Welcome to Adventa's Christmas 2025 New Product Supplement!

As UK manufacturers, we continuously innovate, delivering well-made, affordable, and easy-to-assemble products - and this year is no different.

We supply to customers across the globe:

If you're in Europe, all of our products are available to purchase through our website.

For our USA customers, if you'd like to purchase one of these new products, simply get in touch to discuss - we'd love to hear from you via hello@adventa.com.

We're ready to help you make Christmas 2025 your best yet!

Wooden Christmas Pudding - Insertable

This sweet insertable ornament blends a youthful vibe with the traditional warmth of wood, meaning it's destined to be popular with consumers. Fast to assemble, premium finish, and made with responsibly-sourced wood.

Bamboo Ornaments

Why bamboo? Bamboo is the perfect choice for the eco-conscious consumer. Bamboo can be harvested without harming the plant, allowing it to regenerate quickly and ensuring sustainable harvesting. As one of the fastest-growing plants on Earth, bamboo is a truly renewable resource.
