Pastor's Corner

**Rev. Dr. LK
Pendleton**

Do you ever feel as if God should not answer your prayers because you are unworthy? Do you feel that God could never love a person who has done the things you have done? I have been there and it is painful. You need Abba to move in your life. You need His help, but who are you to request these things from The Most High God?

As we approach the time of year that is observed as the season of Lent, we recognize Yeshua's sacrifice on the cross. Had Jesus not begun teaching at twelve, hit the pavement to show the world how we can be saved and reborn, suffered persecution and died a painful execution on an old rugged cross, you and I would be doomed to eternal death and separation from our Creator and the Lover of our souls. I don't ever want to imagine that existence and we don't have to because of Yeshua's sacrifice.

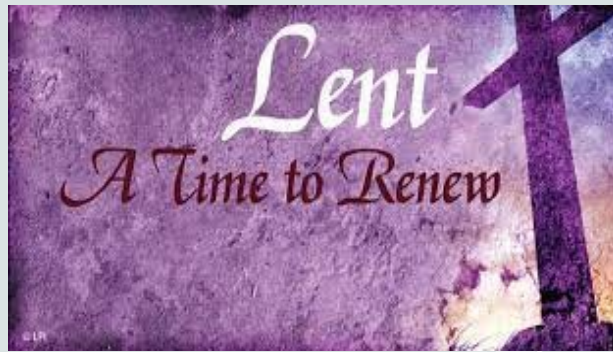

From the very beginning, humanity has been in need of salvation. The fall of Adam and Eve introduced sin into the world, creating a separation between God and mankind (Romans 3:23). No amount of human effort, good works, or religious rituals could bridge the gap. Sin demanded payment and the penalty was death (Romans 6:23). But Yahweh in his infinite love, mercy and wisdom provided a way- a Savior who would redeem and restore what was lost.

Pastor's Corner (Continued)

One of the most beautiful truths about salvation is that it is a gift. Ephesians 2:8-9 reminds us, “For by grace you have been saved through faith, and that not of yourselves; it is the gift of God, not of works, lest anyone should boast.” Salvation cannot be earned; it is freely given by God through faith in Jesus Christ.

Never feel that you have done too much to escape the love of God. As heirs of salvation, it is Jesus’ blood that washes us clean and makes us unblemished before God the Father. When we whole-heartedly repent, God will always right our wrongs. As we celebrate Lent, let us not only rejoice in Yeshua’s resurrection, but also share the message of salvation with the world. Jesus is alive and because He lives, we can face tomorrow with confidence and faith.

Yours in Christ,
Rev. Dr. LK Pendleton

This year we began lent on March 5, 2025. Lent is a special time of prayer, repentance, sacrifice and good works in preparation for Easter. Lent comes from the Anglo-Saxon word Lenten, which means, “Spring.” Historically, Lent was a time for converts to fast and prepare for baptism and penance. However, in contemporary times, the emphasis has transitioned from baptism to the passion and death of Christ. Thus, Lent has become a time of penance for all Christians.

Ash Wednesday is the beginning of Lent which lasts for 40 days, excluding Sundays. Sundays are omitted because they are considered little Easters. On this day, the remorseful spirit of Lent should be balanced with great expectation and celebration of the Resurrection. As we continue the season of Lent, we anticipate the great and marvelous things God will do in our midst.

“Good and upright is the LORD; therefore, he instructs sinners in the way. He leads the humble in what is right, and teaches the humble his way.”
Psalm 25:8-9

The Purpose of Fasting

The purpose of the fast is for spiritual renewal, grounding and preparation for the future.

Because we are encouraging the entire Red Oak congregation to participate (if you are able), two types of fasts are outlined below from which you may choose.

Wesleyan Fast

This fast consists of going without solid food after the evening meal each Thursday until mid-afternoon (about 3:00 PM) each Friday. (Those who wish can also use the same practice for a Wednesday fast, as did those in the Ancient Church.) This time of fasting is focused in prayer to “spread the good news of Christ Jesus in a world that so desperately needs healing, hope and salvation.”

The Daniel Fast

Eat only healthy foods such as beans, fruit, and vegetables. Some of the foods to exclude are meats, sweets, and other high fat substances. It is imperative to spend time in prayer and meditation on the word of God. Fasting will not be as successful otherwise.

Stay motivated by continuing a pathway to give. Please continue to support our church through:

- ***ONLINE and/or TEXT GIVING redoakumcstockbridge.org***
- ***US MAIL (3894 Walt Stephens Road, Stockbridge, GA 30281)***
- ***DROP*** it in the ***REPOSITORY*** box in the narthex after 10:00am service
- ***DROP BOX outside of the Family Life Center (FLC)*** - *This is a secured deposit drop box available 24/7. It is located to the left of the main entrance into the FLC. Please fold your tithing envelop in half before placing it in the deposit drop box. Contact the church office with questions at 770.474.8863.*

Honor the LORD with your wealth, with the first fruits of all your crops; then your barns will be filled to overflowing, and your vats will brim over with new wine...

The focus for the year is to continue the financial support of the ministries for the Red Oak United Methodist Church. We are maintaining our financial status with a slight decrease in contributions from the prior year. Thank you for your continued support and dedication as we look forward to a year of growth.

Annual Contribution Statements for 2024 may be requested by contacting the Church Office. The statements will be available for pick-up on Sundays after the worship service in the Finance Room, mailed or emailed as requested.

The date for the Annual Calendar Tea will be finalized and announced shortly. This is an event of food, fun and fellowship for everyone. Each person is asked to make a gift of \$150.00 to your Birth Month. The envelopes should include the Calendar Tea designation and month. The captains for each month will be presented at a later date.

The Homecoming and Revival celebration will be in August and the requested gift is \$100.00.

The last celebration in 2025 will be the 159th Church Anniversary in October with the requested gift of \$159.00 to commemorate each year of the Church's history.

Your support of the events for the year will enable us to continue to pay down the outstanding debt on the church facilities. Please indicate on your envelopes all donations designated for the Mortgage paydown. Principal payments will be submitted to reduce this debt balance.

Finance Corner (Continued)

Please write legibly when completing ALL giving envelopes and provide your full name (first and last), the date, dollar amount and designation of funds (tithes, mortgage, benevolence, Homecoming, etc.).

The Connections Community Engagement Ministry

Embodying Christ's Love and Compassion through Community Engagement

At the heart of the Red Oak United Methodist Church, the Connections Community Engagement Ministry is dedicated to embodying Christ's love and compassion through active engagement with our community. Our mission is rooted in promoting justice, equality, and dignity for all individuals.

This past month, we had the privilege of collaborating with the Henry County Commission to host the District 2 Town Hall at our very own Red Oak United Methodist Church. This event was a resounding success, bringing together residents, local government representatives, and community leaders to discuss vital issues and share essential information. It was a testament to the power of unity and collective action in addressing the needs of our community.

During the town hall, participants gained valuable insights into the services provided by the county and the critical information that citizens need to be aware of within their local government. The event was a platform for open communication, fostering a deeper understanding of how we can work together to create positive change.

Looking ahead, the Connections Community Engagement Ministry is committed to continuing this momentum. We will host a **Town Hall with the City of Stockbridge on March 19th at 6:30pm**. We look forward to further discussions and collaborations with our city, county and state government representatives. By partnering together, we can educate and inform our community, empowering individuals to take an active role in shaping their future.

We believe that every person deserves to be treated with justice, equality, and dignity. Our ministry is dedicated to advocating for these values, and we invite all members of our church and community to join us in this mission. Together, we can make a difference and embody the teachings of Christ in our everyday actions.

Thank you for your continued support and participation in our ministry's efforts. Let us continue to work together, hand in hand, to create a more just and compassionate world for all.

With gratitude and hope,

Red Oak UMC Wellness Ministry

March: A Time for Colorectal Cancer Awareness in Our Community

As we step into March—National Colorectal Cancer Awareness Month—we are reminded that our bodies are temples of the Holy Spirit. In our journey of faith, it is essential that we honor this gift by taking care of our health. This month, we will focus on colorectal cancer, a disease that has a disproportionately high impact on the Black community, and why proactive care and early screening are vital for each one of us.

Studies have shown that African Americans face a higher risk of developing colorectal cancer compared to other racial groups. This heightened vulnerability comes with several challenges:

Increased Incidence and Mortality: Research indicates that Black men and women are more likely to be diagnosed at later stages of colorectal cancer, which often leads to poorer outcomes.

Barriers to Care: Factors such as limited access to healthcare, socioeconomic disparities, and a lack of targeted public health messaging can delay diagnosis and treatment.

Genetic and Environmental Factors: While genetics may play a role, lifestyle choices

like diet and physical activity also contribute to risk. By acknowledging these factors, we can take steps toward prevention.

The Importance of Early Screening

One of the most powerful tools we have in the fight against colorectal cancer is early detection. Screening saves lives by identifying precancerous polyps and early-stage cancers when treatment is most effective. Here's what every member of our community should know:

When to Begin: While general guidelines recommend that adults start regular screenings at age 45, those with a family history or other risk factors might need to begin even earlier. Speak with your doctor to determine the best time for you.

Screening Methods: There are several methods for screening, including colonoscopy, stool tests, and sigmoidoscopy. Your healthcare provider can help decide which option is best for you.

Peace of Mind: Early screening can reduce your risk of dying from colorectal cancer by up to 60%. This simple act of care not only preserves your health but also strengthens our community

Embracing a Lifestyle of Wellness

Beyond screenings, a lifestyle that promotes wellness is a blessing we can all share. Consider these steps as part of your journey toward better health:

Healthy Diet: Incorporate plenty of fruits, vegetables, whole grains, and lean proteins into your diet. A diet rich in fiber can help protect your colon.

Regular Exercise: Staying active can help maintain a healthy weight and reduce your risk of many diseases, including colorectal cancer.

Avoid Tobacco and Limit Alcohol: These substances can increase the risk of many cancers. Reducing or eliminating them from your life is a step toward a healthier you.

Stay Informed: Knowledge is power. Keep up with regular check-ups and educate yourself on the latest health recommendations

A Call to Action

As we reflect on our spiritual journey this March, let us also commit to taking tangible steps toward our physical well-being. Encourage your loved ones to get screened, embrace a healthier lifestyle, and support community health initiatives. Remember the words from 1 Corinthians 6:19-20, which remind us that our bodies are temples—worthy of care, respect, and protection.

By uniting in faith and action, we can help reduce the burden of colorectal cancer in our community and ensure that every member has the opportunity for a long, healthy life. May God guide us in this journey toward healing and wellness.

Red Oak UMC Communication Ministry

Communications Team Updates - March/April 2025

The Red Oak UMC Communications team is committed to a strong start for 2025. We are constantly seeking ways to enhance the quality of the audio and visual experience, both online and in the sanctuary. We hope the larger televisions in the sanctuary support readability of text and visibility of the overall worship service. Next, we will add a new camera to the front of the sanctuary to provide additional angles during worship. A goal we have this year is to highlight our Red Oak teams and committees by featuring something unique about the team. For example, a team may wish to highlight the accomplishments of a team member as a way to honor and celebrate them, or they may wish to share details about an upcoming week/month the team is hosting. We will be happy to feature this on Red Oak's website, but your team must create the content and have it ready to be posted. The Communications Team will not create your content, but we will communicate and advertise it. If interested in being highlighted on the website for significant moments, we invite you to create your content and submit it, along with a formal request to redoakumcteam@gmail.com.

Finally, we are seeking individuals who embody the spirit of creativity. Are you creative with visuals or have a voice fit for advertising? Your skills could be an asset for the creation of flyers to market church events, visuals displayed during announcements, and the voice that is heard when listening to announcements. What about social media - are you a social media content creator? We are looking for someone to help enhance our online presence. We have roles for anyone who is interested in audio, video, visuals, voiceovers, website, or social media. You're welcome to join one of the best teams at Red Oak! Please reach out to Veneschia Bryant or email redoakumcteam@gmail.com.
