FAIRFIELD

Modular sofa

Fairfield modular sofa

Designed to fit into your living room perfectly Fairfield has infinite possibilities – just mix and match the modules to create a sofa that fits your personal style. With nice comfort and a casual attitude this modular sofa for sure got it all. Modern lounge look, great supportive sit, and gorgeous details? Check, check, and check!

Fairfield is produced in one of our own factories where we prioritize, value, and assure professional craftsmanship and high quality

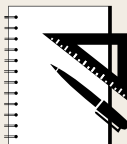

The upholstery consists of standard foam and fiber filling and are produced in environmentally friendly factories

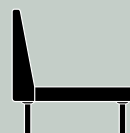

High standard quality in our fabrics ensure durability. The fabrics also meet our test requirements

Our factories have high CSR standards and meet international requirements

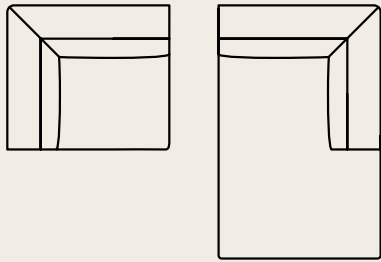

Fairfield is protected through exclusive design rights to keep your business protected against copies

Every frame is made of solid materials and produced for long-lasting support, so that you can love your Actona furniture for many years

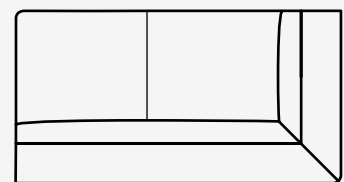

Infinite possibilities

With no more than a few elements you're able to create the sofa of your dreams. Whether you need plenty of room for guests at cocktail hour or a place to curl up for relaxing Sundays – we got you covered.

12 modules

Thousands of options

Your style Your choice

Fairfield is a luxury modular sofa that makes elegance and comfort come together in one stylish blend. All modules are fully upholstered and can be used as stand-alone items. The modules are held in place with metal brackets to make sure they don't slip apart.
