SECOND EDITION

The long awaited follow-up to the popular first release, Modern Metals™ Second Edition energizes contemporary spaces with charismatic visual artistry defined by the allure of luminous metallic.

DESIGN & MANUFACTURING

Long recognized for its collective talent, York Wallcoverings' design studio maintains a reputation for innovative styling and fine artistry, having extensive design expertise in all wallcovering product types including residential, commercial, high performance, acoustical and peel and stick. York's creative studio staff is in the unique position to layer design technologies and manufacturing techniques to bring their vision to print reality.

As the exclusive provider of rare Surface Print technologies in North America, and the only manufacturer with all five wallpaper printing types housed under one roof, York finds itself as the preeminent authority on wallpaper printing in the United States.

It is this design heritage which informs York's visionary adaptability and resilience, withstanding the test of time, and steadfast in dedication to excellence of design and industry with a focus on the future.

ABSTRACT GEO

An artistic Symbolist interpretation of geometric form, modern metallic pattern Abstract Geo uniquely defines its abstract shape.

A mid-century modern wooden console table with a glass top. The table features a dark wood finish, a glass top, and a lower shelf. It has four legs and two drawers with round knobs. On the table, there is a lamp with a dark shade and a gold base, a vase of white calla lilies, a gold ring-shaped object, and a stack of books. The books are titled "RYAN KORBAN VANITY FAIR 100 YEARS", "WILLIAM HEFNER", and "CHATEAU DES FLEURS". A dark blue box is on the lower shelf.

MODERN METALS™

SECOND EDITION

ABOUT THE COLLECTION

The long awaited follow-up to the popular first release, Modern Metals Second Edition energizes contemporary spaces with charismatic visual artistry defined by the allure of luminous metallic.

ABOUT ANTONINA VELLA

The extraordinary brand known as Antonina Vella is dedicated to an upbeat, up market approach to innovation, design concepts and international influences. The Antonina Vella designer wallpaper collections brand represents luxurious style with a decidedly modern edge, using the latest technologies to develop and reimagine the role of wallpaper in decor. This is art for the wall.

NON-WOVEN

Non-woven is a blend of compressed natural cellulose and synthetic fibers that forms a high-quality wallcovering base. It does not expand and contract with moisture yet is breathable and resistant to tearing. Seams match simply, with paste being applied either to the wallpaper back or directly to the wall. Non-woven hangs and repositions with ease and removes in full strips. Once applied, the finish has a textural hand associated with upmarket installations.

ROLL SIZE

Unless noted with an asterisk (*), all double rolls of wallpaper in this collection are:
27" wide x 33' long totaling 74.3 sq. ft (68,5 cm x 10,05 m or 6,9 m²)
*20.8" wide x 32.8' long totaling 56.9sq. ft. (53 cm x 10 m or 5,3 m²)

IMPORTANT

When you receive your order, please check to make sure that the design, color and quantity are correct. Also, please examine the wallcoverings for imperfections before cutting and hanging. We will replace defective merchandise, but will not be responsible for labor costs. Discolorations caused by unneutralized plaster or improper wall preparation are also not covered by this warranty.

RETURNS

Wallcovering returns must be pre-authorized and are subject to a restock handling charge plus return freight. All returns must be made within 60 days of our shipping date. Cut rolls are not acceptable for credit.
