PLAINS

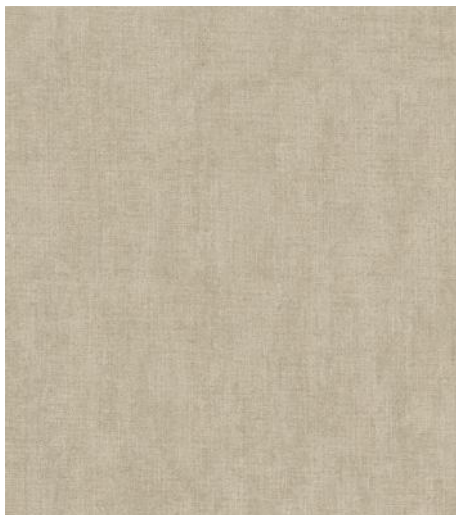

Simple and poignant: this is exactly how the new PLAINS uni-collection by Emil & Hugo presents itself. In doing so, the collection proves that even unis and faux-unis can surprise time and again and stage themselves impressively on the wall. A wide range of textures, colours and structures attest to a wide selection, so that the right thing is sure to be found for every style of living. Because with these non-woven wallpapers, whether combined with patterned wallpaper or as a solo artist, the ideal stage is always created for sophisticated, stylish home accessories and pieces of furniture.
