SPEAKER

KRISHNAN R

Krishnan R, a visionary entrepreneur and a veteran of the semiconductor industry with a passion for building deep-tech ventures from the ground up.

Krishnan's journey is a masterclass in technology leadership. He holds both a Bachelor's and a Master's degree from the prestigious IIT, Madras. He honed his technical expertise during a remarkable 9-year tenure at Texas Instruments, rising to the level of Senior Member Technical Staff.

Driven by an entrepreneurial spirit, he went on to co-found Cosmic Circuits, a highly successful analog semiconductor company.

For over a decade, he has also been at the helm of Zentron Labs as Founder and CEO, a company focused on cutting-edge computer vision and robotics for industrial and agri-tech applications.

Beyond his corporate endeavours, he also dedicates his time to social service as the Chairman of the Sri Sathya Sai Premaarpitham Foundation.
