# WELCOME FROM THE HEAD OF SCHOOL

Dear Friends,

School communities are centered on connections among individuals, ideas, and empathy. We come together at A Taste of Our Towns for fun, friendship, and the opportunity to rejoice in all we have accomplished this year on behalf of our students and their families. This evening's event also serves the purpose of raising funds to support the school's mission and its aim to reduce obstacles for families aspiring to provide their children with everything that Westfield offers.

I need to acknowledge the progress we have made over the last ten years. A decade ago, Westfield faced challenges launching an annual fund and creating an ethos of philanthropy. Today, we have a thriving Fund for Westfield and host two fantastic events annually. This success is a testament to the dedication of many individuals in securing the ongoing prosperity of our school.

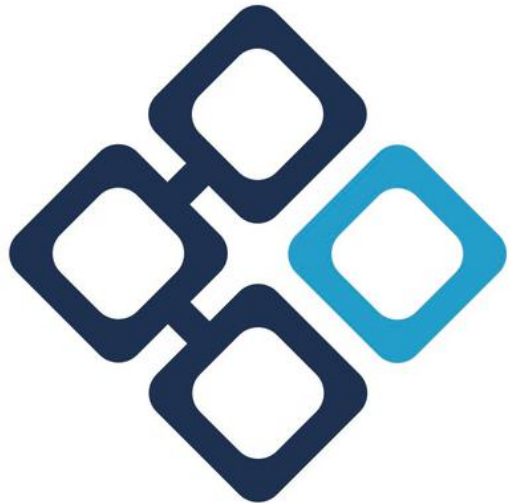

Building upon the achievements of last year's Taste of Our Towns event, we have a remarkable planning committee led by current parents Gretchen Hutchings and Colleen Kelly. Board member and chair of the Development Committee, Darren White, provided the drive and vision to propel us forward creating an outstanding event. Working alongside other committee members, including Bill Aldrich, Judy Cope, Rosanne Martin, Janet Stevens, and Shelly Turner, current Westfield parents Megan Allen, Alizah Allen, Jessica Bacon, Carolyn Barshay, Mandy Sigman, and Nancy Torres, volunteered their time, and effort to organize, reach out to restaurants and sponsors, help with the auction items, and decorate the school for this festive evening. Judy Cope '64 contributed spectacular centerpieces for our tables, while Lily Taylor handled all communications, advertising, and online auction setup. Cindy Choyce brought her expert organizational skills to every aspect of the event, along with help from Maddie Urbano. A big thank you to our talented entertainers - our harpist, alumni parent Kurt Yung, and vocal performer, current parent Teresa Grace, accompanied by her guitarist, Frank. Finally, I would like to thank our facilities staff Don Pastore, Wayne Dixon, and Teresa Muscarena who helped clean the spaces where 154 children were actively learning earlier in the week.

The restaurants and the sponsors, whose names you see in the program, demonstrate the incredible support for the school in the area community. Tonight, we celebrate this community that believes Westfield can create the world we seek for children - a world that nurtures children's emotional, physical, intellectual, moral, and spiritual growth. I hope you have a wonderful time savoring the delicious food and finding new favorite restaurants for future visits. Also, remember to acknowledge our sponsors and show your appreciation by supporting their businesses.

Join me in giving everyone who made this event such a success your hearty appreciation. Enjoy yourself, have fun, visit with old friends, and get to know new ones. Be sure to bid on auction items! Take time to experience the stunning student artwork displayed in the library and throughout the halls. Thank you for joining us tonight and for supporting Westfield's ambitious program.

In celebration,

Dr. Margaret Haviland  
Head of School
