

SCRÆGG®

At Full Steam into The Snack Future

Fresh Scrambled Eggs In Just 15 Seconds?

Now possible at breakfast bars, cafés, gas stations and convenience stores with the SCRAEGG Pro! The quick preparation brings advantages on both sides of the counter: short waiting times for customers and little time spent on employees. With the SCRAEGG Pro, you can provide various warm snacks and meals in a matter of seconds on the smallest footprint.

How Does It Work?

A one-button interface powers a proprietary Direct Power Steam System for fast, consistent results. Its compact, ergonomic design fits tight spaces, perfect for self-serve or staff use—no training or cooking skills required.

SCRAEGG Offers Many Unique Advantages

- Simple and quick time saving preparation method using steam.
- 100% guarantee of success and consistent quality.
- Multi-functional device preparing an array of mouth-watering dishes.
- No need for pots and pans, extractor hoods or in-depth cleaning regimes.
- Convenient options to prepare for 'in house' or 'to go'.

The Perfect Fit For Any Environment

Bakeries

Offer scrambled eggs cooked at lightning speed, and trendy products like porridge and delicious soups.

Hotels

Provide breakfast offerings like fresh scrambled eggs and porridge, and surprise your guests with warm snacks and soups, around the clock.

Fitness

Instead of boring bars and shakes, now offer fluffy low-carb scrambled eggs and delicious high-fibre or protein porridge options.

Gas Stations

Extend your on-the-go, warm snack offerings. The SCRÆGG Pro fits tight spaces, perfect for self-serve or staff use.

The SCRAEGG Pro is also perfect for all catering, canteens, kiosks, office kitchens, bistros, cafes & much more. Takes healthy snacks to a new level in seconds! The compact steam system delivers with optimal user-friendliness, high productivity and constant quality. It is designed for intensive long-term use in various areas of the out-of-home market. You can prepare delicious, warm dishes within seconds.
