ARMED FORCES COVENANT

At Vetro, we understand the importance of supporting our armed forces personnel and veterans during their transition to civilian life, as well as fair support for their families. The Armed Forces Covenant signifies our commitment to providing employment opportunities, training, and a supportive environment to those who have served our country with dedication and sacrifice.

EVEREST BASE CAMP CHALLENGE

in aid of Bullies Out

[**DONATE NOW**](#)

Join us in supporting Gabrielle as she embarks on her daring journey to climb Everest Base Camp! Starting on April 21st, 2024, Gabrielle will trek for 17 days to reach this iconic peak.

Hiking has been Gabrielle's passion since 2019, offering solace from daily life's chaos. From conquering Pen-y-Fan to summiting Snowdon and Ben Nevis, she's faced challenges head-on and emerged victorious.

Now, Gabrielle takes on Everest not only for personal fulfillment but to make a difference. She's dedicating her climb to Bullies Out UK, fighting bullying through awareness and fundraising.

Your donation fuels Gabrielle's ascent and empowers Bullies Out UK to support victims and promote kindness. Let's rally behind Gabrielle as she climbs for a cause close to her heart. Every step brings us closer to a world free from bullying. Donate today and join this incredible journey toward positive change.

WHY REGISTER TO SOCIAL CARE WALES

By Vetro Recruitment

Thinking about signing up for the Social Care Wales register? It's definitely a smart move, and here's why: Social Care Wales ensures that registered individuals adhere to a Code of Professional Practice, promoting ethical conduct and accountability.

Being on the register enhances an individual's professional credibility, providing evidence of their qualifications, experience, and ongoing commitment to professional development. This can be particularly significant for those working in care homes, as it assures residents, their families, and employers that the staff adhere to nationally recognised standards. As well as, offering a platform for continuous learning and networking. Registered individuals have access to resources, training opportunities, and a community of fellow professionals, fostering a culture of ongoing improvement and collaboration within the social care sector.

Moreover, if you are not registered with Social Care Wales, you are limiting yourself to the amount of opportunities you have. Data shows that 78% of services Vetro works with require candidates to be registered with Social Care Wales. That's a huge number of potential opportunities you could be missing!

Don't limit yourself! If you are not already signed up to Social Care Wales, please follow this link to register:

Worker of the Month

Congratulations to Rachel for achieving our Worker of the Month!

Rachel, your positive attitude towards work is truly commendable. Your dedication and willingness to lend a helping hand, especially during those last-minute shifts, make you an invaluable part of our team. Thank you for consistently going above and beyond! Here's to celebrating your hard work, positivity, and all-round awesomeness!

We would like to thank Rachel for being such a great worker and has deservedly won a £50 voucher for a shop of their choice!

Launch into Hitchin

We're thrilled to announce our expansion into the Hitchin area, and we couldn't be more excited to have Dora leading the charge. With over 15 years of dedicated experience in the field of recruitment, 12 of those years Dora has spent specialising in health and social care.

Dora brings a wealth of knowledge and experience to the team, and her dedication to matching the right professionals with the right opportunities makes her the perfect fit to establish our presence in Hitchin.

OUR PARTNERSHIP WITH ANEURIN BEVAN

By Vetro Recruitment

In an era where work-life balance is paramount, we are partnering with one of our local health boards, Aneurin Bevan to offer you, our nurses, the opportunity to embrace flexibility like never before.

Flexible shifts have become a cornerstone of our partnership with the NHS, and who doesn't like tailoring their work schedules to their individual needs? This innovative approach not only fosters a more satisfied and motivated workforce but also ensures that patient care remains at the forefront of every healthcare professional's commitment.

One of the most enticing aspects of this flexibility is the competitive pay rates we can offer, with opportunities for you to earn up to £42.00 per hour.

This not only reflects the NHS's commitment to recognising and valuing the hard work of its staff but also presents a unique opportunity for you, as professionals, to enhance your financial well-being.

The diverse range of available nursing shifts in Cwmbran, Newport, Abergavenny, Ebbw Vale, Caerphilly, Chepstow and Pontypool, caters to various preferences, whether you're looking for part-time day or night shifts, or weekend work. This adaptability is particularly beneficial for those managing other commitments such as family responsibilities, or pursuing additional education.

If you would like to enhance your experience within the NHS, with the benefit of flexible working, [get in touch](#) with us today or apply to any of our [nursing jobs](#).

Welcome

to the Vetro Nursing Team

Sam Sadler

Recruitment Consultant

[Read more](#)

Sam has joined our team as a Recruitment Consultant for our Nursing division based in our Caerphilly office.

“I started my recruitment career in 2021 and soon caught the bug for the healthcare sector. I became passionate about how much nurses do for us and how essential they are. As a result, I wanted to help these nurses get the best rate of pay possible and the flexibility they deserve while not compromising on the quality of care patients receive.”

WELSH GOVERNMENT FRAMEWORK APPROVED

By Vetro Recruitment

Schools in Wales find themselves at a crossroads, grappling with persistent budget constraints that pose challenges to delivering quality education. Limited financial resources have led to a juggling act, with schools striving to provide a comprehensive learning experience while carefully managing their budgets.

Within the current climate, a recurring theme mentioned by schools is the importance of the quality of staff within their schools. Schools are looking for, and offering the most work to staff who are not just the most experienced and skilled, but also to staff who prove to be reliable, passionate and proactive.

As an agency worker, there are a number of ways that you can offer huge value to the schools in which you are working. Being passionate, reliable and a great communicator is one. Another way would be to continually improve your skills and training. Here at Vetro, we are seeing a demand in particular for ALN staff, so upskilling in those areas could be beneficial. You can do this FOR FREE through Vetro Recruitment's courses. Many of our supply staff are already maximising their opportunities to enhance their knowledge, making them versatile assets for schools. Continuous learning not only benefits supply staff in securing assignments but also adds value to the schools they support.

To access these free courses, please [get in touch](#).

Welcome

to the Vetro Education Team

Judith Williams

Senior Recruitment
Consultant

[Read more](#)

Judith has joined our team, based at our headquarters in Caerphilly, as a Senior Recruitment Consultant. She has extensive experience recruiting in to the education sector and we are thrilled to have her as part of our team.

Judith will be specialising in secondary education recruitment throughout Wales, so if this is something you would like to consider, or are looking to go into secondary environments then please don't hesitate to get in touch.
