Sport plus package.

New for 2026, this available package includes features such as S line exterior, black optic exterior trim, dark chrome exhaust tips, red brake calipers, carbon twill matte inlays, and Sport seats plus with ventilation and massage function. The 23" 10-spoke-trapezoid design wheels with a bicolor finish complete the look.

Vision package.

New for 2026, the available Vision package includes HD Matrix-design LED headlights with Audi laser light, headlight washers, and night vision assistant.

Plenty of room.

The Audi Q8 provides rear seat passengers with available heated rear seats and generous legroom—all while retaining its ample cargo capacity.

Front seat luxury.

Standard on Prestige, the individual contour front seats feature Valcona/Cricket leather with ventilation and massage functionality.

Bold exterior design.

The Audi Q8 reflects the Audi design language with an athletic exterior aesthetic, state-of-the-art lighting elements, and a bold take on the Singleframe[®] grille.

Sport adaptive air suspension.

New for 2026, within the Sport plus package, the available Sport adaptive air suspension electronically adjusts damper setting and ride height to optimize driving dynamics and comfort.

All-wheel steering.

Available All-wheel steering enhances low-speed handling by slightly turning the rear wheels in the opposite direction of the fronts, making tight maneuvers smoother, and at increased speed turning them in the same direction to provide stability at higher speeds.

Adaptive damping.

Standard adaptive damper suspension allows an adjustable ride setting as part of Audi drive select to tailor your driving experience between comfortable cruising and firm handling.

Audi drive select.

With individual driving mode tuning or tackling off roads, Audi drive select adjusts the engine, transmission, steering, and suspension to best fit your driving preference.

Trailer hitch.

The available trailer hitch adds versatility with an impressive towing capacity of up to 7,700 pounds. Includes tow hitch receiver and 7-pin connector.
