## BENEFITS OF OUR KITCHENS

- **Benchtops:** 20mm zero silica durable stone with a 'pencil edge' finish, available in 3 colours and 700mm wide. This provides a large food preparation space for entertaining
- **BBQ's:** Our Euro BBQ's are ventilated to manage the transfer of heat that prevents the cabinetry from warping & potential fire
- **Cabinetry:** The cabinetry and carcass is waterproof containing no woodchip material. Our Laminex doors are UV resistant with no colour fade factor, heat and scratch resistance and antimicrobial. It is built with high quality stainless steel hardware by Hettich for long term durability
- **Beverage Cooler:** Our Euro Beverage Cooler is incorporated in the cabinetry, elevated from to ground to prevent moisture from entering. This provides ventilation to the sides and rear for optimum operations
- **Gas and Safety:** Our gas bottle cabinet is double ventilated for disbursement of any gas residue
