**IT** – Struttura in legno multistrato di fromager (Ceiba Pentadra), impiallacciato e tinto. Canale passacavi posteriore coperto da una fascia in velcro impiallacciata in legno nella stessa finitura del mobile. Kit per aggancio televisore in dotazione. Presa multipla di corrente e luce LED d’ambiente posizionate sotto la base.

**EN** – Structure made from fromager (Ceiba Pentadra) plywood, veneered and stained. Cable trough at back covered by a strip of Velcro, veneered in wood in the same finish as the structure. Television hanging kit included. Multiple power adapter and ambient LED light under the base.

**FR** – Structure en bois contre-plaqué de fromager (Ceiba Pentadra) plaqué et teinté. Canal passe-câbles postérieur, recouvert d’une bande de ruban velcro plaqué en bois dans la même finition que le meuble. Kit d’accrochage du téléviseur fourni. Prise multiple (modèle Shucko CEE 7/7) et éclairage LED d’ambiance placé sous la base.

**DE** – Struktur aus furniertem und gefärbtem massivem Fromager-Multiplex (Ceiba Pentadra). Hintere Kabeldurchführung, verdeckt von einem Klettband, furniert mit demselben Holz des Finish des Möbelstücks. Befestigungssatz für Fernseher wird mitgeliefert. Mehrfachsteckdose und LED Beleuchtung sind unterhalb des Gestells gestellt.

**ES** – Estructura de madera multicapas de ceiba enchapada y teñida. Orificio pasacables posteriores cubierto por una banda con velcro, enchapada en madera, en el mismo acabado que el mueble. Kit para fijación de televisor incluido. Toma múltiple de corriente y luz LED ambiental posicionadas bajo la base.
