

TAPA APAC
Transported Asset Protection Association

The Leading Association for Global Supply Chain **Resilience & Sustainability**

Join the Fastest Growing Asia Pacific Supply Chain Community

www.tapa-apac.org

» Empowering Resilience. Advancing Sustainability.

The **Transported Asset Protection Association (TAPA)** is the world's leading non-profit organization bringing together supply chain leaders and stakeholders with a shared commitment to protecting business assets and ensuring resilient, secure, and sustainable supply chains.

In the **Asia Pacific region**, TAPA APAC supports over 850 member organizations in strengthening their supply chain operations through the implementation of globally recognized security standards and programs.

Our members benefit from enhanced operational security, reduced risk exposure, and greater brand protection — helping them not only navigate today's complex challenges, but also future-proof their value chains.

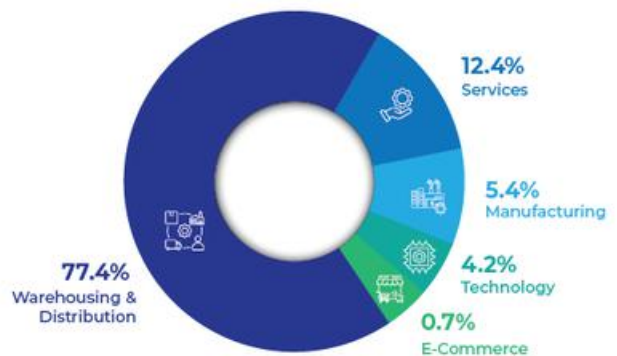

» Join TAPA APAC and be part of a trusted community shaping the future of supply chain resilience and sustainability.

FUNCTIONS

Be Part of the TAPA APAC Community!

And many more...

Benefits of Joining TAPA APAC

Recognized Global Standards

Access internationally acknowledged security standards that define and maintain minimum supply chain security requirements.

Audit Certification

Enhance supply chain resilience, reduce losses, improve efficiency, and ensure operational continuity through TAPA certification.

Trusted Partner Benchmarking

Apply TAPA standards as a reliable reference point in selecting and working with supply chain partners.

Training and Professional Certification

Develop qualified expertise through comprehensive training and rigorous examinations designed to ensure consistent adoption of TAPA Standards.

Access to Intelligence

Utilize the TAPA Intelligence System (TIS) for data on cargo theft incidents, crime hotspots, and certified partners, enabling informed risk management and safer route planning.

Industry Insights

Receive regular updates through TAPA APAC's Resilience News e-Newsletter and LookOut e-Magazine to stay informed on emerging threats and best practices.

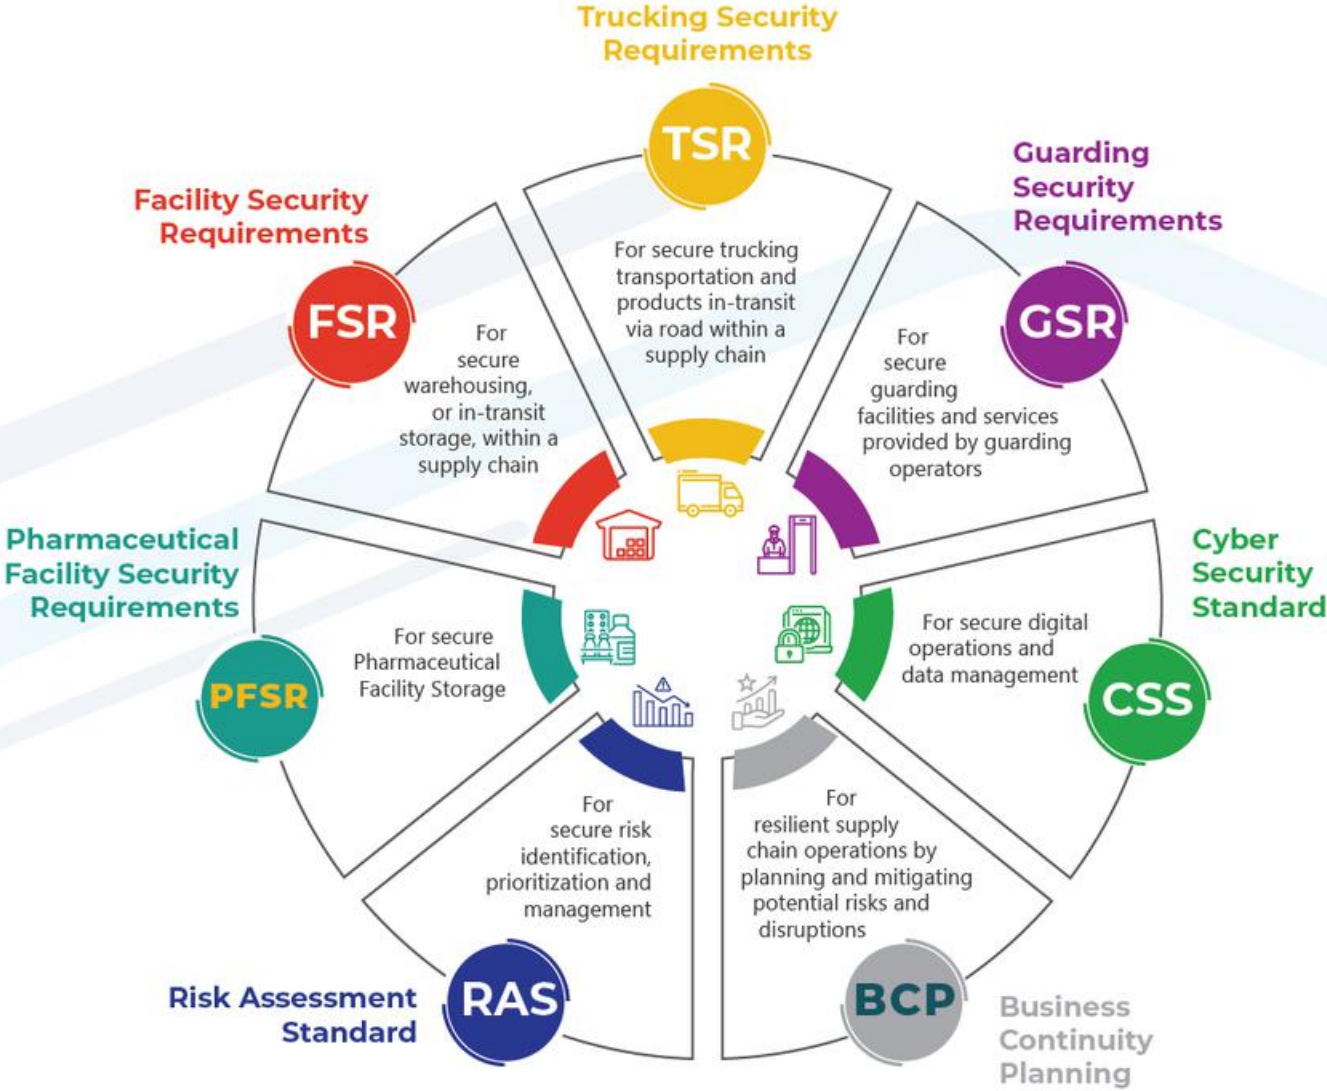

Conferences and Networking

Participate in conferences, webinars, and working sessions that provide valuable opportunities to exchange knowledge, strengthen networks, and support supply chain resilience.

>> Introduction to TAPA APAC Standards

The Transported Asset Protection Association (TAPA) Asia Pacific (APAC) has developed a suite of globally recognized security standards to safeguard critical assets throughout the supply chain. Adopting these standards delivers both operational efficiency and risk mitigation.

An Ecosystem of Resilient Supply Chain Standards

Build Resilience Through Expert Training

TAPA APAC offers a structured, high-impact training program tailored for professionals responsible for implementing, maintaining, and auditing supply chain security standards. Accessible in three flexible delivery formats, our training ensures teams gain critical expertise while enhancing operational resilience.

Training Formats to Suit Your Team's Needs

- Self-Paced LMS (Learning Management System)**
 Ideal for flexible, on-demand learning — access your course for 30 days post-registration. Covers key standards including FSR (Facility), TSR (Trucking) in English or Chinese.
- Live Virtual Classes**
 Interactive sessions designed for in-depth engagement — perfect for courses that benefit from discussion and real-world case studies. Available for GSR, CSS and upon request for group classes for FSR / TSR.
- Face-to-Face Workshops**
 Hands-on instruction for immersive learning. Offered for RAS, BCP, and upon request for group classes for FSR, TSR, GSR, and CSS depending on demand.

ROLE	TRAINING ENTITLEMENTS TO USE	STANDARDS APPLICABLE
Operational	Standard Technical ST	FSR / TSR
Audit & Implementation	Authorised Auditor AA <small>*Candidate has to complete ST as pre-requisite to apply AA</small>	FSR / TSR
Operations & Security	Full Standards Training	GSR / CCS
Strategy & Management	Expert Course — Fully Chargeable	RAS / BCP

Ready to Empower Your Team?

- Choose the standard (e.g., **FSR** **TSR** **RAS** **CCS** **BCP**) and preferred format (LMS, virtual, or in-person).
- Select Training Entitlements — **ST**, **AA** or Full Course (**ST** + **AA**).
- Complete registration form with Company's PMR in charge notified, and wait for the confirmation.
- Attend the course, and pass the examination with minimum 80% score to receive certificate.
- There are only 2 tries for the examination. Contact PMR for reapplication of full course.

Notes:

Fees are charged on an annual (yearly) basis, not prorated and must be paid within 1 month of invoice or the membership lapses. TIS account is valid for one individual and tied to one email only. By default, it will be tied to the Primary Management Representative (PMR) email. TAPA APAC Membership Programme 2024 Terms & Conditions apply. TAPA APAC reserves the rights to amend and update the membership programme at its discretion with notice to members.

*Terms and conditions apply. Charges for the event may apply

» Become a TAPA APAC Member in 5 Simple Steps

Membership Pre-Application: Appointment of Representatives

As part of the membership application process, each company is required to appoint a **Primary Member Representative (PMR)** and a **Secondary Member Representative (SMR)**.

The **PMR** will serve as the company's main point of contact with TAPA APAC— responsible for receiving official updates, announcements, and acting as the authorized person for training and event registrations.

The **SMR** will support the PMR and serve as an alternate contact to ensure smooth communication and continuity.

STEP
01

Select Membership Plan & Fill in Company Details

Visit the TAPA APAC website and subscribe to the membership according to your business based on business nature and requirements.

- Business Nature (membership category) - Buyer/Shipper, Logistic Service Providers, Security Solution Providers etc.
- Business Requirements (membership type) - Corporate Full, Corporate Lite, or Enterprise

5 - 10 mins

STEP
02
