## Nordic Frost Edition

Sewing & Embroidery Machine

### Top Features

#### Embroidery Unit

Thoughtful engineering results in reduced noise and vibration for a more relaxing sewing experience. Building on this foundation, the updated embroidery unit features further refinements that enhance stability and smooth operation, along with an ergonomic hoop connection system that makes attaching and removing your hooped project easier than ever.

#### Free-Arm Embroidery<sup>^</sup>

Embroider difficult-to-hoop projects without opening a seam. Simply slip part of your project around the free-arm when attaching the optional Free-Arm Embroidery Hoop.

#### Reversible Hoop Capability<sup>^</sup>

The first in the industry to seamlessly embroider a specialty technique like felting or bobbin work, then continue stitching over that design with conventional embroidery. With the special techniques hoop you don't need to un-hoop your project, saving you time and frustration.

#### Embroidery Projection

Project the image of an embroidery on your hooped fabric for easy placement. See where your embroidery is to generally place a design on your project, or easily match multiple hoopings to create embroideries at the ideal size. You can use the Exact Position feature to fine-tune for absolutely perfect placement.
