

## OPPORTUNITIES FOR **VETERANS**

Offering FREE year-round activities for Veterans with or without physical disabilities, TBI and PTSD

# CAMPS & EVENTS

In addition to our weekly Wednesday program, we offer many one day and multi-day camps and events through out the year based on the interest from the veterans. During the winter months we offer many cross-country ski clinics, excursions and a Nordic Biathlon Camp. During the summer months, we offer a series of challenging events, including a dedicated hike for female veterans, a trek up Mt Katahdin, and various other hike and bike trips in collaboration with our partners, the Azimuth Check Foundation in NH. These multi-day events have limited spots and require advance registration.

Our mission with these extended camps is to spend more time with fellow veterans who may have had similar experiences in the military. It is less about the activity and more about the healing qualities of spending time with fellow veterans.

Our staff and volunteers are primarily made up of members who have served in the Armed Forces, or have clinical experience.

The VAST Program – Where Veterans Come Together

**FOR MORE INFORMATION:**  
[www.PinelandFarms.org/recreation/VAST](http://www.PinelandFarms.org/recreation/VAST)

The Goal of our VAST program is to promote lifelong health and well-being of veterans with disabilities through regular participation in a VAST array of physical activities and sports. Any and all veterans with or without disabilities are encouraged to participate. Come and enjoy some outdoor activities and a sense of camaraderie with fellow veterans.

Research shows that daily physical activity for people with disabilities results in reduced stress, depression and secondary medical conditions and increases self-esteem, educational success, employment rates and quality of life.

## NEW MEETING LOCATION

### Every Wednesday 9am - noon

### In the Mt. Washington Room

(same building as the Commons Kitchen)

59 Pineland Dr., New Gloucester, ME

Located in the rolling hills of New Gloucester, Maine, PINELAND FARMS is a working farm, diverse business campus and educational and recreational venue that welcomes visitors to enjoy its beautiful rural landscape.

Pineland Farms' mission is to enrich Maine's communities by offering immersive educational opportunities related to agriculture and the natural environment, providing time and space for artists and students to develop their creativity, and encouraging a healthy lifestyle through recreation and the outdoors.

The VAST program is funded in part by a grant from the United States Department of Veterans Affairs.
