Laura and the team at the **Rising Sun** welcome you to the second annual Slip End Music Festival, **Sun Fest!**

Following the success of last year's event, we're back and bigger than ever with the incredible band **Never the Bride** headlining the lineup with **STAG** and **Paul Ryan** from the band **The Maida Vales**.

Not only do we have a fantastic musical lineup to get you rocking but we are also delighted to announce that **Chicken George** will be onsite selling their legendary chicken (trust us, it's absolutely amazing!) along with **Vincenzo's** ice cream, for those with a sweet tooth.

Sun Fest is here for the whole community to get together and enjoy the August Bank Holiday weekend with great music, great food and fun for all the family, we hope that you enjoy it!

For those of you that attended last year, you can expect the same great atmosphere, only **bigger** and **better** for 2024!

We hope you all have a fabulous day and enjoy Sun Fest.

Having invaded venues ranging from The Royal Albert Hall, playing alongside Elton John, The British Rock Symphony Orchestra and Blues festivals, Wembley Arena supporting The Who, The Viper Room in LA and Euro-fests galore – to intimate spaces like The Green Note in Camden, Never The Bride have amazed and floored audiences and peer groups alike over their 25 years of service – these ladies are true rock and roll royalty.

Roger Daltrey broadcast “*Nikki Lamborn has the best female rock voice since Janis Joplin and I know what I’m talking about, I knew Janis*”. The legendary Dame Shirley Bassey called the girls “*inspirational*”, they have performed private shows for Cher and Liza Minnelli. The ladies’ roll-call list is simply mind blowing – as are the stories they will readily share.

THE BLUES ROCK LADYS

Bristol born Nikki Lamborn carries the dynamo vocal lead, while Glaswegian, Catherine ‘Been’ Feeney asserts the ‘sonic art’ with keys and vocals. Their raw, unfettered talent is undeniable and is enough to justify the impression the girls have left on audiences throughout Never The Bride’s 25 years of global domination. Capturing the electric and unquestionable live energy, Never The Bride’s presence has also been noted as one of LA’s famous Viper Room’s top favourite moments of the past 21 years. Sunset and Clark magazine Their legendary career merely represents their journey so far – and remains a testament for what dangerously is yet to come.

STAG are a tight, high energy classic rock covers band bringing you the very best rock songs from the last 60 years. Artists covered including David Bowie, Led Zepplin, Creedance Clearwater Revival, Wings, Cars, Queen, Slade, Maroon 5, Radiohead and many more.

They have an extensive catalogue of songs available and will happily pick up new songs for that special occasion.

Steve, Tim, Andy & Gary are all pro attitude musicians with decades of band experience. They only use pro audio and lighting gear, and work hard to deliver an entertaining, engaging, and foot stomping time - every time.

You may recognise **Paul Ryan** as the frontman from the **Maida Vales**, who have previously played at the Rising Sun where they headlined the Friday night of our Big Weekend celebrations.

Paul will be playing his own original music of Western Surf pop inspired by the epic sounds of the 60's, it's promises to be a unique and original set, guaranteed to leave you wanting more!
