DRAWER HIVE

MADE IN BRITAIN

Screwdriver Holder (10 pk.)
(DHSP-SD-10)

Spanner/Wrench Holder (10 pk.)
(DHSP-SP-10)

Precision Screwdriver Holder (10 pk.)
(DHSP-SD-S-10)

Draw Hive system works using an interlocking foot. This foot is universal through the whole system which allows you to keep your most useful tools together and in order. The rubberised style finish of the material naturally grips to the drawer base giving stability to the stored contents. Keeping tools safe and in order will help you keep track of items, increasing your work efficiency and the longevity of your tools, saving you money.

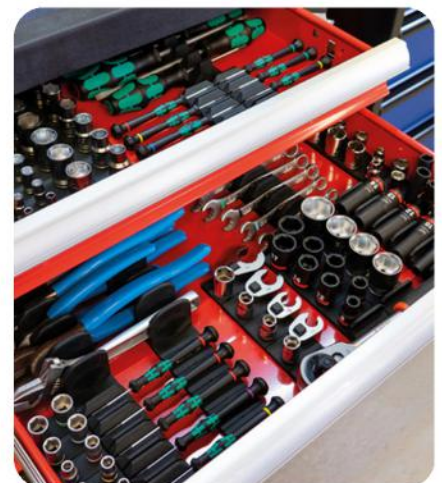

- Fully customisable to suit your needs
- Space Saving save drawer space with this compact toolbox organizer.
- Modular Pieces - Mix and match with other StealthMounts Drawer Hive products
- Store your tools more efficiently and neatly
- Made from high quality, durable TPE a flexible material with excellent grip.
- Made in Great Britain

Plier Holder (10 pk.)

FLEXI TRAYS

MADE IN BRITAIN

Black Quad Compartment Flexitray
(FXT-SP-BLK-4-1)

Black Six Compartment Flexitray
(FXT-SP-BLK-6-1)

Flexibility to keep you and your toolbox organized

- Flexible Storage Solution – StealthMounts FlexiTrays are designed to keep tools, fasteners, and small parts organised, secure, and easily accessible.
- Non-Slip Grip Surface – Made from durable TPE that grips surfaces and prevents items from sliding, even on sloped or uneven work areas.
- Compatible with PACKOUT – Each tray fits neatly into Milwaukee PACKOUT single boxes and stacks efficiently in larger ones for complete modular storage.
- Multiple Layout Options – Available in a range of compartment styles (Open, Double, Quad, and Six) to suit every organization need.
- Made in the UK – Built from tough injection-moulded TPE for long-lasting performance in workshops, garages, or mobile tool setups.

FlexiTray features

CUSTOMISE & CHANGE YOUR WORKBOX TO SUIT EACH JOB

COMPATIBLE WITH MOST TOOLBOX DRAWERS

COMPATIBLE WITH MILWAUKEE PACKOUT
