

**TOYOTA**

2026 Highlander

2026 HIGHLANDER

# Designed to elevate every day.

With standout design, flexible storage and a spacious cabin that seats up to eight, Highlander's ready for life's biggest moments and everything else along the way.

# Maximize every road trip.

Info 2

## Maximize every road trip.

Experience the Highlander, where capability meets efficiency. Whether you choose the 2.4L turbo engine delivering 265 horsepower and 310 lb.-ft. of torque or the hybrid with up to a 35 EPA-estimated combined mpg rating, <sup>1</sup> Highlander offers a smooth and confident ride with the capability to take on any day.

Info 3

## Drive Modes

Three distinct modes let you tailor every drive to your mood. Sport Mode provides sharper acceleration, Eco Mode helps maximize fuel efficiency, and Normal Mode blends fuel economy with performance.

Info 4

## XSE Sport-Tuned Suspension

Highlander XSE hugs the road a little tighter with its sport-tuned shock absorbers, high-rate springs and rear stabilizer bar that give you enhanced handling on the road.

Info 5

## Dynamic Torque Vectoring AWD

Dynamic Torque Vectoring All-Wheel Drive (AWD) improves responsiveness and stability, sending up to 50 percent of the power to the rear and then distributing more power to the wheel that needs it.

## PERFORMANCE

### Towing Capacity

The epitome of power and smoothness. Highlander's 2.4-liter turbo engine flexes some muscle with its up to 5000-lb. towing capacity.

### Multi-Terrain Select

Capable even when the pavement ends, Highlander features Multi-Terrain Select (MTS) on All-Wheel Drive (AWD) gas models. Choose between four modes (Mud & Sand, Rock & Dirt, Snow, and Normal) for enhanced traction.

**EXTERIOR**

# Style that adapts to your journey.

Highlander's sophisticated appearance and convenient tech keep pace with your lifestyle and the demands of the road while showing off its versatile style.

## Captivating Exterior Design

Highlander's bold design is hard to ignore. Its sculpted shape and contoured lines strike the perfect balance of power and refinement.

## Rain-Sensing Wipers

Highlander helps you enjoy a clear view, rain or shine. When falling rain is detected, available rain-sensing wipers activate and adjust their speed based on weather and driving conditions.

## Twin-Tip Exhaust

Underneath XSE's unique rear bumper features a striking twin-tip exhaust. Chrome-plated for durability, it adds a distinctive edge that highlights the sportiness and agility of your Highlander.

## 20-In. Wheels

Highlander shows off more style with its available 20-in. alloy wheels. Standard on XSE, Limited and Platinum, available 20-in. alloy wheels amplify Highlander's sleek look.

## EXTERIOR

### Hands-Free Power Rear Liftgate

No hands? No problem. When you need to engage its hands-free power liftgate, Highlander senses your Smart Key fob and is designed to open automatically when you kick your foot under the rear bumper.

### LED Headlights

The dynamic front end of Highlander shows off its modern look. The stylish, standard LED headlights provide a crisp, clean light, while available auto-leveling LED projector-beam headlights help keep light aimed down at the road for better visibility.

# Innovation with a view.

The available 12.3-in. digital gauge cluster keeps you informed with directions, safety alerts and more—all at a glance, so you can stay focused on the road ahead. Meanwhile, the available panoramic moonroof lets you follow the stars above, with a power tilt/slide and a retractable sunshade for a breeze when you want it or cover when you need it.

## 12.3-In. Digital Gauge Cluster

Standard on XSE, Limited and Platinum, the 12.3-in. digital gauge cluster presents turn-by-turn directions, safety info, alerts and more, all at a glance, so you can keep your eyes on the road.

## Panoramic Moonroof

Follow the stars above with Highlander's available panoramic moonroof with front power tilt/slide. Open it up to catch a breeze and enjoy the wide-open view, or easily find cover with a power-retractable sunshade.

## Panoramic View Monitor

Using four cameras, Highlander's available Panoramic View Monitor (PVM) <sup>11</sup> helps you check your surroundings for hazards by displaying a panoramic view on the touchscreen display.

## Rear Power Outlet

Make Highlander your home base with an available 120V/1500W-capable power outlet. <sup>12</sup> Whether you're charging your laptop or powering a Bluetooth® speaker or even a movie projector, you're ready for whatever the day brings.

## INTERIOR

### Third-Row Seating

Highlander's roomy interior gives you enough space to seat up to eight, making it great for larger crews.

### Heated and Ventilated Front Seats

Available heated and ventilated front seats cool down or warm up on demand, while available heated second-row seats can help keep passengers comfortable. Simulation shown.

# Audio Multimedia

## SiriusXM® 3-Month Trial Subscription

SiriusXM®<sup>18</sup> has premium entertainment that you won't hear anywhere else. With a 3-month trial,<sup>19</sup> you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, comedy and more. Experience even more on the SiriusXM® app, featuring expertly curated podcasts, Xtra channels of music, Artist Stations, SiriusXM® video and more.

## 12.3-In. Toyota Audio Multimedia Touchscreen

The available 12.3-in. multimedia display is your hub for accessing playlists, podcasts and entertainment options with ease. As you make your way to your destination, you can stay connected with mobile apps on demand. Best of all, Highlander allows you to access its system controls with the sound of your voice.<sup>20</sup>

## Wireless Apple CarPlay®

Bring along a familiar interface. With Highlander's wireless Apple CarPlay®<sup>21</sup> compatibility, you can use your compatible iPhone®<sup>22</sup> with the audio multimedia system to get directions, make calls, send and receive messages and listen to music, all while staying focused behind the wheel.

## Wireless Android Auto™

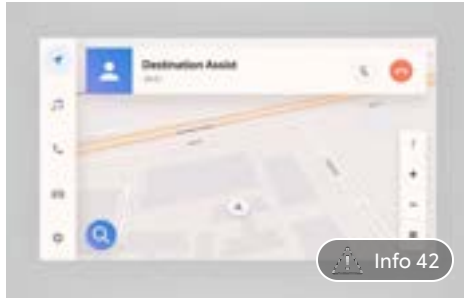

Stay connected on the road. By pairing your compatible Android™<sup>23</sup> phone with the audio multimedia system, Android Auto™<sup>24</sup> compatibility helps you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

## JBL® Premium Audio

Immerse yourself in quality sound with Highlander's available JBL®<sup>25</sup> Premium Audio system. An 11-speaker, 1200-watt audio system equipped with a subwoofer and amplifier, it provides phenomenal sound that amplifies every drive.

# Connected Services

## Drive Connect

With an active Drive Connect trial or subscription,<sup>31</sup> the Cloud Navigation<sup>32</sup> and Intelligent Assistant<sup>33</sup> features help you find where you need to be, while Destination Assist<sup>34</sup> allows you to talk to a live agent as they help you find your destination's coordinates and offer directions on how to get there. 1-year trial included on select trims. 4G network dependent.

## Wi-Fi Connect

Turn Highlander into a hotspot. With an active Wi-Fi Connect trial or subscription,<sup>35</sup> you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include an up-to-30-day or 3-GB trial to get you started. 4G network dependent.

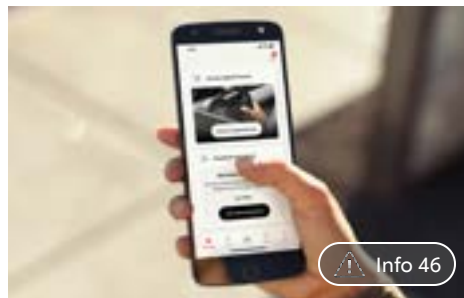

## Remote Connect

Highlander is up to speed with the latest tech. With an active Remote Connect trial or subscription,<sup>36</sup> you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app<sup>37</sup> through your compatible smartphone or smartwatch. 1-year trial included. 4G network dependent.

## Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button.<sup>38</sup> You also get 24/7 Roadside Assistance<sup>39</sup> and Stolen Vehicle Locator<sup>40</sup> to give you peace of mind that help is on the way. Activation required. 5-year-minimum trial included. 4G network dependent.

## Service Connect

Stay up to date with your Highlander's information, such as status and alerts, maintenance reminders and more.<sup>41</sup> It's a convenient way to help make sure your Highlander is running at its best. Activation required. 5-year-minimum trial included. 4G network dependent.

# Safety & Convenience

## Blind Spot Monitor With Rear Cross-Traffic Alert

The Blind Spot Monitor (BSM) <sup>47</sup> warns you when a vehicle in the next lane enters your blind spot on either side of the vehicle. And when you're in reverse, Rear Cross-Traffic Alert (RCTA) <sup>48</sup> helps detect vehicles approaching from either side, warning you with side mirror indicators and a warning tone.

## Front and Rear Parking Assist With Automatic Braking

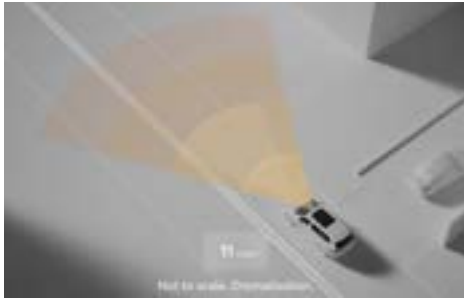

This available driver-assistance feature is designed to warn you audibly and visually when it detects stationary objects, people walking by or vehicles approaching from the rear by sending you an alert inside the vehicle, reducing engine power and/or applying the brakes. <sup>49</sup>

## No Cost Maintenance Plan and Roadside Assistance

Every new Highlander comes with ToyotaCare, <sup>50</sup> a maintenance plan that covers normal factory scheduled service for 2 years or 25,000 miles, whichever comes first, and 24-hour Roadside Assistance for 2 years, unlimited mileage.

# Toyota Safety Sense 2.5+ <sup>53</sup>

## Pre-Collision System With Pedestrian Detection

PCS w/PD <sup>54</sup> can alert you to potential collisions and may automatically brake.

## Full-Speed Range Dynamic Radar Cruise Control

DRCC <sup>55</sup> helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

## Lane Departure Alert With Steering Assist

LDA w/SA <sup>56</sup> may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

## Lane Tracing Assist

LTA <sup>57</sup> helps you center the vehicle within its lane while DRCC <sup>58</sup> is active.

## Road Sign Assist

RSA <sup>59</sup> can recognize certain road signs and display them to you inside the vehicle.

## Automatic High Beams

AHB <sup>60</sup> can automatically toggle between high and low beams based on the vehicle's surroundings.

**POWERTRAIN**

# Powerfully dynamic.

Info 61

## Gas Powertrain

A traditional internal combustion engine that runs on gasoline and offers reliable refueling at any gas station.

## Hybrid Powertrain

Hybrid Electric Vehicles combine a gas engine with an electric motor(s) to maximize power and efficiency. They run on gasoline, so you drive them like a traditional gas vehicle.

Info 2

# Beyond Zero

BEYOND ZERO

Beyond Zero is Toyota's vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to make a positive impact on our planet and society. The Hybrid EV Highlander Hybrid is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

## Hybrid EV

Highlander Hybrid is a part of the Hybrid EV Family.

### **The Power of Choice**

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.

### **Going Above and Beyond**

Whether Toyota is decreasing its single-use plastic waste, supporting water conservation efforts, or expanding programs that protect biodiversity, we are committed to reducing our environmental footprint and creating a positive impact on society. See Environmental Sustainability ([toyota.com](https://toyota.com)) for more information.

## XLE

### Mechanical Features

- ✓ All-Wheel Drive (AWD)
- ✓ Multi-Terrain Select (MTS) with MUD & SAND, ROCK & DIRT, and NORMAL modes
- ✓ Drive Mode Select (DMS) with Sport, Eco, Normal and Snow Modes

### Exterior Features

- ✓ Height-adjustable hands-free power liftgate with jam protection <sup>62</sup>
- ✓ LED projector headlights with Daytime Running Lights (DRL)
- ✓ Smart Key System on front doors and liftgate with Push Button Start, remote keyless entry system with lock, unlock, panic and liftgate functions
- ✓ Power tilt/slide moonroof with sunshade and one-touch open/close
- ✓ High Solar Energy-Absorbing (HSEA) glass on front side windows

### Interior Features

- ✓ Qi-compatible wireless charging <sup>63</sup> with charge indicator light
- ✓ Leather-trimmed shift knob and tilt/telescopic leather-trimmed steering wheel with audio, Multi-Information Display (MID), Bluetooth <sup>64</sup> hands-free phone, voice command, <sup>20</sup> Dynamic Radar Cruise Control (DRCC), <sup>58</sup> Lane Departure Alert (LDA), <sup>65</sup> Lane Steering Assist (LSA) <sup>56</sup> and multimedia information controls
- ✓ SofTex<sup>®</sup>-trimmed front
- ✓ 7-passenger seating with second-row fold-down captain's chairs and fold-down inboard armrests, adjustable headrests and two cup holders mounted on the floor
- ✓ Auto-dimming rearview mirror with HomeLink<sup>®</sup> <sup>66</sup> universal garage door opener

### Audio Multimedia

- ✓ 8.0-in. Toyota Audio Multimedia with six speakers, with wireless Apple CarPlay<sup>®</sup> <sup>21</sup> & Android Auto<sup>™</sup> <sup>24</sup> compatibility, SiriusXM<sup>®</sup> <sup>18</sup> 3-month trial subscription. See [toyota.com/connected-services](http://toyota.com/connected-services) for details.

### Connected Services

- ✓ Remote Connect <sup>36</sup>
- ✓ Wi-Fi Connect <sup>35</sup>
- ✓ Safety Connect<sup>®</sup> <sup>38</sup>
- ✓ Service Connect <sup>41</sup>
- ✓ Drive Connect <sup>31</sup>

On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on

## INFO AND DISCLOSURES

4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **35.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. **36.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **37.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **38.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **39.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://toyota.com/support/privacy-notice/). Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **40.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **41.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **42.** Destination Assist, part of Drive Connect, shown. On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. Requires active Remote Connect trial or subscription. 4G network dependent. **45.** Safety Connect® shown. Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **46.** Service Connect shown. [service\_connect\_21mm\_disclaimer\_icon\_disclaimer] **47.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. **48.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. **49.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. **50.** ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage (note: ToyotaCare for Mirai is 3 years/35,000 miles and Roadside Assistance for Mirai, bZ, bZ4X, Prius, Prius Prime and Prius Plug-in Hybrid is 3 years/unlimited mileage). Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **51.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. Platinum shown in Heavy Metal. Options shown. **52.** Left to right: Hybrid Platinum shown in Ruby Flare Pearl. Platinum shown in Heavy Metal. Options shown. Simulation shown. **53.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **54.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **55.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **56.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **57.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. **58.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **59.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **60.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **61.** XSE AWD shown in Wind Chill Pearl. Vehicle shown with options using visual effects. **62.** Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. **63.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **64.** A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. **65.** Lane Departure Alert is designed to read visible lane markers under certain conditions and provide visual/audible alerts when lane departure is detected. It is not a collision-avoidance system or substitute for safe and attentive driving. Effectiveness depends on many factors, including road, weather and vehicle conditions. See Owner's Manual for limitations. **66.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **67.** May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. **68.** The Adaptive Front-Lighting System helps improve night vision. Situations such as a dirty windshield, rapidly changing light conditions or hilly terrain may limit effectiveness, requiring the driver to manually turn off the system. See Owner's Manual for additional limitations and details. **69.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. System functionality and accuracy of information depend on many factors. Use common sense when relying on information provided. Services and programming subject to change. Updates may be at an additional cost. See Owner's Manual for limitations. **70.** EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your Owner's Manual for instructions and limitations. **71.** Extra-cost color. **72.** SofTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **73.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **74.** Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. **75.** Do not exceed 120V. See Owner's Manual for additional limitations and details. **76.** Rated for 1500 watts shared between both outlets. See Owner's Manual for limitations. **77.** The engine immobilizer is a state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle's immobilizer.

## *INFO AND DISCLOSURES*

The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to [www.aloa.org](http://www.aloa.org) to find a qualified locksmith for high-security key service. **78.** Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the DAC's ability to prevent loss of control. See Owner's Manual for additional limitations and details. **79.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See Owner's Manual for limitations. **80.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner's Manual for limitations. **81.** Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices. Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner's Manual. **82.** Predictive Fuel-Efficient Drive systems require a destination entry in the navigation system for use. See Owner's Manual for details. **83.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **84.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See Owner's Manual for limitations. **85.** Before towing, confirm Stop and Start Engine System is disengaged. **86.** Meets Tier 2/Bin 3 Federal emissions standard.

## INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See [toyota.com](https://toyota.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

## WARRANTIES

Date and mileage limitations refer to whichever occurs first from the date of purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details.

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.

For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details.
