

# CCA PROGRAMME

Academic Year 2025-26: Term 3

*Make the last term  
your best term*

Dear Students,

Welcome to the final edition of the Kolej Tuanku Ja'afar Co-Curricular Programme Magazine for the 25/26 Academic Year.

As we move into the final term of the year, this is a chance to finish with purpose and make every moment count. A strong finish isn't just about looking back on what you've achieved—it's about setting yourself up for what comes next, whether that's another year at school or new opportunities beyond.

There is so much to get involved in this term. With the school production taking centre stage, alongside a wide range of music, art, and creative CCAs to explore, there are plenty of ways to express yourself and try something new. At the same time, our sports programme continues to offer opportunities to compete, improve, and be part of a team.

Whatever you choose, commit to it fully. Push yourself, support each other, and take pride in what you do. Finish strong, make it count, and leave this year with memories—and achievements—you can be proud of.

Yours sincerely,

Mr Edward Richardson  
Director of Co-Curricular

## 04 KEY INFORMATION: WHAT YOU NEED TO KNOW

When and where? How many do I sign up for? Do I pay for CCAs?

## 05 HOW TO SIGN UP

Details on how to use SOCS to sign up to your CCAs

## 06 EXPRESSIVE ARTS

Unleash your creativity

## 08 COMMUNITY, FAITH AND LANGUAGES

Make a difference

## 09 PERSONAL DEVELOPMENT AND HOBBIES

Explore, learn, grow

## 10 SIXTH FORM

Lead, aspire, achieve

## 11 SPORT

Building champions for life

## 14 DAILY VIEW OF CCA PROGRAMME

See what you can do each day

# KEY INFORMATION

## WHAT CHANGES ARE THERE IN TERM 3 *(for students with exams)* ?

Students in Years 11 and 13 are not expected to sign up for CCAs this term, so you can focus on your exams. However, you can choose to join a CCA if you want to.

Students in Year 12 should sign up for CCAs this term, but will not be required to attend during their study leave period.

## HOW MANY CCAs AM I EXPECTED TO DO?

The great news is you can sign up for as many CCAs as you like, but you need to be responsible for managing a balance between your academic studies and other commitments.

**Students in Years 7 and 8 must sign up for at least 3 CCAs each week, 2 of which must be 'Sport' CCAs.**

**Students in Years 9 and 10 should sign up for at least 2 CCAs per week**

## WHEN DO CCAs TAKE PLACE?

When you sign up for a CCA, you will be able to see the day and time it is scheduled, and this will show in your personal calendar on SOCS.

## WHERE DO I GO FOR MY CCA?

CCAs take place across the school site. The location of each CCA will be included in the information provided at sign-up, and will also appear in your SOCS calendar.

## DO I PAY FOR CCAs?

The majority of CCAs are free, but some specialist CCAs do have a charge to cover additional expenses such as transport, materials or certification.

# CCA SIGN UP

Select Login Type

Staff Pupil Parent External

CCAs are organised and managed through the SOCS system, including the sign up process.

Students click on the 'Pupil' button to access the system using their school account details.

Parents can also access SOCS through the Parent Portal.

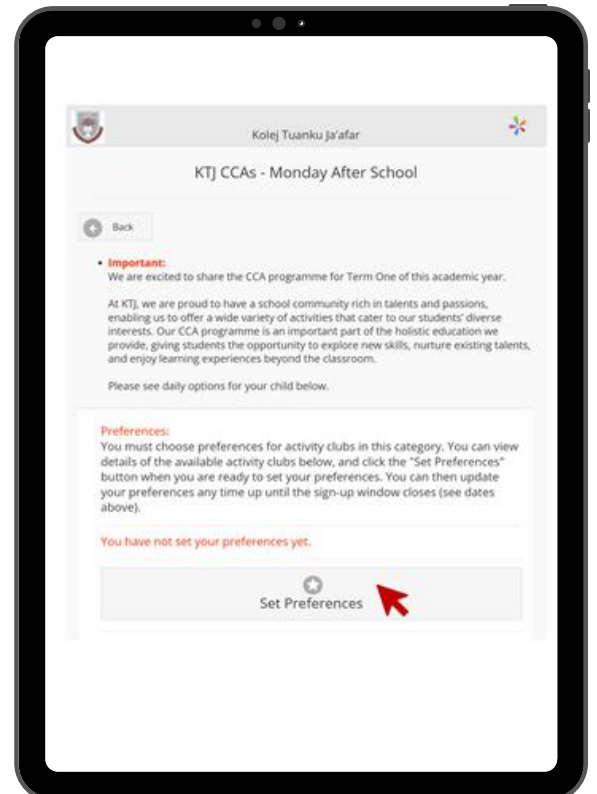

When you are in the system, CCAs are organised by days and timeslots.

For example, click on 'Monday After School' to see all the CCAs that take place on Mondays between 16:30 and 17:30.

You will only see the CCAs you are eligible for and those that still have spaces available.

Select the CCAs you would like to do in each category.

CCAs will fill up as students join them, so make sure you pick your favourite CCAs first.

If you need to talk about CCAs:

## Important information:

- **Golf and Junior Chef Club require a payment. Approval and payment will be obtained from parents before your place in these CCAs is confirmed.**
- **Golf and Wall Climbing CCAs are very popular but have limited space. Select the sessions you would want to be considered for and we will assign spaces. Your place in this CCA is not guaranteed and preference will be given to those that were not successful in their application to this CCA previously.**
- **Wall Climbing and Paddlesports will require a Level 1 certification for those that have not yet achieved this, and there is an additional charge for this.**
