Our 10,000 strong business community comes together over these seven days to celebrate, collaborate, be inspired and be recognised.

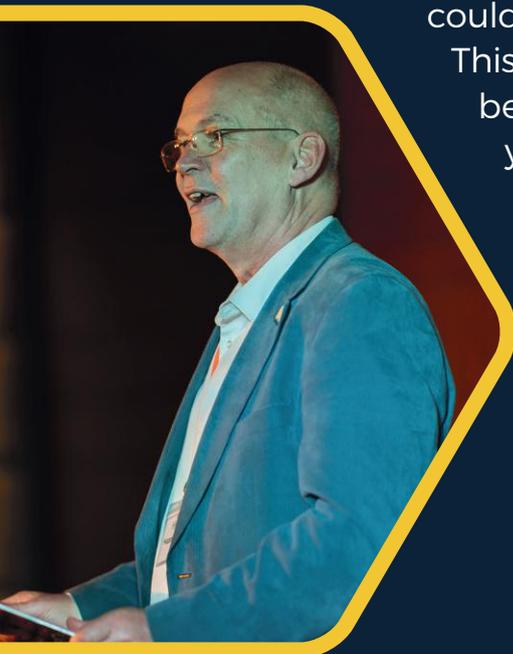

Our local business community have certainly faced the odds over this last year and continue to provide employment, supply chains and essential services across all sectors. From sole traders to established employers, from retailers to engineers, from private enterprise to community interest companies, This week is for the entrepreneurial men and women who imagined, started, managed and now continue to grow these businesses.

Business Hive Live is coming to you from a new location, at The Grimsby Auditorium, and promises to be the best yet. This is a business exhibition that brings together over sixty of the very best local businesses, followed by an excellent keynote speaker and the ever popular **Engaging Minds Panel**, assembling some of the most sought after local business experts to share their insights and advice. Attended by hundreds of business people, it all kicks off with one of biggest Breakfast Networks of the year.

Once again there will be two glittering awards evenings, one for North Lincolnshire businesses held at Forest Pines and another for North East Lincolnshire businesses held at The Humber Royal Hotel. Both of these prestigious nights are always sold out and are always nights to remember. With twelve award winners announced, chosen by panels of independent judges from the hundreds of entries received, these glamorous evenings , with dinner and dancing are talked about for months after. A real celebration of our business community.

We work hard to bring these three events together but we couldn't do it without the generous support of our sponsors. This brochure lays out the opportunities available, that we believe will not only demonstrate your support but promote your company and benefit your business profile. Be assured that EVERY penny of any sponsorship goes directly towards making these events the best they can be.

We hope you are able to join us in the celebration!
