ARC COMMITTEE

Steve Winter

The holidays are upon us, and it is time once again to decorate our houses in the holiday spirit as well as make the electric companies very happy with the additional revenue. The Village Creek guidelines say "Holiday decorations are permitted and will not require approval."

Decorations may be installed no sooner than 30 days prior to the holiday and must be removed within 15 days after the holiday for which they are intended. The ARC reserves the right to require the removal of decorations that either generate complaints or are deemed offensive. I don't think we have ever had to do that but please be mindful of light pollution and how it may affect your neighbors.

I have always been impressed by the decoration in our community and as always, I urge you to be careful when you put up your decorations especially this year. We have had a lot of rain and the ground is soft, be sure your ladder is well supported, and you have taken all safety precautions in consideration before you climb on your roof. The holiday will be much merrier if you're not in a cast or worse.

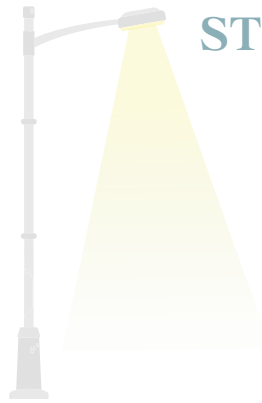

FRIENDLY REMINDER

Please keep all animals on a leash, and clean up after your pets.

THE BOOMERS CLUB

THE START OF THE INFAMOUS 'BOOMERS CLUB'

The Boomers Club was established in 2019 when Paulette was on the Social Committee for Village Creek and wasn't getting a response from the previous board. So in October 2019, she sent out flyers (with the help of our wonderful community) to every single home in Village Creek to get members. The responses came back and a group was established. There was just one more final touch, a name. Voting took place and there was tie between 'Sizzling Seniors' and 'The Boomers', we all know which side won. A mascot was mentioned and a pink flamingo became the official mascot. Paulette ran The Boomers Club the first two year, and as the group grew more members wanted to help out, such as Peggy who is now the contact for this wonderful group.

The Boomers Club is going on it's 5th year and stronger than ever, with about 40 members. As you can tell from the pictures, this bunch of people have a blast! They have all types of events like, Holiday Events, Hawaiian Luau, Casino Night, and so much more.

The Boomers Club is always welcoming new members, even younger people (without kids present). If you would like more information please reach out to Peggy at Pbarriga@earthlink.net or click the flamingo!

- Couple Bunco: 2nd Wednesday of the month
