

Church, it is crucial that you ask yourselves this question: Am I truly prepared for what lies ahead? The darkness is growing, and many among us fail to comprehend the signs of the times. My Word urges you to be vigilant, for your redemption is near. {Luke 21: 28}

**Luke 21: 25 - 26 (KJV) 25 And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; 26 Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.**

My Church, it is crucial that you heed My Words. Many of you are going about your lives with a 'business as usual' attitude. But this is not the time for complacency. Everything is changing. Look around you; do you see the signs that the end is near?

How much louder can I speak? Devastation after devastation will continue until I get the Church's undivided attention.

I am strengthening My elected prophets and pulling down the false prophets.

**Jeremiah 1: 4 - 10 (AMP) Then the word of the Lord came to me [Jeremiah], saying, 5 Before I formed you in the womb I knew [and] approved of you [as My chosen instrument], and before you were born I separated and set you apart, consecrating you; [and] I appointed you as a prophet to the nations. 6 Then said I, Ah, Lord God! Behold, I cannot speak, for I am only a youth. 7 But the Lord said to me, Say not, I am only a youth; for you shall go to all to whom I shall send you, and whatever I command you, you shall speak.**

**8 Be not afraid of them [their faces], for I am with you to deliver you, says the Lord. 9 Then the Lord put forth His hand and touched my mouth. And the Lord said to me, Behold, I have put My words in your mouth.**

**10 See, I have this day appointed you to the oversight of the nations and of the kingdoms to root out and pull down, to destroy and to overthrow, to build and to plant.**

I am not a man that I should lie.

**Numbers 23: 19 (KJV) God is not a man, that he should lie; neither the son of man, that he should repent: hath he said, and shall he not do it? Or hath he spoken, and shall he not make it good? My words are yes and amen, and they shall come to pass.**

**Matthew 24: 35 (KJV) Heaven and earth shall pass away, but my words shall not pass away.**

I have been guiding your thoughts and shaping your understanding, so you will think in alignment with My will and speak the truth. However, some resist this influence and do not allow Me full control in their lives. As a result, they are not receiving all the blessings and protection I have for them, and when the darkness of the end times arrives, they will be vulnerable.

Now is the time I am calling forth the prodigals. They will heed My cry, turn their minds to Christ, and do mighty works for my kingdom.

# “Daughter, tell My people My Glory is Coming... ...and don't grow weary in doing it!”

“It is now the day of a new dawning for all those who have been following after me with all of their hearts. I have plans for each and every one of you and those plans are going to come to pass and the enemy cannot stop what I have already placed into motion. You can go on in complete confidence that I am in total and complete control of all things. I know the exact day, hour, and second that I am going to bring each event to pass. All you have to do is be available when I call.” **(Prophecy by Evangelist/Pastor Barbara; January 1, 2016)**

“There is a war going on in the Heavens. The battle for souls has begun. All-out war has come upon the scene. This is a no-holds-barred war. It is demonic straight from the shelf. The enemy knows no bounds of darkness. He thrives in the gross darkness and plans his diabolical war strategy in this place of darkness.

The enemy has limitless plans of destruction. There is nothing he will not do to steal, kill, and destroy the works of Light. You are My Light Bearers, and I am using you to dispel all darkness. He is a liar. I have exposed him for who he is in My Word, but still, My people listen to the lies that proceed out of his lying mouth.

John 8: 43 - 44 (NIV2011) Why is my language not clear to you? Because you are unable to hear what I say. You belong to your father, the devil, and you want to carry out your father's desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies.

Persecution is coming to the homeland. My people must be sold out to the Kingdom of Light, or they will give sway to the darkness. My Light Bearers must keep their wicks trimmed, waiting for the battle cry. I have already stationed My Angelic Host throughout the land in strategic places to fight this battle that is raging.

This is not a start-stop war. It is all-out warfare. The King of Kings controls the battles that rage against His Elect, but if you have not chosen to stand in the Victory circle, the enemy has found the crack in your armor and will attack you with a full-

force strategy designed to take you out.

NO WEAPON FORMED AGAINST YOU SHALL PROSPER {Isaiah 54: 17} is in effect for all those who have shunned all manner of evil, been washed in the Blood of the Lamb, walking in Righteousness and Holiness before a Righteous, Holy King.

Even though you are not aware of this encounter, when the war escalates, you will be endued with power from on high. You will immediately go into war mode with an incredible accuracy of how to move forward into total victory.

Spiritual warfare in heavenly places is happening right now. It's a war in the heavens. During times of spiritual warfare, you might feel alone, but you're not. God's angels are fighting with you! Solar Eclipse Reveal on April 8, 2024

by Rev. Astrid Sherriff

God tells us about the signs of His second coming and the rapture. The Lord has given us many signs, and even people do not believe.

On April 8, 2024, the Moon's shadow will completely darken the skies over parts of North America for about five minutes, turning day to night. A few centuries ago, this event was a source of fear on the part of the population, attributing supernatural powers to it.

In Joel 2: 28 - 32 After this, I will pour out my Spirit on every human being. Your sons and daughters will prophesy, you will have dreams, the old will have dreams, and the young will receive visions. 29 In those days I will pour out my Spirit even on male and female servants. 30 In heaven and on earth I will show wonders: blood, fire, and pillars of smoke. 31 The sun will be turned into darkness, and the moon will be turned into blood when the day of the LORD comes a great and terrible day. 32 And everyone who calls on the name of the LORD will be saved, for on Mount Zion and in Jerusalem there will be salvation, as the Lord has said. And among the survivors will be the calls of the LORD.

4

God is speaking to us here of the things that are to come in the nations and at the same time there will be the last revival in the nations before His second coming.

It will go through pestilences, earthquakes, and calamities, but the light in us will help the harvest to be saved. As April 8, 2024, and with it, the total solar eclipse in Mexican territory, approaches, many fans of astronomical events are carefully studying everything related to these natural phenomena, including prophecies that could be related.

The eclipse is a sign of the apocalypse: Although the Bible mentions the darkening of the sun as a sign of the end times, there is no direct relationship between the April 8 eclipse and the apocalypse.

A strong prophetic sign seems to indicate perhaps a judgment from God or a call to repentance. The Bible speaks of signs in the heavens, this means that biblically we have support and reference to understand what will happen after this event. In the Old Testament, prophets often describe eclipses or celestial phenomena as illustrations of a higher power in prophesying.

Isaiah 13: 10 The stars of heaven and their constellations will not show their light.

### Who Took Your Place

Nancy Connell

I was working on a project and this came across my path. I paused to read it and as I did tears began to fall from my eyes. So many times I have witnessed this take place in many different ways. I took some time and really examined my own heart and allowed the Holy Spirit to show me in what ways I had been treating others in an unwelcoming way or in ways that I would not want to be treating Jesus. As He would reveal to me things I would do in my own family, in public, and even to myself, I repented and asked the Holy Spirit to guide me into a way to change. It is an experience I don't ever want to forget and want to continue to work on every day of my life.

"You Took My Parking Space at Church - Original Author Unknown

One day, a man went to visit a church, He got there early, parked his car and got out. Another car pulled up near the driver, got out and said, ' I always park there! You took my place!'

The visitor went inside for Sunday School, found an empty seat and sat down. A young lady from the church approached him and stated, 'That's my seat! You took my place!' The visitor was somewhat distressed by this rude welcome, but said nothing.

After Sunday School, the visitor went into the sanctuary and sat down. Another member walked up to him and said, 'That's where I always sit! You took my place!' The visitor was even more troubled by this treatment, but still He said nothing.

Later as the congregation was praying for Christ to dwell among them, the visitor stood up, and his appearance began to change. Horrible scars became visible on his hands and on his sandaled feet. Someone from the congregation noticed him and called out, ' Hey, what happened to you?'

The visitor replied, as his hat became a crown of thorns and a tear fell from his eye, 'I took your place.'" This Easter Season let's remember, "Who took our place!"

When Jesus came back, He walked with the disciples and they did not even know who he was. He did not allow their eyes to opened until He broke bread with them and then He disappeared. {Luke 24: 13 - 25} He can do it to us and your eyes may be closed so you do not know it is Him because He chose it. Something to think about and take to heart.

How do you treat new souls who come into the house of God, your brothers and sisters in Christ, the sinner, enemy, those who have hurt you; how about those in your own home? Is how you treat Jesus or how Jesus would have treated them? There are many examples on how Jesus treated different types of people but He did forgive and move on. For all things we do, we are to be doing it as to God. A sobering thought that we need to allow to change our lives forever.

The simple answer is... **Walk in LOVE.** A lesson to learn every day of our lives as we also learn to do unto others as we would do to Jesus.

Matthew 25: 40 ESV And the King will answer them, 'Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.' Also read - Colossians 3: 23 - 24, Colossians 3: 17, Ephesians 6: 6 - 7

## Silver Is Coming Out

- Rev. Brett Connell

There has been considerable excitement in the Gold market lately with the price touching a new all-time record high of \$2,200 an ounce. However, trader's attention is now starting to turn to Silver on rising expectations that the grey metal will be next to hit new record highs.

In March, Gold prices set a new record high to surpass the yellow metals previous all-time high of \$2,159 an ounce, reached only a day earlier – extending its gains by an impressive 21%, within the short space of 5 months.

Meanwhile, Silver prices have climbed above the key psychological level of \$25 an ounce for the first time in 2024. It's likely that this is just the beginning. While Gold has seen a huge surge in momentum, the Gold-to-Silver ratio has remained relatively steady, currently trading around 87, which means it takes 87 ounces of Silver to buy one ounce of Gold.

In other words, Silver is undervalued and presents massive upside potential. We've talked before about how the value of silver is being artificially manipulated.

It's far more valuable than the price tag they have on it right now.

Silver has a habit of lagging behind whatever Gold does, sometimes for extended periods of time. But once Silver gets going, it really takes off. Historically, Gold will shoot up first and then you will see Silver take off rapidly; and Silver always outperforms.

One of the most recent examples is the pandemic era, which led the Federal Reserve to cut interest rates to stimulate a faltering economy. As a result, over an 18-month period – Gold prices tallied up a 39% gain, rising above \$2,000 an ounce. While, Silver skyrocketed above \$30 an ounce – notching up a 147% increase.

If a long list of the world's most powerful Wall Street banks are correct with their forecasts – then Silvers fortunes could be about to turn again in the second half of 2024, when the Federal Reserve is expected to start cutting interest rates.

Whichever way you look at it; one thing is clear. Silver is still relatively cheap compared with Gold and certainly has a lot of catching up to do. In my opinion, Silver is a great trade right now and the one to watch heading into the second quarter of this year. Whether it be your sterling cutlery or jewelry, those pre-1964 quarters, or the bullion you've been buying previously.

## Knowing the Resurrection

by Rev. Aaron Betz

The day of the Resurrection is the most important day in all of creation. In Philippians 3: 10, the Apostle Paul states: "I want to know Christ – yes, to know the power of his resurrection and participation in his sufferings, becoming like him in his death."

Paul makes it clear: He wants to know the resurrection of Christ. He wants every part of the redemption of the Cross active in His life - but this activation comes with another requirement: participation with the sufferings of Christ. We can think of this suffering as the price that Jesus had to pay in order for the resurrection to come to pass. If we are to be all that we can be in Christ, we need this same outlook that Paul had.

*Philippians 2: 5 - 8, BSB Let this mind be in you which was also in Christ Jesus: 6Who, existing in the form of God, did not consider equality with God something to be grasped, 7but emptied Himself, taking the form of a servant, being made in human likeness. 8And being found in appearance as a man, He humbled Himself and became obedient to death – even death on a cross.*

The Cross was a very personal thing to Jesus, and

our Cross should be a very personal thing to us. Our Cross keeps us in the will of God. It keeps us connected to His power. It keeps us connected to the path that God has for us: one of misunderstanding, trial, suffering that will end in triumph and glory. Our testimony only comes from carrying the Cross that God has given each of us to carry.

*Matthew 16: 24 - 25, BSB Then Jesus told His disciples, "If anyone wants to come after Me, he must deny himself and take up his cross and follow Me. 25For whoever wants to save his life will lose it, but whoever loses his life for My sake will find it.*

As we carry our Cross, we are deepening our fellowship with Christ. We are walking the path that God made for us which leads us into deeper anointing and fellowship with God. The further we walk, the more we become armed to overcome anything darkness can throw our way.

The Cross that Christ carried included very specific hardships: certain things that Jesus needed to walk out. Do you know what's on your Cross? What weaknesses are on your Cross? What stumbling blocks are on your path? Who is God equipping you to touch? Everything has its own unique purpose: a purpose that is eternally meaningful.

**Most Powerful Weapon  
by Sis. Grace Crescenzo**

*Can you guess what is the most powerful weapon that God gave us for spiritual warfare?*

*A couple hints: It will never fail. It casts out fear.*

**1 John 4: 18 AMP;** "There is no fear in love [dread does not exist]. But perfect (complete, full-grown) love drives out fear, because fear involves [the expectation of divine] punishment, so the one who is afraid [of God's judgment] is not perfected in love [has not grown into a sufficient understanding of God's love]."

**1 Corinthians 13: 8 AMP;** "Love never fails (never fades out or becomes obsolete or comes to an end)."

*TO LOVE is the goal of life. The only WAY that is right. The only solution to all. Love produces the perfect result. GOD IS LOVE! Therefore, it is the most powerful weapon!*

*I am not talking about temporal, natural, earthly love or physical love, but I am talking about Agape love.*

**God is Agape love!**

*Definition of Agape love in Vines's Bible Dictionary: Expresses the deep and constant "love" and interest of a perfect Being towards entirely unworthy objects, producing and fostering a reverential "love" in them toward the Giver, and a practical "love" toward those who are partakers of the same, and a desire to help others to seek the Giver.*

*This love has perfect expression among men in the Lord Jesus Christ. (1 Corinthians 5: 14, Ephesians 2: 4, Ephesians 3: 19, & Ephesians 5: 2).*

*Christian love is the fruit of His spirit in the Christian (Galatians 5: 22). Christian love has God for its primary object and expresses itself first in implicit obedience to His commandments. Self-pleasing is the negative of love to God.*

*Christian love whether exercised toward the brethren or toward men in general is not an impulse from feelings. It does not always run with a natural inclination, nor does it spend itself only upon those for whom some affinity is discovered.*

*Love seeks the welfare of all (Romans 15: 2), and works no ill to any (Romans 13: 8) but loves opportunity to do good to all men, and especially towards them that are of the household of faith.*

*Agape Love is worked in us through sanctification. Everything that we go through here on the earth (trials, tribulations, challenges, etc.) causes us to grow in character, and more understanding in Him/His love.*

*He has sacrificed everything to enable us grow in Him and in His love. HE IS LOVE! Our experiences will either change us for the better, or for the worse, depending on who we serve... the Lord, the devil, or ourselves? The last two will bring us to destruction.*

*Jesus Christ is our foundation, our plumbline, the straight and narrow way which will bring us into a pleasant end, an abundant life under the wings of His love, which satisfies and "brings no sorrow!"*

*When we have Jesus in our heart, He has made a way for us to get back up on that plumbline to reach our goal and finish our race here on earth until we meet Him in the Heavens.*

## You Chose This...

By Rev. Christopher Gore

How can you understand how to fix a problem if you don't understand the true nature of the problem? The Body of Christ in America has placed its head in the sand. I have set several signs for them to follow and know that I have brought judgment to America. Every one of these signs has been ignored. My people have become lopsided in their faith. They only see me as the Lamb. But My Word says that I am the Lion and the Lamb.

The testimony of Jesus is the Spirit of prophecy. Unless you understand this, you will walk in prophetic error. According to what I'm doing in the moment, who is blind to what I am doing in the American Church? Only My leaders, only those who proclaim to know Me, but do not follow Me. The apostate Church is ruling and reigning the airwaves of today. Their message of the Lamb only has brought much division, strife and confusion into My body.

I am turning the tide. I am causing the truth of who My son is to be brought forth by My true prophets. There will be a lot of weeping and gnashing of teeth in the days ahead for America. This is not My doing, but your own. They refuse to hear My voice. You refuse to see My goodness in all that I have done. I have purposed in My heart to make changes all across the land of America. You think you have seen cataclysmic events in the recent years. You have not seen anything yet. My Church will quickly learn that it's My way or the highway. See in My Word, I do not have to accept your offering. I do not have to accept your praise and worship. I do not have to accept you. The sooner that you understand this, the sooner you will be able to come before Me with a true and a pure heart.

Now the prophets who despised My prophesied destruction are changing their tune. It's popular now. Now they want to get on the bandwagon and tell the people what I'm doing. It is too late. This should have been done years ago. There will be a price that will be paid for every false teaching and every false word that was given in My name that caused My little ones to stumble and fall. I will hold the American Church accountable for the things that it has done and the things that it has not done. I have been judging. I have had selective judgments go across your land, but still you will not listen.

You will not hear My heart and most importantly, you will not change. Does not My word say hearing, you will not hear. Seeing, you will not see. And yet I will persist in ravaging this nation.

I am the one that is causing it to fall apart from the inside out. I said that no one will recognize this land because of the idolatry that has taken place. There is a payment that must be made for the blood that has been shed. There is a payment that has to be made for the sins that have been committed against Me. Does not My Word say whosoever sins you retain, they will be retained. You are going to find Me retaining your sins and holding you accountable in this hour. You did not choose Me. You chose the things of this world to cling to, to worship and to put above Me. You consistently violate My commandments and expect Me to bless. This will no longer be. There will be weeping and gnashing of teeth in America. This is just the beginning of sorrows. Many will think that this is the Great Tribulation. But you will soon see that this really is just My wrath being poured out against this place. I gave warning after warning after warning, but My voice was not heeded. My warnings were not received with a true and penitent heart. I've told America that there will be a day of reckoning, and that day is here.

You are going to fully understand what it is for Me to have a heart that's hardened against you. You've hardened your heart to My ways. I am going to reciprocate and cause you to understand what My wrath feels like. There was a different choice that could have been made. You could have stood as one of the brightest towers in all of the world. But you, America, have made the decision to sell your soul to your idols. The world will look at America and know that I am God. The world will see My wrath being poured out and they will turn and serve Me because of what I will do to.

America will know bondage. They will come to understand what terror really means. I am a just God, a merciful God. But America has tested the limits. You must come to know Me as I truly am. You must come to know both the Lion and the Lamb. You can no longer be lopsided in your representation of Me when I am the truth. I will correct the wrongs that you have done. But

you must understand that a price must be paid. I cannot allow you to trample My son's blood. I cannot allow you to give Me fake repentance. The repentance must be true. You are going to understand what brokenness is. And it will be from there that you will give Me what I desire. A pure and contrite heart.

What you don't know and what you refuse to see is that I have already started this process of judgment. I have been working behind the scenes to cause you to fail economically; to cause you to fail morally. It is because of your spiritual failure that these things are taking place and you will see your children go into bondage. You cannot escape what it is that I'm doing. You cannot pray your way out of it. You made the decision and I am just following through with your decision. Nothing that you say or do will stop the path that you have already started as a nation. Truth be known, I have seen what has been going on behind closed doors and I have been displeased. The Remnant will be protected but you must understand this. The rain fall fall on the just and the unjust alike. If you only understood the depth of who I am, the depth of My Word. Things may have been different.

I am going to bring to your remembrance the prophets who spoke on My behalf and who told you the truth. I am going to cause you to see your ridicule and persecution of them. It wasn't them that you were rejecting, ridiculing. It was me. I have taken it all into account and the penalty has been set.

I know what it is that I'm doing. And I know what it is that I'm trying to produce, not only in America, but in the world. America will be used in the last days, but not as you suppose. If you truly understood Me, you could see that I put negative examples in My Word. And America has reached the point in time where she will be used as a negative example of what not to do and what not to be. Hear Me and understand the depth of the love and when I say love, I say My jealousy, anger. I say things could have been so much different. But you chose this.
