

SPRING 2023

The School of Architecture and Design invites you on a tour of our student's artwork. Visually stunning pieces which make use of bold and vibrant colors, and varied textures and designs can be found within.

From edgy surrealism to the refined and classic, the pieces represent our SCAD students and their incredible talents.

Designs include hand drawings representing themes including Alice in Wonderland and Souq Al Mubarakiya, digital designs reflecting different cultures through juxtaposition, and typography designs relying heavily on text.

The artwork presented was created by The School of Architecture and Design students circa 2020 to 2023.
