PRAYER 101

the secret place

Synopsis

QuiNina J. Sinceno gives a modern-day interpretation and revelatory teaching of the model prayer in the bible given by Jesus Christ when asked, "Lord teach us to pray" by a disciple who had a desire to learn. PRAYER101 walks through the model prayer scripture by scripture. It dissects the major and minor details within each stanza with the intent to gain a clear understanding of what Jesus Christ taught His disciples. That hands-on lesson is translated in a way that everyone can glean. The younger can grasp tools to apply to their lives in pursuit of success and purposeful living. The older can enhance their legacy of prayer and experience with God to hand down to the next generations. No matter the age or stage in life PRAYER101 illuminates the door to the secret place that avails the path to answers to your prayers.

HERE'S WHAT READERS ARE

SAYING

I Thank God for inspiring you to write this book. It is needed by so many people. I love the way you explain Prayer; the need for prayer, how to pray, when to pray, where to pray, and how to expect and wait for God's answer. I have heard bits and pieces of these words in sermons throughout the years, but it is a blessing to have it written for me to share with others. I will be purchasing more copies of your book to give to my family and friends. Thank you. Thanking God, ~Lynn Harris
