## **Grand Marshal of the 2025 Texas History March Celebration Parade: Adeptability Corporation**

The staff from Adeptability has dedicated numerous hours to help the Brazoria Heritage Foundation in event set ups, maintenance, repairs, and installation of state-of-the-art security cameras.

Without the efforts of Adeptability and their owners Wayman and Karen Hutchings the Brazoria Heritage Foundation could not continue their efforts in "Preserving the Past for the Future."

**Thank you to our Chamber Members

## ***NEW DEPUTY BRANCH PILOTS APPOINTED TO SUPPORT PORT FREEPORT'S GROWTH***

**Members of the Port Freeport Pilot Commission, the Executive Director/CEO of Port Freeport, and pilots from the Brazos Pilots Association stand alongside the two new Deputy Branch Pilots, Captain Theron Pfeifer and Captain Connor Willcox.**

FREEPORT, TX (February 20, 2025)—The Pilot Commission of Port Freeport has approved the appointment of Captain Theron Pfeifer and Captain Connor Willcox as Deputy Branch Pilots. This decision strengthens pilotage services to accommodate the ongoing growth of Port Freeport. Their Deputy Branch Pilot certificates took effect on February 15, 2025.

As Port Freeport experiences record growth and increased vessel traffic, the addition of two Deputy Branch Pilots reinforces the port's commitment to safe, efficient, and reliable navigation services. Pilots play a crucial role in facilitating the flow of commerce by expertly guiding vessels throughout the port's waterway.

"Port Freeport is growing at an unprecedented pace, and ensuring we have the necessary infrastructure and personnel to support this expansion is a top priority," said Ravi Singhanian, Chairman of the Port Freeport Commission. "The appointment of Captains Pfeifer and Willcox is a testament to our commitment to safety, efficiency, and world-class service for port users."

With extensive training and experience, Captains Pfeifer and Willcox bring exceptional expertise to their new roles. Their appointments are pivotal as Port Freeport continues investing in infrastructure and deepening its channel to accommodate larger vessels.

“The Brazos Pilots are excited to support growth across the Freeport Harbor Channel. We have amplified our capabilities with the selection of Captain Theron Pfeifer and Captain Connor Willcox. They bring a wealth of maritime knowledge and professionalism to an organization that expects excellence,” said Captain Ross Coviello, President of the Brazos Pilots Association.

#### About Captain Theron Pfeifer

Captain Theron Pfeifer is a highly skilled mariner with extensive experience in vessel operations and navigation. He has served in various capacities aboard commercial vessels and has completed rigorous training to qualify as a Deputy Branch Pilot. His expertise in maritime safety and operational efficiency will contribute significantly to Port Freeport’s pilotage services.

#### About Captain Connor Willcox

Captain Connor Willcox brings a strong background in ship handling, navigation, and maritime logistics. He has completed comprehensive training in local waterways and pilotage procedures, ensuring his readiness to support vessel movements within the Freeport Harbor Channel. His commitment to excellence and safety makes him a valuable addition to the Brazos Pilots Association.

As Port Freeport continues to expand its operations, these strategic appointments reinforce the port’s dedication to facilitating global trade while maintaining the highest standards of safety and efficiency.

***HÖEGH AURORA, THE  
WORLD'S LARGEST AND  
MOST ECO-FRIENDLY CAR  
CARRIER, MADE ITS  
INAUGURAL CALL TO  
PORT FREEPORT***

**Höegh Aurora docked at Port Freeport's Berths 1 and 2**

FREEPORT, TX (March 6, 2025)—On Tuesday, March 4, Port Freeport welcomed the Höegh Aurora during its inaugural visit. The Höegh Aurora is the world's largest and most environmentally friendly car carrier. This event highlights Port Freeport's strategic growth and with partners that have a shared commitment to sustainability, as well as its ongoing investments in infrastructure to support next-generation vessels.

The Höegh Aurora is a state-of-the-art roll-on/roll-off (RORO) vessel with advanced sustainability features, including a fuel-efficient hull and emissions-reducing technology. This design supports the global shift toward greener shipping solutions. The Freeport Harbor Channel Improvement Project facilitated the vessel's arrival, which deepened and widened the channel to enhance navigational safety and accommodate larger vessels.

“Port Freeport’s partnership with Höegh Autoliners continues to grow, bringing economic benefits and strengthening our role as a leading gateway for automotive trade,” said Ravi Singhanian, Chairman of the Port Freeport Commission. “The arrival of Höegh Aurora reflects our shared commitment to innovation and sustainability, ensuring that Port Freeport remains at the forefront of global shipping advancements.”

Port Freeport and Höegh Autoliners established their RORO partnership in 2015, and since then, Höegh has played a crucial role in supporting the region’s automotive supply chain. The arrival of Höegh Aurora further strengthens this collaboration, expanding trade opportunities and reinforcing Port Freeport’s position as a key hub for global commerce. Port Freeport’s ongoing investment in infrastructure, including the Freeport Harbor Channel Improvement Project, has positioned the port as a premier destination for large-scale vessels.

“With the deepening and widening of the Freeport Harbor Channel, we are enhancing operational efficiency and reinforcing our commitment to sustainable growth and economic prosperity,” said Phyllis Saathoff, Port Freeport Executive Director & CEO. “The arrival of Höegh Aurora is a testament to the forward-thinking investments we have made to support our partners and accommodate the next generation of eco-friendly vessels.”

As global trade continues to evolve, Port Freeport remains dedicated to fostering strong industry partnerships, expanding its capabilities, and embracing sustainability-driven innovations. The port looks forward to continued collaboration with Höegh Autoliners and other industry leaders to support the future of maritime commerce.

**From left to right: Emily Henderson, Amanda Veliz, Jesse Hibbetts, and Commissioner Kim Kincannon from Port Freeport; Manuel Salerno Abad, Consulate of Panama; Captain Victor C. Escamilla, Master of the Höegh Aurora; Ambassador Juan B. Sosa, President of the U.S.-Panama Business Council; Jordan Mansker and David Caramante of Höegh Autoliners.**

Port Freeport is a leading port in the export of crude oil and natural gas liquids and ranks nationally as 6th in chemicals, 14th in total foreign waterborne tonnage, and 26th in containers.

A 2022 Economic Impact Study by Texas A&M Transportation Institute revealed that, nationally, the Freeport Harbor Channel generates 266,300 jobs and has a total economic output of \$157.3 billion.

Port Freeport serves Alliera, Atlantic Container Lines, AMPORTS, BASF, Chiquita Fresh N.A., Dole Fresh Fruit, The Dow Chemical Company, Enterprise Products Partners, ExxonMobil, Freeport LNG, Fresh Del Monte Produce Inc., Ford Motor Company, General Motors, Glovis, Grimaldi Lines, Hoegh Autoliners, Kirby Marine, Liberty Global Logistics, Linde, MEGlobal, NYK RORO, Phillips 66, Riviana Foods, Inc., Sallaum Lines, Tenaris, U.S Department of Energy, Volkswagen Group of America, and Vulcan Materials Company.

# **BRAZORIA POLICE WELCOMES NEW OFFICER**

**Brazoria Police department welcomed new officer James Barrie at the February City Council Meeting.**

**Officer James Barrie is a married father of two, a 17 year old son and a heavenly daughter who passed in 2023, at the young age of 22 in a vehicle accident.**

**He began his public safety career at age 17 when he joined a volunteer fire department while in High School. At age 18 he had obtained his EMT certification and was volunteering on an ambulance after school and on the weekends. He continued progressing in the fire service and became a Fire Investigator and Fire Marshal.**

**Over the span of 28 years in public safety, officer Barrie has risen the ranks of the fire service, becoming a career Fire Chief, Fire Marshal, and Emergency Management Coordinator. He has worked for the Harris County Fire Marshals office as a Captain for 6 years and currently volunteers as a firefighter with the Wild Peach Fire Department and serves as their Public Information officer. He has served as the Regional Fire Coordinator for the Texas Forest Service handling wild fire response for the state of Texas. He has experience in hazard mitigation in the states All Hazard incident Management Team.**

**Officer Barrie has been active in Law enforcement since 2007 and is licensed as a Master Peace Officer. He owns his own Real Estate inspection business and enjoys being able to serve his community.**

# Dancin' Doll Spring Clinic

**When: Saturday, March 22nd**  
**Time: 8:30am – 10:30am**  
**Where: Columbia High School Gym**  
**Cost: \$25.00**

## Information:

- Dancers must be in kinder thru 5th grade.
- The dancers will learn a routine prepared by members of the CHS Dancin' Dolls
- Please make sure your dancers bring water and the bottle is labeled with your dancers' name.
  - Dancers should wear shorts, a t-shirt, and tennis shoes
- Doors will open for parents at 10:15 am. Dancers will perform the routine they learned for the parents
- All clinic participants are invited to perform their routine at the Dancin' Doll Spring Show on Saturday, April 5th in the CHS gym at 2:00pm. Practice and review will be at 1:00pm.
- The dancers will receive a t-shirt to wear for the Spring Show. Shirts will be delivered to them at their school before Spring Show.
- At Spring Show, there will be a \$5.00 entry fee (CASH ONLY) for all parents and guests. Spring Show is the Dolls major fundraiser, so we appreciate the support.
- Please return the attached information with the payment for the clinic to your child's school front office for pick up by Thursday, March 20th by noon (12:00pm).
- Any forms turned in after the March 20th deadline will be allowed participation but will not be guaranteed a t-shirt.
- If you have any further questions, please contact [katherine.french@cbisd.com](mailto:katherine.french@cbisd.com)

(Detach and return. Please keep the top portion for your information)

# BCPC SIGNING DAY

The mission of the program is to provide an avenue for CTE students that have taken industrial-based courses in high school to have the opportunity to work in the industry.

## APPLY

Prior to Career Signing Day, eligible students will have to complete an application consisting of a letter of recommendation, transcript, and student essay.

## INTERVIEW

Afterward, students will be called to interview with several contractor companies. Over the past years, students had the opportunity to interview with four companies over the course of 4 hours. Based on the interviews, contractor companies will make offers to the students to start work after graduation.

## SIGN

Over the past six years, the BCPC Career Signing Day has signed over 250 graduating high school seniors into full-time craft careers that include on-the-job training and classroom instruction that often leads to professional certification.

## TIMELINE FOR 2025:

- High School Presentations Start: November 1, 2024
- Applications Due: February 14
- Interviews: March 25
- Career Signing Day: April 22

## BENEFITS

Careers in the petrochemical industry are in high demand with healthy benefits. Competitive wages and job opportunities all around the world make it a desirable industry to work in.

Representatives from Brazoria County Petrochemical Council will visit CHS sometime after November 1st.

# VOLUNTEER HEROES NEEDED

Are you passionate about giving back to the community, and want to save lives and property?  
Become a firefighter today!

WPVFD is seeking dedicated volunteers to support our mission to make a difference.
