# Titan Class of 2021 -

It has been over a year since the last time I saw most of you. I remember coming to work that busy Friday morning, looking forward to getting some rest during Spring Break. It only took a few hours for our world to completely change as we rushed to send you home several hours earlier than expected that day. There are days I feel like I have come to terms with our current situation, and there are also days my emotions get the better of me and I realize I still have a long way to go in processing the past fourteen months. One thing that has inspired me and helped me keep pushing forward is your persistence to overcome what life has thrown at us. At times, it has been messy and difficult, but if you are reading this as your academic career comes to a close at MNTHS, that means that when somebody asks you if the Titan Class of 2021 made it through MNTHS during a global pandemic, you can look them in the eye and say, "Yes, we did." If someone asks if Titans graduated despite the political and civil unrest in our great nation, you can stand tall and respond, "Yes, we did." And when people ask if our Titan community came together in the aftermath of Winter Storm Uri, you can proudly answer, "Yes, we did."

Remember that life is full of uncertainty, we don't always have control over our circumstances. There are times we may feel disconnected from others, and there are times when things seem unfair, but during your senior year of high school, we went through monumental, historic challenges and overcame them, yes, we did...and when dealing with challenges in the future, we will be better equipped to face them head on, yes, we will!

## This is your Principal...

A stylized, handwritten signature in white ink, likely belonging to Mr. Bobby Garcia, Principal of Manor New Technology High School. The signature is fluid and cursive, with a long horizontal line extending to the right.

Mr. Bobby Garcia, Principal  
Manor New Technology High School
