# Wellbeing Support

We hope you are excited for the winter break, however, while the break might be a welcome respite for many, for others this can be an extremely difficult time of year.

There might be multiple reasons that have led you, or someone you know, to stay at university or to travel home for the break, either way, you will always have a home here in Nottingham and we are here to help support you throughout the festive period.

Please reach out to our dedicated wellbeing team if you need support or want to chat about how you are feeling. We are contactable on 0115 748 7600, option 2 or [ResX@nottingham.ac.uk](mailto:ResX@nottingham.ac.uk).

If you need help with maintenance or have specific questions about your room, then please call the relevant Welcome Point on 0115 748 7600, option 1 (then the number for the welcome point that looks after your hall). Or contact your reception team if you are in our partner accommodation.

On Christmas Day, Boxing Day and New Years Day, our dedicated team will be taking a well deserved break before services resume, however, if you do require support on those days, please speak to your accommodation reception or UoN Security (if in University of Nottingham Halls) on 0115 951 3013.

Please also find some useful resources and services on the next page, to help support your wellbeing.
