Little Darlings Halloween

by Sally Walsh of Sillier Than Sally Designs

Assembly Instructions

Please note that 200 yard fabric is required for inner lining. Press through all instructions carefully before getting started.

1. Cut out bag pieces along outer edges. Sew fabric and cut along edges to create lining pocket.
2. With RST, fold bag piece horizontally in half. Sew both sides with a 1/2" seam allowance. Press seam open.
3. Fold & RST, take the top edge of the bag over 1/2" press.
4. Fold lining piece horizontally in half and lightly crease. Open lining and pin the wrong side of the pocket to the right side of lining where desired.
5. Edge stitch pocket to one lining along sides and bottom of pocket only.
6. With wrong sides together, insert lining piece into bag piece aligning seams and top folded edges. Pin.
7. Fold straps in half lengthwise with wrong sides together, crease. Bring folded edges together and top stitch along long edges of each strap.
8. Position and pin the raw ends of one strap into one open side of the bag top as desired. Top-stitch 1/4" around the entire top of the bag to close opening. You're finished!
