# Editorial

**June – 2025**

Welcome to the June edition of the Cross Ocean newsletter.

Please note we will host an in-person event before Breakbulk Americas in Houston this year. The networking lunch is free of charge for members. – **Houston Lunch Meeting – 30 September, 2025 – [Register](#)**

**If you will be attending the Breakbulk Americas Exhibition in Houston this year you can also visit us at stand #G57**

Best regards,  
Cody Thrush

The poster features a background image of the Pappadeaux Seafood Kitchen restaurant at night, with its illuminated signs visible. Two circular logos are positioned at the top: the CLC logo on the left, which includes the text 'A NETWORK OF PROJECT FORWARDERS' and 'A PROJECT FORWARDER WITH A NETWORK', and the Cross Ocean logo on the right, which features a compass rose and various national flags. Below the logos, the text 'NETWORKING LUNCH IN HOUSTON' is displayed in a white box. Underneath this, 'FREE FOR MEMBERS' is written in large yellow letters, and 'NON-MEMBERS 200 USD' is written in black letters on a yellow background. A green box contains the text 'JUST BEFORE BREAKBULK AMERICAS'. The date '30<sup>TH</sup> September, 2025' is prominently displayed in a white box. Below the date, the time '12:30-15:30' and the location 'Houston Texas, USA' (accompanied by a US flag) are listed. The restaurant's name 'PAPPADEAUX SEAFOOD KITCHEN' and its address '1001 AVENIDA DE LAS AMERICAS' are provided at the bottom, along with the website 'www.pappadeaux.com'.

# Star Shipping Pakistan Handled a Full Vessel Charter for a National Interest Pipeline Project

May, 2025

CORPORATE **NEWSLETTER**

STAR SHIPPING PAKISTAN

Navigate via star technology

■ ■ Full Vessel Chartering & Handling Services for Pipeline Project in Pakistan and Stevedore Operations at Karachi Port

## Full Vessel Chartering & Handling Services for a National Interest Pipeline Project in Pakistan

Star Shipping Pakistan has set up a new milestone in year 2025, by providing the dynamic supply chains solution for a huge national interest pipeline project in Pakistan, wherein the Star Shipping arranged a break-bulk cargo carrier vessel on full chartered terms for their client shipment(s) from China to Karachi Port and provided full vessel handling and stevedore services at the discharging Port in Karachi.

The whole shipment consisted of 12Meter long pipes with 1.3Meter Dia, packed in steel frames wherein each frame contained 4-pipes.

The aforesaid pipeline project is a fast-track project, thus matching the proposed lead time for the maritime shipment is truly a bliss and remarkable achievement. We are looking forward for such leading limelights scores in the freight forwarding industry of Pakistan and worldwide.

## ■ ■ Why Star Shipping !?

Star Shipping Pakistan is a professional & reliable project logistics associate providing one-stop solutions for heavy-lift, abnormal & sophisticated cargo handling, management, shipping, transport & delivery to your project's door-step in Pakistan and the Worldwide.

### What Differentiates Us

Star Shipping Pakistan has been adding values in the integrated supply chains network of the globe by providing exclusive one window project logistics solution services through vast operational connectivity, experience, solvency, adaptability and understanding.

The company has own fleet of trailers, cranes, ship & warehouses at all strategic locations worldwide with highly experienced everready workforce available 24/7.

# Star Shipping Pakistan Handled the Transport of an Industrial Exhaust to Punjab

June, 2025

## CORPORATE NEWSLETTER

STAR SHIPPING PAKISTAN  
Navigate via star technology

Inland Transportation of Industrial Exhaust from Karachi Port to Destination Site in Punjab (Pakistan)

Exhaust : 50 tons, Dimensions 18.28 \* 3.96 \* 4.27 M

### “Under Hook Receiving & Inland Transportation of Industrial Exhaust from Karachi to Punjab”

Handling and delivery of oversize & super-heavy cargo has always been the field of expertise of Star Shipping Pakistan and what differentiates us from our other contemporaries, is the art of smart handling & safe execution of complex project(s) in highly economic manner.

In the continuation of aforementioned legacy, the specialized cargo movement team of Star Shipping Pakistan has successfully delivered an industrial exhaust (Out-Gauge) package on to the multi axle hydraulic trailer, from Karachi Port to the destination site in Punjab.

The aforesaid oversize cargo was an essential part of the project and required to be delivered within the provided limited lead-time, thus our delivery time was successfully matched the client's schedule. We are glad for our achievement and looking forward for such endeavours in the future ahead.

# UBL – Complex Logistics Project: Dubai to Israel with Antonov 124

UBL successfully managed the transport of a 43-ton, 15-meter-long rotor from a factory in Dubai to the Orot Yosef power station in Ramat Hovav, Israel.

Due to Houthi missile threats, the aircraft couldn't land in Israel. The creative solution: landing in Larnaca, Cyprus, followed by sea freight to Israel.

The operation included:

- Ground transport in Dubai
- Air freight via heavy-lift aircraft
- Maritime shipping from Cyprus
- Full crane and handling coordination
- 72 hours from supplier in Dubai to site in Israel.
