### STAGE CLOSURE AND OPENING

GT Fabrication Bunbury Rallysprint has permission from the local government authority and the Commissioner of Police to close the roads for competition. All roads, gates and driveways leading onto the rally stage need to be closed off by manning, taping and tagging.

To ensure the safety of the public, officials and the crews the following procedure will take place.

- Before the road closure time, unused gates will be tagged.
- At the road closure time, the roads will be closed, and officials will begin to tape and tag all driveways and gates.
- Before the rally starts, **Safety Cars** will inspect all roads, gates, and driveways to ensure that they have been closed.
- The **Safety Cars** will also check that all officials and the public are in a safe location.
- Prior to the running of the Morning and Afternoon stages, and when required during the event, the **Safety Cars** will do checks of the course.
- Once all competition is finished, a **SAFETY CAR** will then traverse the stage, notifying Officials to open up roads, driveways, and gates and remove Chicanes from the road.
- Once all infrastructure has been removed then the Roads will be opened to the public.
