

Stu's at Ivybridge

Christmas Eve Menu

(Mystery Supper Night – Banquet Style)

Join us on Christmas Eve for an unforgettable evening filled with surprise flavours, indulgent dining, and an incredible atmosphere.

Our Mystery Banquet will celebrate the very best of the season, the very best of us and the very best of you.

Each course will be revealed on the night, showcasing elegant, seasonal dishes that will parade onto your table, transforming it momentarily into a catwalk for the Vogue A list of Stu's dishes. We will ask you to hold back momentarily while we get a few wonderful shots for the website, and then everyone can tuck in to Stu's extraordinary food.

Please inform us of any dietary requirements when you fill in the booking form on the website, and we will lean right into your needs and we will lean in like artists ... well, Stu will... and I will write about it.

Wishing you excellent adventures and good fortune in these final weeks before Christmas. Looking forward to seeing you at our table.
