us some of the most joy and this could be said from this wonderful photo sent in from Nottingham. Patricia wanted to brighten up her home so her carer took her out to pick some flowers and just look at her face! It was exactly what she wanted 🙌🙌

Some special little guests for our clients

Over the last month we've been getting some visits to our care homes from some 'tiny tots' who are providing company for our clients. Our clients have been over the moon with them coming to see them and they've requested to make it a regular thing.

Recently, they have been having some lunch together, sang some nursery rhymes and even did some arts & crafts.

We cannot wait to see more of what you get up to guys!

Words Transformer

Change the word at the top to the word at the bottom by changing one letter at each stage to form a new word every time. Make sure you match the middle word as you go!

S	A	N	D
B	U	N	K
P	I	L	E

Well done if you did it! Make sure you ask someone to take a photo of your finished work so we can post the picture online and show them in our next newsletter.
