

# 2025 School Fees

## Full Fee Paying International Students

International students who attend Loreto Normanhurst on a Student Visa are required to pay the full fee-paying international student fee. (CRICOS Provider Code 03931K).

### 1. Application Fee

A non-refundable and non-transferable Application Fee of \$350 is charged for each application for enrolment. This covers the administration cost associated with enrolment.

### 2. Enrolment Confirmation Fees

A non-refundable Enrolment Fee of \$3,500 must accompany the acceptance of an Offer of Confirmed Enrolment.

### 3. Tuition & Boarding Fees

All fees are in Australian dollars (AUD). Fees are set annually by the School Board and are subject to change. Any changes in fees will apply to both new and existing enrolments. Annual changes in fees do not constitute a change in conditions of entry or continuing enrolment terms and conditions.

As the School does not receive government subsidies for international students on SV500 Visas, the full fees apply for Tuition.

The Boarding Fee is the same amount for all Year Groups and is in addition to the Tuition Fee. The Boarding Fee covers all meals and laundry services etc. during term time.

An International Student Bond of \$7,000 is payable for all new boarding enrolments which is credited against the Year 12 final account. A Bond is required by the School before an official acceptance advice is issued, which will then enable a visa to be obtained. It is important for applicants to indicate if they are an international student, so the School can complete all the government requirements for a visa to be obtained without undue delay, if they are accepted.

The annual Boarding Fee for Year 12 students is payable regardless of whether the student remains in Boarding for the duration or part thereof of Terms 3 and 4.

If the international student does not start the course on the agreed day unspent Tuition Fees will be refunded within four (4) weeks of written notice.

If the international student cannot start the course on the agreed day or cannot continue in the course as the School cannot offer or continue the course, all unspent Tuition Fees will be refunded within four (4) weeks.

In the event the School is unable to deliver an agreed alternative course, or a refund, the international student can seek assistance from the Australian Government's Tuition Protection Service (TPS).
