## *Welcome to the December 2023 edition of Grin N Share It*

As the year 2023 draws to a close, it's a time to reflect on what the last 12 months have brought us both in terms of each of us individually, but also nationally and perhaps even globally.

I'm sure it is our collective wish that the wars come to a swift conclusion, and that for each of us and our families and loved ones, we end the year surrounded by comfort, warmth and love.

## Practice News

We hope that you've all been for your check-ups and treatments this year and have enjoyed seeing all the changes around the practice. The entire team has worked tirelessly this year to ensure that each of you receives the best care and the highest calibre of service that we can offer and that as we embark on a new year, we continue to strive to achieve these high standards.

This month, we said goodbye to Dr Shamil Patel who moved on to pastures new after being at Cassio Road for 6 years. We thank him for his service and wish him the very best for the future.

In January, we will also be saying goodbye to our long-standing Hygienist Georgia who is returning to her native Hungary after being part of our team since 2011. Again, we wish her all the very best.

In their places, are delighted to welcome to our team 3 new additions which will further enhance our ever-growing skilled and experienced team here at your service. Firstly, Dr Aishaini Jogarajah, an experienced practitioner who brings with her both her endodontic skills which she is further developing by studying for her Master's degree, and also her knowledge from having practised in Australia. Click [here](#) for more information about Dr Jogarajah.

Secondly, we welcome Dr Natasha Sahasrabudhe, who graduated in Dentistry from Valencia, Spain and has been working in practices in London and Kent before joining us. Please join us in welcoming them both. Click [here](#) for her biography on our website.

Finally, our new hygienist Marianna also begins with us in January 2024. She too, is an experienced hygienist having worked in several practices in and around London. She will join Teresa and Diana in complementing the hygiene team who continue to provide you all with excellent treatments and services. We warmly welcome Marianna to Cassio Road Dental.

## Other News

A few gentle reminders:

As the practice has expanded significantly, it is natural that there will on occasion, be some issues with car parking. Please be mindful when parking so as not to cause obstructions. It is also advisable to attend a few minutes early for your appointments so that you are able to find adequate parking.
