YOUR SUN FIZZ

MANGO FLAVOUR

20X TABLETS

HYALURONIC ACID

FOOD SUPPLEMENT

BETA-CAROTENE

Your Sun Fizz is a dietary supplement in the form of effervescent tablets, designed to support **healthy skin** and achieve a **balanced, long-lasting tan**. It contains vitamins and active ingredients that **nourish** the skin, **enhance** its color, and **improve hydration**.

Vitamin A and beta-carotene help maintain healthy-looking skin, while vitamins C and E, along with hyaluronic acid, support regeneration, elasticity, and hydration. L-tyrosine stimulates melanin production, accelerating tanning. Biotin supports the condition of hair and nails, and the extract from Japanese pagoda tree buds, known for its antioxidant properties, protects the skin from **free radicals**, promoting a **healthy appearance**.

HOW TO USE

Dissolve one tablet in 200 ml of cold water. Consume directly after preparation. Recommended daily dose: 1 tablet.

Flavour: Orange
Quantity: 20 tablets
Display: 12 pcs
Box: 96 pcs

Ingredients

Acidity regulators: citric acid, sodium bicarbonate; bulking agent: sorbitol; L-ascorbic acid (vitamin C); L-tyrosine; orange flavoring; stabilizer: polyethylene glycol; sweetener: sucralose; natural lemon flavoring with other natural flavors; DL-alpha-tocopheryl acetate (vitamin E); hyaluronic acid; Japanese pagoda tree bud extract (Styphnolobium japonicum (L.) Schott) DER 20:1 standardized for 98% quercetin content; beta-carotene (vitamin A); copper citrate; riboflavin (vitamin B2); retinyl acetate (vitamin A); D-biotin (biotin).

This product is intended for adults and can be used as a supplement to a daily diet.
