

CALROSSY ANGELICAN SCHOOL

Preschool Information Booklet

Calrossy Preschool

Calrossy Preschool is a community-based preschool funded by the NSW Department of Education.

The Preschool is licenced for 25 children between the ages of 3 and 5. We are open from 8:30am - 4pm, Monday to Friday, 40 weeks of the year and closed during school holidays. Notice will be given to parents when these days occur. Calrossy Preschool has two groupings: Monday and Tuesday (3-4 year olds) and Wednesday, Thursday and Fridays (4-5 year olds) with a minimum enrolment of 2 days per week.

Our Team of Educators

Calrossy Preschool is made up of a team of high-quality professional educators who are committed to and passionate about early childhood education and care. Our staff promote the human rights, safety and wellbeing of all children and consider and respect the diverse backgrounds and needs of children.

We create an environment that promotes and enables children's participation and is welcoming, culturally safe and inclusive for all children and their families.

Our educators are continually evaluating how our curriculum meets the educational and wellbeing needs of our children and reflecting on ways to improve children's learning and development and are supported by a team of highly qualified professionals. Our educational leader and early childhood teacher guides our educators in providing quality, research based educational programs.

Our educators take into account children's learning styles, abilities, interests, linguistic and cultural diversity and family circumstances when planning and implementing learning programs. We support and respect the history and backgrounds of Aboriginal and Torres Strait Islander people and aim to foster each child's sense of identity.

All staff are encouraged and supported to attend professional training and development to further their knowledge and skills.

All staff hold valid Working with Children Checks/Cards and all Responsible Persons (placed in charge of the day-to-day running of the service) have current ACECQA approved First Aid, Emergency Asthma and Anaphylaxis qualifications.

Nominated Supervisor/Early Childhood Teacher/Educational Leader

Belinda Lockwood (Bachelor of Education-Primary, Master of Education (Early Childhood))

Educators

Paula Doherty (Diploma of Children's Services)

Merrilyn Gaffney (Diploma of Children's Services)

Karen Senn (Certificate III Children's Services)

Karly Fittler (Diploma of Children's Services)

Kristine Scott (Diploma of Children's Services)

Annette Chaseling (Diploma of Children's Services)

Our Commitment to Child Safety

Our Service is committed to ensuring the safety and wellbeing of children is maintained at all times whilst being educated and cared for by educators and staff at Calrossy Preschool. We promote a child safe environment that minimises the risk to all children in our care from all types of abuse, harm and neglect. We understand our responsibilities and statutory duty of care to adopt and comply with the National Principles of Child Safe Organisations and the Reportable Conduct Scheme to build our capacity as an organisation to prevent and respond to allegations of child abuse.

Our staff carry out their responsibilities as mandatory reporters as required by law under the Children and Young Persons (Care and Protection Act 1998) maintain up to date with knowledge of child protection law and child protection training.

Code of Conduct

The Code of Conduct establishes the standards for all employees of our Service. Employees are committed to adhere to the ethical responsibilities of early childhood professionals outlined in the Early Childhood Australia's Code of Ethics. The values that underpin our work ethic include equality, respect, integrity and responsibility.

National Quality Framework

Our Service complies with the Australian Government's National Quality Framework (NQF) which consists of the legislative framework of the Education and Care Services National Law and National Regulations, the National Quality Standard and a rigorous assessment and rating system. Our educational program and curriculum are based on the Australian Early Years Learning Framework (EYLF). We regularly self-assess our practices against the National Quality Standard and strive for continuous improvement through our Quality Improvement Plan (QIP). The QIP assists our service to identify quality aspects of care we are already providing and assists in developing future goals for further improvement. Families are welcome to provide feedback and suggestions for improvement.

Additional information about the NQF can be found at [ACECQA/nqf/about](https://www.acecqa.gov.au/nqf/about)

Regulatory Authority

Our Service is regulated by the national body for early education and care – the Australian Children's Education and Care Quality Authority (ACECQA) as well as the state licensing department in NSW. To contact our Regulatory Authority, please refer to the contact details below:

Early Years Learning Framework (EYLF)

The Early Years Learning Framework (EYLF) guides early childhood educators, early childhood teachers and approved providers to inform educational programs and practices that emphasise play-based learning and extend and enrich children's learning and wellbeing from birth to 5 years and through the transition to school.

The vision of the EYLF is:

All children engage in learning that promotes confident and creative individuals and successful lifelong learners. All children are active and informed members of their communities with knowledge of Aboriginal and Torres Strait Islander perspectives. (EYLF, V2.0, p.6)

Fundamental to the EYLF is a view of children's lives as characterised by belonging, being and becoming. From before birth children are connected to family, community, culture and place. Their earliest development and learning takes place through these relationships, particularly within families, who are children's first and most influential educators. As children participate in everyday life, they develop interests and construct their own identities and understandings of the world.

The EYLF is made up of learning outcomes, principles and practices which educators use in their documentation of children's learning and in their reflection and planning.

Communication

We work in partnership with you and your family. We support and encourage communication with your child's educators about your child's unique needs and their general enjoyment of their day at our Service.

Calrossy Preschool uses the Seesaw app to provide real time updates about your child.

We have many types of communication we use for families, including:

- o Newsletters
- o Phone calls
- o Emails
- o Letters
- o Face to face
- o Programming book
- o Formal meetings.

Enrolment Information

Prior to your child commencing at our Service, you'll be required to complete an enrolment form, provide documentation and pay the administration fee of \$110. Enrolment forms will be provided when a position at the service becomes available.

Calrossy Preschool is funded by the NSW Department of Education. There are two types of funding available that will determine the fee structure: Start Strong Funding and Fee Relief Funding. Fees are updated on a yearly basis.

Health Needs and Medical Conditions - Allergies, Asthma, Diabetes or Epilepsy

It is vital that we are aware of any medical condition including diabetes, epilepsy, allergies, eczema, asthma, risks of anaphylaxis of your child including any potential triggers. Families are required to indicate any allergy or asthma on the enrolment form.

Our Service requires a Medical Management Plan or ASCIA Asthma/Anaphylaxis Action Plan to be completed by your General Practitioner to assist in managing your child's needs. This needs to be provided prior to your child's commencement at the Service. In consultation with the Nominated Supervisor, you will be asked to develop a Risk Minimisation Plan and Communication Plan to assist our educators and staff. Any prescribed medication that your child may require must be provided each day they attend our Service.

To ensure the safety and wellbeing of your child, please update your child's Medical Management Plan/ Action Plan every 12-18 months or whenever a change in their medication or treatment occurs. (Australasian Society of Clinical Immunology and Allergy) (ASCIA).

Service Policies and Procedures

We expect our staff and families to adhere to our policies and procedures at all times to ensure we maintain compliance and abide by the National Law and National Regulations.

We are constantly reviewing our policies and procedures and ask for staff and family participation to ensure our policies and procedures adhere to the needs of our families and meet required regulations. Your involvement helps us to improve our Service and may lead us to change our policies and procedures.

Arrival and Departure

Each day, you must sign your child in upon arrival and sign out upon departure and note the date and times. We are required by legislation to maintain our attendance record at all times. This record may be used in the event of an emergency situation at the Service.

Our staff have a duty of care to your child and will only allow your child to be released into the care of either a parent, guardian or an authorised nominee as listed on your child's enrolment record. If your child needs to be collected by another person for some reason, an authority to collect form must be provided in writing to the Nominated Supervisor. Our staff may ask to view photo identification of the adult collecting your child from care to confirm their identity.

Behaviour Guidance

We encourage children to engage in cooperative and pro-social behaviour. We give children the opportunity to self-regulate their behaviours during play to develop their confidence and self-esteem. Educators follow a Behaviour Guidance Policy. We use a positive approach to guiding children's behaviour to help them develop a respect for others, for property and respect for self. If you require further information on this policy, please ask educators and refer to our Policy manual.

Wellbeing

Wellbeing is more than just feeling happy, it is about our overall health- physical, social, emotional and mental. We provide opportunities for your child to develop a strong sense of wellbeing through dance, movement, yoga, mindfulness, music and relaxation.

Physical Play

Physical play includes activities that use physical movements to allow children to use their energy, enhance their concentration, motivation, learning and wellbeing. We feel physical play is a vital part of everyday life. We believe in providing children with a range of physical activities and experience on a daily occurrence for them to challenge their large and small muscles, allowing them to gain increasing control over their bodies as they learn the importance of physical play.

Physical play provides children with the opportunity to:

- develop strong bones and muscles
- improve strength and balance
- develop Flexibility and coordination
- develop Fundamental Movement Skills
- develop spatial awareness
- develop mathematical concepts
- be confident as they learn to control their bodies and understand their limits
- learn to cooperate and share with others
- promote healthy growth and development.

Rest and Sleep

Rest and sleep routines vary according to individual needs. We aim to make rest time a relaxed, pleasant time for all children. We provide mats for children and play soft music in the background. Your child may wish to bring a security item to have at rest time. Please feel free to discuss your child's rest or sleep needs with educators. Each day we provide information about the times your child rested or slept. Quiet activities, such as puzzles and books are available for those children who do not sleep.

Sustainability

Our Service is passionate about sustainability. We believe in supporting children to appreciate and care for the environment by embedding sustainable practice into the daily operation of our Service, infrastructure and teaching. Further, we support children to appreciate that sustainability embraces social and economic sustainability as we engage in concepts of social justice, fairness, sharing, democracy and citizenship.

In order to empower our sustainability program, we emphasise children's ability to make a difference, enabling them to learn and appreciate their environment in an engaging, fun and exciting manner. We do this by engaging children in discussion about sustainable practice, developing an appreciation of the natural world, encouraging them to participate in a recycling program and reducing energy and conserving water. We aim to provide children with the skills and knowledge required to take an active role in caring for the environment and to think about ways they can contribute to a sustainable future.

Birthdays

It is very exciting for a child to be having a birthday. If a treat is required for a child's birthday it is recommended that cupcakes be provided or individually wrapped treats such as Freddos as this reduces the major allergy risks associated with food. Families are required discuss treat options with educators prior to the celebration as we monitor food and treats to ensure the safety of all children and staff. For further information, please see our Celebration Policy.

Family Belonging Tree

Our Family Belonging tree is a strong and valuable tool in our environment for your child to connect to and feel that they and their family are valued and that their family is as much a part of the Service, even if they are not always there. We will provide you will a leaf to decorate and add photos.

Sun Safety

We work in compliance with the National SunSmart Early Childhood Program to ensure children's health and safety is maintained at all times. We use a combination of sun protection measures whenever the UV Index Levels reach 3 or above. We monitor the UV index levels daily and schedule outdoor activities when levels are safe. Our outdoor environment provides shade for play experiences and we conduct regular risk assessments to ensure the play space and equipment is safe for children. We complete daily Playground Surface Temperature checks during summer months or extreme hot weather to check for potential hazards.

Children and staff must wear hats and appropriate clothing, including footwear when outside. Educators will encourage children, including by way of modelling behaviour, to avoid excessive exposure to the sun and to wear suitable sunscreen (at least SPF30 or higher broad-spectrum water resistant), which is reapplied according to the manufacturer's recommendations. We ask that children come to the Service with sunscreen already applied so they are able to participate in outdoor play immediately and not have to wait the 20 minutes after application. Consent to apply sunscreen is included in our enrolment form.

Family involvement

We welcome and encourage the involvement of all parents/families at our Service. Your ideas, experiences and skills are greatly valued and will enable us to extend each child's interests, abilities and knowledge. There are many ways for your family to be involved. We understand that our busy lives can't always afford the time, however any contribution no matter how big or small is much appreciated.

Health and Hygiene

Our Service has effective and systematic risk management systems in place to identify any possible risk of hazards to our learning environment and practices.

All staff diligently practice and model personal hygiene measures such as hand washing, cough and sneeze etiquette and disposal of tissues. We request that all children and visitors to our service wash their hands or use the alcohol-based hand sanitiser upon arrival.

Our educators teach and model correct hand washing techniques to children and regularly clean and disinfect high touch objects throughout the service to reduce the spread of infection.

When should I not send my child to the Service?

Please monitor your child's health and do not bring your child to the Service if they are suffering from any illness or infectious disease.

To minimise the spread of infections and diseases, and maintain a healthy environment for all children, educators and staff, we implement recommendations developed by the National Health and Medical Research Council (NHMRC)- Staying Healthy in Childcare. Our policies and procedures for Sick Children and the Control of Infectious Diseases are available for all families to view.

If your child becomes ill whilst at the Service, we will contact you or an authorised nominee to collect your child within a 30-minute time frame where possible. If your child is unable to be collected, educators will contact the child's emergency contact for collection. When your child is collected, you will be provided with an Injury, Incident, Trauma and Illness Record completed by the educator which includes information about your child's illness, their symptoms, general behaviour and any action taken. You will be requested to sign and acknowledge the details in this record.

Your child should not attend the Service if they have had paracetamol within 24 hours for a temperature. Children who are on antibiotics are to be kept away from the Service for the first 24 hours to allow the child to rest and the risk of spreading the infection to decrease. If your child has been vomiting or had diarrhoea, they will be excluded for 48 hours. For certain illnesses, a medical clearance certificate may be required before your child returns.

Infectious Diseases

The National Health and Medical Research Council have supplied the following information regarding minimum exclusion period for children from an early childhood education and care service. Please inform staff if your child has any of the following so that we can notify the Public Health Unit and other families of any infectious disease/illness. (Confidentiality is always maintained).

[Recommended exclusion periods- Poster](#) Staying Healthy: Preventing Infectious diseases in early childhood education and care services.

CONDITION	EXCLUSION
Hand, foot and mouth disease	Until all blisters have dried
HIB	Exclude until medical certificate of recovery is received
Hepatitis A	Exclude until a medical certificate of recovery is received, but not before 7 days after the onset of jaundice or illness
Herpes- Cold sores	Young children unable to comply with good hygiene practices should be excluded while the lesion is weeping. Lesions to be covered by dressing, where possible
Influenzas and flu-like illnesses	Exclude until well
Measles	Exclude for at least 4 days after onset of rash
Meningitis (Bacterial)	Exclude until well
Meningococcal Infection	Exclude until adequate carrier eradication therapy has been completed
Mumps	Exclude for 9 days or until swelling goes down (whichever is sooner)
Pertussis (Whooping Cough)	Exclude the child for 5 days after starting antibiotic treatment
Rubella (German measles)	Exclude until fully recovered or for at least 4 days after the onset of rash
Salmonella	Exclude until diarrhoea ceases
Streptococcal Infection	Exclude until the child has received antibiotic treatment for at least 24 hours and the child feels well
(Including scarlet fever)	
Tuberculosis	Exclude until a medical certificate from an appropriate health authority is received
Worms (intestinal)	Exclude if diarrhoea present

If your child is unimmunised according to our records, then they will be excluded until the threat has passed and upon advice of the Public Health Unit.

Medication

If your child requires medication whilst at our Service, you must complete an Administration of Medication Record to give your consent for an educator to administer prescribed medication to your child. Medication must be given directly to an educator for appropriate safe storage.

Educators can only administer medication that is:

- o prescribed by a registered medical practitioner (with instructions attached to the medication or in written form from the medical practitioner)
- o in its original packaging and have the original label clearly showing your child's name
- o before the expiry/use by date.

Any child's prescribed medication such as asthma inhalers, adrenaline auto injectors (EpiPen) or Insulin (for diabetes), must accompany the child each day to our Service or parents ensure our Service has adequate supplies of the required medication at all times.

Incidents, injury or trauma

We aim to minimise the risk of accidents and injury as much as possible however, through play, exploration and adventure, children sometimes have accidents. We always have an educator with a First Aid, emergency asthma, anaphylaxis management and CPR qualification on shift at all times we provide education and care to children. First Aid kits are located throughout the Service.

In the event of a minor injury, first aid will be provided as required. An Incident, Injury, Trauma and Illness Record will be completed and when you collect your child, you will be notified about the injury and asked to acknowledge and sign the record. If your child injures their head, even if it is a small bump, you will be contacted to advise you of the injury. Our educators will continue to monitor your child closely and advise if you should come and collect them.

If an injury or incident is serious and we believe urgent medical attention is required, the Nominated Supervisor will contact an ambulance immediately. We will attempt to contact a parent or guardian or an authorised nominee to advise of the situation. If you are unable to meet the ambulance at the Service, we will send one of our educators/staff members to accompany your child in the ambulance.

Please note that Ambulance cover is the responsibility of each family.

An Incident, Injury, Trauma and Illness Record will be completed, and a parent will be required to acknowledge and sign this record. A copy of any documentation from the hospital or treating doctor will also be requested. Our Service will also be required to notify the Regulatory Authority in the event of any serious incident or injury. In these circumstances, you may be contacted by our Approved Provider and the Regulatory Authority to follow up the incident and actions taken by our Service.

Safety in our Service

Emergency and evacuation procedures

Our Service conducts risk assessments regularly and develops emergency management plans for a range of possible hazards. Throughout the year we follow our policies and procedures to carry out emergency and evacuation drills. These may occur at any given time throughout the day and week to ensure all children know what to do in case of an emergency. Emergency and evacuation drills are carried out in a well-organised and orderly manner and will simulate a range of possible emergency situations such as fire (bush fire), lock down or flood. Under regulations, we are required to practice emergency and evacuation drills every three months. An emergency evacuation plan and lock down procedure are displayed in every room and exit locations are clearly indicated.

Drop off and pick up time

Early childhood education and care services are busy places especially during the morning drop off and afternoon pickup. We ask that parents be extremely mindful of danger when arriving and departing from our Service.

- o Please always hold your child's hand when entering and exiting the preschool.
- o Use the kerbside, rear passenger door when getting your child into and out of their restraint
- o Never leave a child or infant in the car unattended
- o Never leave the front entry door/gate open
- o Always do a visual check around your vehicle before driving
- o Please ensure children do not enter areas in the Service that are for adults/staff only.

Workplace Health and Safety

We are committed in providing an environment that is safe and healthy for every employee, volunteer, child, family and visitor. We have made every reasonable effort to minimise the risk of serious injury and request all persons to our Service to adhere to our policies regarding Workplace Health and Safety.

Each morning, our educators conduct daily safety checks of the indoor and outdoor environment and will alert management of any potential risk or hazard to children to ensure this is rectified before children use the equipment or area. We welcome all feedback regarding the safety of our Service. If you see something that concerns you regarding safe work practices, the safety of building and equipment or general work health and safety issues, please contact the Nominated Supervisor immediately

Technology

We promote safety and wellbeing of all children and are committed to ensure safe online environments when engaging in digital technology.

Photographs of your child will only be added if written authorisation has been provided on the enrolment form.

We maintain appropriate privacy of families, children and educators by not publishing any personal information online.

We use the Seesaw App for communication.

Privacy and Confidentiality

We are committed to protecting the privacy and confidentiality of children, individuals and families and have policies in place to ensure strict confidentiality is maintained.

To plan programs for your child/ren, we need to collect information from you. This information helps us to assess and plan programs in partnership with you. We do not disclose personal information about you or your child to other people or organisations without your consent, unless we are required to do so by law.

We do not ask for personal information about you or your child from other professionals or organisations without your consent. You can look at the information in your child's file at any time or request a copy of information in the file.

Our Privacy and Confidentiality Policy is available to view at any time. This policy sets out how we ensure our Service acts in accordance with the requirements of the Australian Privacy Principles and the Privacy Act 1988. We ensure all personal information is protected, records and documents are maintained and stored in accordance with Education and Care Services National Regulations and that all staff understand the requirements of the Notifiable Data Breaches (NDB) scheme. Any Privacy complaints will be managed promptly and in a consistent manner as outlined in our Dealing with Complaints Policy.

Our Service is required to keep and maintain detailed records about children, parents and staff in accordance with relative legislation contained in the National Law and Regulations and Family Assistance Law. We ensure all records are stored in a secure and locked location. We must keep records for the prescribed periods of times as legislated related to child enrolment, attendance, medication records, incident, injury, trauma and illness records, child assessments and any relevant legal information/documents. Full details about record keeping is available in our Record Keeping and Retention Policy.

*“The strength of a school comes from its stories and traditions,
but the future depends on relevance
and a willingness to adapt and innovate.”
- Calrossy Principal, Mr David Smith*
