Look after yourself with these high-quality bed pads which are constructed for the healthcare industry using a durable vinyl knit backing or waterproof barrier protecting the bedding and mattress.

The soaker (10-ounce absorbing material) is made to be ultra-absorbent for superior protection, holding the moisture away from your skin, and is topped with a 95/5 Poly, Rayon twill for longer life cycles.

Reusable pads are easier to wash every few days rather than constantly mopping up your floor and cleaning up the mess. The unique four-layer design is complete with a super soft cotton blend quilted top that feels great; use on top of bedding or under sheets.
